FRAMEWORK FOR FLOORING (Including Maintenance & Repairs)

Appendix B – Pricing Document

GALW/BUILD1571/2026

	LOT 1 - PRICING DOCUMENT Floor Finishes - Entrance / Barrier Matting	
	(1-) GENERAL <i>Note: While c. 90% of University of Galway's buildings are located in the vicinity of the main campus in Galway City, the University owns other buildings around the country. For the purpose of the hourly/half-daily/daily/night rates below a reasonable additional expense may be agreed between University of Galway and the successful framework candidate for travelling to and from locations outside Galway County. This must be agreed prior to any work being carried out at a location outside Galway County.</i> (1-)01 This framework has been divided up into three lots. Tendering contractors may submit a tender for a single lot, for any two lots or for all three lots at their own discretion. There are three sections to this pricing document, one for each lot. The pricing document includes notional areas and hourly/half-daily/daily/night rates for the following to establish rates which will be used to determine tender values when the framework is put into operation: * Very small incidental repair work (including necessary preparatory works). * Small to medium scale repair / replacement work (including necessary preparatory works) . * Larger scale replacement work (including necessary preparatory works). * Hourly/half-daily/daily/night rates for repairs/maintenance for the above floor finishes (including necessary preparatory works). In many instances, preparatory works will be required as part of the overall service under this framework. Preparatory works may include laying MDF to make up levels, self-levelling compounds, vapour suppressants, adhesives, and the like. The flooring contractors must provide this services as part of the work under this framework. Note: Rates tendered below must include for all preliminaries, ancillary costs, any energy surcharges, recycling/circularity costs, fixings, preparatory works, and any out-of-pocket expenses, to deliver each floor finish. (1-)02 All products used throughout this framework must have a valid 'CE' mark (Conformité Européenne) to verify that products conform with all EU directives or EU regulations that (1-)03 University of Galway reserves the right to change and/or modify the quantities and specification of any item and to omit and/or add to any item in the flooring schedules. (1-)04 For the purpose of this Multi Supplier Framework, the following shall apply: • Normal working hours are deemed to be 8.00AM to 6.00PM, Monday to Friday. • Outside normal working hours is deemed to be any period outside normal working hours, including weekends and all public holidays. • A Half day shall be any period of four hours between the hours of 8.00am & 6.00pm. • A full day shall be the full day 8.00am to 6.00pm including any break periods. • Night hourly rate is 6pm to midnight. • Efforts shall be made on both the University side and the flooring contractor's side to bundle a series of small (non-emergency) repairs together to avoid repeated and unnecessary single hourly call-outs.	

(1-)05	For the purpose of this Framework Request for Tenders, emergency service(s) is deemed to be a response time within 24 hours of a request from University of Galway. Non-emergency response time for small/medium scale repairs/maintenance and replacement work is deemed to be 7-10 working days from date of P.O. / official order. Response time for larger scale work to be agreed in writing with University of Galway at time of order.
(1-)06	All entrance and barrier matting shall comply with the relevant requirements of:
*	BS 7953:1999 - Entrance Flooring Systems – Selection, Installation and Maintenance.
*	Building Regulations - Technical Guidance Document M - Access and Use (2010).
