****External Email - Use Caution****

Thank you for your recent enquiry.

Your enquiry does not encroach on the Premier Transmission Pipeline System (PTPS) or the West Transmission System (WTS); however should you require any further information or safety advice in respect of the PTPS/WTS, i.e. for any future works, please do not hesitate to contact us by email DialB4udig@mutual-energy.com or phone (028 9043 7580).

Kind regards

Sarah McGrath

Dear Sir/Madam,

We are currently planning restoration works to the Ulster Canal near Wattlebridge, Co. Fermanagh

Please find attached a site location plan showing the extents of the works outlined in red

A six figure Irish Grid Reference has been provided on the site location plan for both the start (241895E, 320258N) and end (244366E, 321220N) section of the works.

The planned works run along the border in 2 places:

- Fermanagh/Cavan Border along the River Erne
- Fermanagh/Monaghan border along the existing disused canal

The area in Northern Ireland is located near the postcode BT92 8FA

The areas in the Republic of Ireland are near the Eirecodes H14 X650 and H23 Y286

Could you please provide any records of services or infrastructure you have in this area.

If you require any additional information please do not hesitate to let us know.

Regards

George Pattison
