INSTRUCTIONS TO CANDIDATES

This document is Document 2 of the Pre-Qualification Documents for acceptance onto the Authority's Qualification System for future Call-Off Competitions for National Shared Micromobility Schemes. It constitutes a Pre-Qualification Questionnaire to be completed by Candidates who wish to be invited to tender for such Contracts. Candidates should also refer to Document 1 of the Pre-Qualification Documents, which provides information for Candidates wishing to provide a Pre-Qualification Submission.

A Pre-Qualification Submission comprises of a completed Pre-Qualification Questionnaire and a completed European Single Procurement Document ("ESPD") together with supporting information and attachments. For the avoidance of doubt, the Candidate (and any member, entity being relied upon or proposed subcontractor) must complete an ESPD in addition to a response to the remainder of this Pre-Qualification Questionnaire.

The purpose of the Pre-Qualification Questionnaire is to elicit information required by the Authority to make an assessment of the suitability of the Candidate to operate such Shared Micromobility Schemes as may be tendered and to select Candidates who will be invited to submit tenders in respect of such Contracts.

Candidates are referred to the Information Memorandum which sets out how the assessment will be carried out (together with other information about the Contract and the competition).

The Questionnaire is divided into five (5) sections:

- **Section 1** requires information concerning the Candidate's structure.
- **Section 2** is the ESPD.
- **Section 3** requires details of the Candidate's experience and expertise on referenced projects.
- **Section 4** requires details in relation to Freedom of Information.
- **Section 5** requires final confirmations in relation to the Pre-Qualification Submission.

Candidates are reminded that failure to provide the requested information, or the provision of incomplete, false or misleading information may result in their exclusion from the procurement process.

In the case of a consortium or group Candidate, the lead member of the group (the "Lead Contractor") shall complete all sections of the Questionnaire on behalf of the Candidate, with the other members of the group each completing additional copies of Section 1 (Candidate Details) and Section 2 (ESPD) in respect of their own organisations. Section 2 must also be completed by any entity on whom reliance is being placed (for any purpose), while Section 3 must also be completed by any entity(ies) on whom reliance is being placed for the purposes of Section 3.
