1.4 This public procurement competition (the “Competition”) will be conducted in accordance with the open procedure under the European Union (Award of Public Authority Contracts) Regulations 2016 (Statutory Instrument 284 of 2016) (the “Regulations”). Any contract that may result from this Competition (the “Services Contract”) will be issued for a term of **2 (two) Years** (“the Term”).

1.5

The Contracting Authority reserves the right to extend the Term for a period or periods of up to **Twelve (12) months** with a maximum of **Two (2)** such extension or extensions on the same terms and conditions, subject to the Contracting Authority’s obligations at law.

1.6 The Contracting Authority estimates that the expenditure on the Services to be covered by the proposed **[Services Contracts]** may amount to some €1,350,000 (excl. VAT) over the Term and any possible extensions. Tenderers must understand that this figure is an estimate only based on current and future expected usage.

1.7 Contracting Authority policy seeks to encourage participation on a fair and equal basis by Small and Medium Enterprises (“SME”s) in this Competition. SMEs that believe the scope of this Competition is beyond their technical or business capacity are encouraged, subject to paragraph 2.5, to explore the possibilities of forming relationships with other SMEs or with larger enterprises. Through such relationships they can participate and contribute to

the successful implementation of any Services Contract that may result from this Competition and therefore increase their social and economic benefits.

Larger enterprises are also encouraged, subject to paragraph 2.5, to consider the practical ways that SMEs can be included in their proposals to maximise the social and economic benefits of any Services Contracts that may result from this Competition.

Part 2: Instructions to Tenderers

2.1 IMPORTANT NOTICES

2.1.1 While every effort has been made to provide comprehensive and accurate information in all notices and documents prepared for the purposes of this Competition, the Contracting Authority does not accept any liability or provide any express or implied warranty in respect of any such information. Tenderers must form their own conclusions about the solution needed to meet the requirements set out in this RFT and may wish to consult their legal advisers.

2.1.2 The Contracting Authority does not bind itself to accept the lowest priced or any Tender. This RFT does not constitute an offer or commitment to enter into a Services Contract. No contractual rights in relation to the Contracting Authority will exist unless and until a formal written Services Contract has been executed by or on behalf of the Contracting Authority. Any notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer. The Contracting Authority may cancel this Competition [(or, for the avoidance of doubt, any individual Lot)] at any time prior to a formal written Services Contract being executed by or on behalf of the Contracting Authority.

The award of a Services Contract does not confer exclusivity on the successful Tenderer.

2.1.3 This RFT supersedes and replaces any and all previous documentation, communications and correspondence between the Contracting Authority and Tenderers, and Tenderers should place no reliance on such previous documentation and correspondence.

2.1.4 In this clause 2.1.4, “Data Protection Laws” means all applicable national and EU data protection laws, regulations and guidelines including but not limited to Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (the “General Data Protection Regulation”), and any guidelines and codes of practice issued by the Office of the Data Protection Commission or other supervisory authority for data protection in Ireland from time to time.

The Contracting Authority will be a Data Controller (where Data Controller has the meaning given under the Data Protection Laws) in respect of any Personal Data (where Personal Data has the meaning given under the Data Protection Laws) required to be provided by the Tenderer in response to this RFT.

The Tenderer, as Data Controller in respect of any Personal Data provided by it in its Tender, is required to confirm in the statement required under paragraph 2.4 below that all Data Subjects (where Data Subject has the meaning given under the Data Protection Laws) whose Personal Data is provided by the Tenderer have consented to the processing of such Personal Data by the Tenderer, the Contracting Authority, the Evaluation Team and the supplier of the etenders.gov.ie website, for the purposes of the participation of the Tenderer in this Competition or that the Tenderer otherwise has a legal basis for

providing such Personal Data to the Contracting Authority for the purposes of its participation in this Competition.

- 2.1.5 The Contracting Authority would refer Tenderers in particular to the provisions of Regulation (EU) 2022/1031 on the access of third country economic operators, goods and services to the Union's public procurement and concession markets and procedures supporting negotiations on access of Union economic operators, goods and services to the public procurement and concession markets of third countries (International Procurement Instrument – IPI), and to their obligation to comply therewith.

In particular, tenderers and candidates should note in Article 6 of Regulation (EU) 2022/1031, the obligations for a Contracting Authority in the context of a procurement procedure where the EU Commission has adopted an IPI measure.

- 2.1.6 Tenderers are referred to the provisions of Regulation (EU) 2022/2560 of the European Parliament and of the Council on Foreign Subsidies distorting the Internal Market, in addition to Commission Implementing Regulation (EU) 2023/1441, and their obligation to comply therewith. In particular, tenderers and candidates should note the requirements in Articles 28 and 29 of Regulation (EU) 2022/2560 relating to the prior notification or declaration of foreign financial contributions, where the estimated value of the public procurement procedure is equal to or greater than the applicable financial thresholds set out therein. In that regard, Tenderers and Candidates are referred to Appendix 3A of the RFT.

2.2 COMPLIANT TENDERS

- 2.2.1 If a Tenderer fails to comply in any respect with the requirements of this paragraph 2.2.1, the Contracting Authority reserves the right to reject the Tenderer's Tender as non-compliant or, without prejudice to this right and subject to its obligations at law, to take any other action it considers appropriate including but not limited to:

- seeking written clarification from the Tenderer;
- seeking further information from the Tenderer; or
- waiving a requirement, which in the Contracting Authority's view, is non-material or procedural.

Tenderers are required:

- (a) To complete and submit with their Tender the electronic version of the European Single Procurement Document ("[eESPD](#)"). Tenderers may submit an eESPD which has already been used in a previous procurement procedure PROVIDED THAT they confirm that: (i) the information contained in it continues to be correct and (ii) that they satisfy the Selection Criteria for this Competition as set out at part 3.2 below;
- (b). To submit all documentation which this RFT requires to be submitted with their Tender;
- (c) To follow the format of this RFT and respond to each element in the order as set out in this RFT;
- (d) To conform to and comply with all instructions and requirements set out in this RFT;

- (e) To submit the statement required under paragraph 2.4 below; and
- (f) Not to alter or edit this RFT in any way.

2.2.2 Without prejudice to the generality of paragraphs 2.2.1, failure to comply with paragraph 2.6.1, 2.6.2 or 2.6.3 below will render the Tender non-compliant and it will be rejected.

2.3 SERVICES CONTRACT

- 2.3.1 Tenderers should note the terms and conditions of the Services Contract at Appendix 5 to this RFT.
- 2.3.2 Tenderers are required to confirm their acceptance of the terms and conditions of the Services Contract by signing the Tenderer's Statement at Appendix 3. Tenderers may not amend the Services Contract.

2.4 ACCEPTANCE OF RFT REQUIREMENTS

Each Tenderer is required to accept the provisions of this RFT. ALL TENDERERS MUST RETURN, with their Tender, a scanned signed copy of the Tenderer's Statement, as set out in Appendix 3, printed on the Tenderer's letterhead. The Contracting Authority must be able to read the scanned signature of the Tenderer. If possible, please sign documents using blue ink. If the Contracting Authority cannot read the scanned signature, Tenderers may be requested to re-submit. Tenderers may not amend the Tenderer's Statement.

2.5 CONSORTIA AND PRIME / SUBCONTRACTORS

Where a group of undertakings (in whatever form and regardless of the legal relationship between them) come together to submit a Tender in response to this RFT, the Contracting Authority will deal with all matters relating to this Competition through a single nominated entity authorised to represent all members of the group of undertakings. The Tenderer must provide details of all members of the group of undertakings and their role in the Tender and clearly set out the contact details including name, title, telephone number, postal address, facsimile number and e-mail address of the nominated entity authorised to represent the Tenderer and to whom all communications shall be directed and accepted until this Competition has been completed or terminated. Correspondence from any other person will NOT be accepted, acknowledged or responded to.

Prior to and as a condition of award of any Services Contract, the successful Tenderer shall be required to designate a single entity who will carry overall responsibility for the Services Contract (the "Prime Contractor"), irrespective of whether or not tasks are to be performed by a subcontractor or other consortium member (the "Subcontractor").

2.6 TENDER SUBMISSION REQUIREMENTS

- 2.6.1 Tenders must be submitted via the 'electronic tenderbox' available on www.etenders.gov.ie. Only Tenders submitted to the electronic tenderbox will be accepted. Tenderers must ensure that they give themselves sufficient time to upload and submit all required tender documentation in their Tender before the Tender Deadline (as defined in paragraph 2.6.2). Tenderers should take into account the fact that upload speeds vary.

Tenderers must note that in the electronic tenderbox, there is a current file size limit of 250MB for each **single file uploaded if possible, which is clearly labelled, page numbered and indexed**, with a maximum total limit of 2GB for all documentation (combined) in the Tender submitted.

In order to submit a Tender to the electronic tenderbox, Tenderers must ensure that they follow the necessary steps on the eTenders platform to ensure that their tender has been submitted properly, which includes ensuring that the “Submit” button has been clicked. In the event that Tenderers need to modify or change any aspect of their Tender before the Tender Deadline, the Tender in its entirety will need to be re-submitted. Notwithstanding the foregoing, the framework agreement approach has been adopted to leverage efficiencies and maximise cost savings over the duration of the framework.

Numbers Admitted to the Framework Agreement

The framework agreement will be established as a multi-party framework agreement, It is anticipated that a minimum of two members will be appointed to the framework agreement for each lot, subject to that number meeting the minimum criteria and rules.

AWARDING CONTRACTS UNDER THE FRAMEWORK AGREEMENT

In the case of a multi-party framework agreement contracts may be awarded as follows:

- A. Request for Quotation (RFQ)
- B. Mini Competition
- C. Cascade

Each requirement will be considered and the most appropriate approach of the 3-process listed will be used.

Details of Processes

A. Request for Quotation (RFQ)

On each occasion a call off requirement arises a Request for Quote will be issued detailing the scope of requirements, the award criteria and a closing date and time.

Where the **Request for Quotes (RFQ's)** is used to call-off the service, each Framework Member appointed to a Lot will be contacted to receive an RFQ. Email is the preferred means of communication.

RFQ's may contain the following;

1. RFQ Reference Number
2. School/ centre name
3. RFQ Deadline Date and Time for submissions, by which responses **MUST** be received. Responses received after this date and time will not be accepted.
4. The description of the trip required by the school/ centre to include destination, number of passengers, any accessibility requirements, and any other specifics relevant to the trip.

Framework Members **MUST** confirm in their RFQ response that they can provide the service on the date and in the timeframe required.

Framework Members **MUST** state if requested the registration number of the vehicle to be used, the capacity of the vehicle and the name of the driver.

The responses to the RFQ will be evaluated by the school and the framework members who responded to the RFQ will be informed of the outcome of the RFQ by email.

If no tenderer on the framework is capable of supplying the Services required, Kerry ETB reserves the right to run a mini competition for companies who can supply the services.

B. Mini Competition

Where the Mini Competition method is used to call-off the service, each Framework Member appointed to a competition will receive a Supplementary Request for Tender ('SRFT'). It is expected this method of drawdown will be used where a School/Centre defines their requirements over a period of time and appoints one supplier to provide that service for the specified term.

C. Cascade

Through application of the cascade method whereby contracts are awarded on foot of the original tenders to the first ranked firm admitted to the framework agreement. Where they are not able to deliver the contract due to availability or in the event of underperformance, the next ranked firm will be approached moving in ranked order through the Framework Members until the contract is awarded. Ranking Relegation Procedure Please note that under the cascade system, performance and quality of delivery will be a key feature. The Contracting Authority reserves the right to apply the relegation process detailed in the Framework Terms and Conditions and relegate the first ranked member to the bottom position under one of the following circumstances:

- Where the First-Ranked Framework Member does not perform a Call-Off Contract to the requirements set out in this Framework Agreement or the Call-Off Request on more than three (3) occasions and the Contracting Authority is not satisfied with the reasons provided by the First-Ranked Framework Member to justify the poor/non-performance; or
 - Where the First-Ranked Framework Member has not accepted a Call-Off Request on more than three (3) consecutive occasions.
 - See Section 9, “Termination of Appointment” – see relevant part of TRD – Framework Agreement Terms and Conditions
- D. In the event that a satisfactory offer is not received using the Cascade method, the Kerry ETB location may elect to cancel the process and proceed by way of Request for Quotes. CFT Ref Number the Supply and Delivery of Name of Tender for Apprenticeship or Courses
