Clarification Question (4) dated 13th November 2025

<u>Message Ref No:</u>	<u>Question</u>	<u>Contracting Authority Response</u>
540236	In response to your responses to clarification (specifically qus 5 and 6): for the avoidance of doubt, this means that there is no framework level, or government arranged negotiated rates (hotels and airfares) available to members? And that each member must negotiate their own rates? Please confirm our understanding.	The establishment and negotiation of rates is the responsibility of the framework member(s).
