

**DYNAMIC PURCHASING SYSTEM FOR PROVISION OF CONTRACTORS FOR
REFURBISHMENT, ROOFING AND SEWAGE WORKS**

CLARIFICATIONS PART ONE

Question One

The SAQ Category 7 zipped folder contains the files for SAQ Category 3. Can you please reissue Category 7

Answer: The correct documents were uploaded on 14 September 2020.

Question Two

With regard to the PQQ for Sewage Treatment Works, DBO - MEICA Plants up to €400k, Category 7 of DPS, the zip folder contains the documents for 'Upgrade of roofs to existing buildings up to 500k, Category 3 of DPS'.

Can you please clarify if there is a PQQ for the Sewage Treatment Works, DBO - MEICA Plants up to €400k?

Answer: The correct documents were uploaded on 14 September 2020.

Question Three

Can you kindly confirm the return date of the prequalification submissions? The response deadline on the eTenders notification is 31st December 2021.

Answer: Candidates can submit their SAQ's at any time from the date of the issue of the Contract Notice up until the end of the Period of Validity which is 31 December 2021 as specified under section 3.2 of Dynamic Purchasing System Rules. Please note per section 3.3 of the Dynamic Purchasing System Rules that Údarás intends to begin using the DPS after it has been advertised on eTenders for 30 calendar days.

Question Four

Hydro International respectfully request an extension to the prequalification return deadline of a further week. Due to the current workload and the complexity of the prequalification documents, we would request an extension to the submission deadline to allow sufficient time to compile our submissions.

Answer: Candidates can submit their SAQ's at any time from the date of the issue of the Contract Notice up until the end of the Period of Validity which is 31 December 2021 as specified under section 3.2 of Dynamic Purchasing System Rules. Please note per section 3.3 of the Dynamic Purchasing System Rules that Údarás intends to begin using the DPS after it has been advertised on eTenders for 30 calendar days.
