Clarification Question (1) dated 30th October 2025

<u>Message Ref No:</u>	<u>Question</u>	<u>Contracting Authority Response</u>
527183	Can I ask the following questions for clarification in relation to the RFP:- (i) Will Tupe apply? (ii) What date will the contract commence?	(i) Tenderers should note that it is not a matter for the Contracting Authority to determine whether or not TUPE regulations apply. Tenderers ought to obtain their own legal advice as to the application or not application of TUPE. (ii) It is envisaged that Framework Contracts will be executed by the Contracting Authority and the Contractor(s) in May 2026 with a contract commencement date of the 1st of August 2026.
