Title: Multi Party Framework Agreement for the Long Term Supply of Vehicle Maintenance Consumables to Bus Éireann
Description: Bus Éireann proposes to establish a Multi-Party Framework Agreement for the Long-Term Supply of Vehicle Maintenance Consumables on an as-required basis in support of its fleet maintenance operations nationwide. The Framework Agreement will establish a qualified panel of Service Providers who will be eligible to compete in mini competitions for specific requirements as they arise throughout the term of the Framework Agreement. The requirement includes, but is not limited to, the following: Supply of Lubricants, including engine oils, transmission and gear oils, hydraulic oils, greases, and other associated lubricating products. Supply of Coolants, including engine coolants, antifreeze, coolant concentrates, premixed coolants, and other associated cooling fluids. Supply of AdBlue, including the supply of AdBlue in packaging formats and quantities appropriate to Bus Éireann's operational requirements. The successful Service Provider(s) shall be capable of supplying products that meet the technical and operational requirements specified by Bus Éireann, together with any relevant OEM recommendations, industry standards, and applicable legislative requirements. All products shall be delivered directly to Bus Éireann maintenance garages, depots, and other operational locations nationwide, as required. The Framework Agreement will have a duration of eight (8) years. Contracts awarded following mini competitions conducted under the Framework Agreement will be for a period of up to seven (7) years, with no provision for extension. As suitably qualified participants on the Framework Agreement, panel members will be invited to compete in mini tenders for individual requirements as they arise during the term of the Framework Agreement.
