In particular (but without limiting the generality of the foregoing) the Framework Member hereby undertakes to notify the LDA forthwith in writing of any Conflict of Interest or potential Conflict of Interest that may arise in the provision of the Services.

9.4 The Framework Member shall immediately and fully disclose in writing any change in events or circumstances which in any way relates to or is connected with any of the warranties and confirmations given in this Clause 9.

9.5 The Framework Member shall keep for a period of six (6) years following the termination of this Framework Agreement or any Call-Off Contract (whichever the later) detailed records of all matters undertaken by the Framework Member in relation to the Services and the discharge of its obligations under the Framework Agreement and any Call-Off Contract and will promptly provide such to the LDA at any time within that period in hard copy or electronic form in a format specified by the LDA.

10 FEES AND PAYMENT

10.1 In consideration of the provision of the Services in accordance with this Framework Agreement and any Call-Off Contract, the LDA shall pay to the Framework Member the Fees for the amounts and at the

times set out in the relevant Call-Off Contract. The Fees are inclusive of all insurances, overheads and other costs and expenses and are fixed for the duration of the relevant Call-Off Contract. The Fees do not include Value Added Tax which will be paid, if chargeable, by the LDA at the rate and in the manner for the time being prescribed by Irish law.

- 10.2 The Framework Member may be entitled to claim payment from the LDA in respect of properly vouched expenses incurred in the delivery of the Services up to the maximum sum (if any) set out in the Call-Off Contract. Any expenses incurred by the Framework Member in excess of this maximum sum shall not be payable by the LDA.
 - 10.3 Any rates or prices submitted by the Framework Member in response to a quotation process or Mini-Competition shall not exceed the applicable Tendered Rates unless otherwise approved in writing by the LDA.
 - 10.4 The Framework Member shall maintain and provide records of Tendered Rates and all Fees and other expenses and outlay incurred in respect of the Services in electronic format (or such other format specified by the LDA). The records maintained by the Framework Member shall contain itemised details of all Services undertaken, the applicable rates and the dates and identities of the personnel who carried out such Services. This shall be shared on a monthly basis with the LDA on request for Services delivered in relation to each Call-Off Contract. The LDA shall be entitled to inspect the Framework Member's fee records relating to the Services upon providing reasonable notice of such inspection to the Framework Member.
 - 10.5 The LDA may at any time at its sole discretion, reduce the scope or remove certain elements of the Services. The LDA shall notify the Framework Member of such reduction or removal prior to the Framework Member commencing such Services. The LDA may reduce the Fee to reflect the revised scope of Services.
 - 10.6 The Framework Member may not demand compensation in respect of any reduction or removal of Services unless otherwise agreed in writing by the LDA.
 - 10.7 The LDA shall pay the Framework Member all amounts due and owing within thirty (30) days of the receipt of a valid invoice from the Framework Member unless the LDA disputes any portion of an invoice, in which case the LDA shall notify the Framework Member of the amount in dispute and the reasons therefor. A valid invoice must contain a valid Purchase Order number. Invoices shall be supported by a written report and shall be supported by time analysis in respect of the work undertaken by the Framework Member and shall be sent to: [INSERT DETAILS]³ or sent electronically to [insert email address]⁴.
 - 10.8 Invoices with respect to any Fees additional to those out in the relevant Call-Off Contract shall not be submitted to the LDA unless the LDA has provided prior written approval.
 - 10.9 Unless expressly stated otherwise in the Call-Off Contract, the Framework Member shall issue an invoice to the LDA upon completion of the Services described in the Call-Off Contract, or upon completion of milestones, which have been agreed in advance between the Parties.
-

- 10.10 The Framework Member agrees that neither it nor any third party engaged by it to assist in the provision of the Services, is or shall become an employee or agent of the LDA or be entitled to any fee, salary, pension, bonus, or other fringe benefits from the LDA and it is agreed that the Framework Member shall be responsible for the deduction of income tax Liabilities and Pay Related Social Insurance (PRSI) or similar contributions, if applicable, arising from the payment of the Fees to the Framework Member under any Call-Off Contract. The Framework Member agrees to indemnify and hold harmless the LDA against any claims or demands that may be made by any relevant authority in respect of income tax, PRSI, penalties or interest relating to such payments in respect of the provision of the Services. For the avoidance of doubt all payments to be made pursuant to any Call-Off Contract shall be subject to professional services withholding tax under the provisions of Applicable Law at the prevailing rate.
- 10.11 If the Framework Member is resident in Ireland or its business is registered in Ireland, this Framework Agreement and each Call-Off Contract thereafter is conditional on the production to the LDA of a valid and current tax clearance certificate issued by the Irish Revenue Commissioners and the payment of any Fees under any Call-Off Contract will be conditional on the LDA having in its possession at the time of payment a current tax clearance certificate in respect of that Framework Member. The Framework Member will furnish same to the LDA on an annual basis and at such other times as may be required by the LDA. The Framework Member will inform the LDA immediately if it ceases to possess a valid and current tax clearance certificate.
- 10.12 If the Framework Member is not resident in Ireland or its business is registered outside of Ireland, this Framework Agreement and any subsequent Call-Off Contract shall be conditional on the production to the LDA of a statement from the Irish Revenue Commissioners as to their suitability on tax grounds to be awarded this Contract.
- 10.13 If the LDA is not satisfied with the standard of any part of the work carried out by the Framework Member under any Call-Off Contract and requires the Framework Member to rectify any defective work, such remedial work as may be required shall be carried out by the Framework Member at its own expense and it shall not be entitled to any Fees in respect of such remedial work.
- 10.14 If the Framework Member enters into any contract with a third party to provide services similar or identical to the Services on terms more favourable than those contained in this Framework Agreement or any Call-Off Contract, the Framework Member will offer those terms to the LDA and, if the LDA accepts those terms, in consideration of the payment of €1 (one euro) by the LDA to the Framework Member, the relevant Call-Off Contract will be amended by the Parties to reflect those terms.
- 10.15 The Framework Member is solely responsible:
- 10.15.1 for all tax Liabilities in respect of the expenses and Fees paid by the LDA to the Framework Member under any Call-Off Contract including income tax and social welfare insurance;
 - 10.15.2 for remitting all VAT payments to the relevant authorities on the Fees and expenses paid by the LDA to the Framework Member under any Call-Off Contract;

and the Framework Member will fully comply with its obligations and responsibilities in this respect.

- 10.16 The Framework Member hereby irrevocably agrees to fully and effectively indemnify and hold harmless, and keep so indemnified, the LDA on demand from and against any Liabilities suffered and/or incurred by or taken against the LDA arising out of or in connection with or as a result of any claims or investigations by the relevant authorities or any other party against the LDA in respect of demands for income tax or social welfare insurance or other similar contributions relating to the provision of the Services by the Framework Member and/or the Key Personnel.
- 10.17 All payments to be made pursuant to this Framework Agreement shall be subject to professional services withholding tax under the provisions of Part 18, Chapter 1 of the Taxes Consolidation Act 1997 at the prevailing rate.
- 10.18 Where, in any case, the Framework Member is liable to make any payment to the LDA under this Framework Agreement or otherwise, the LDA may set off any such payments due to it against any fees due by the LDA to the Framework Member.
- 10.19 The LDA reserves the right to publish a list of the Fees incurred under this Framework Agreement and the respective names of the companies/firms to which they relate.
- 10.20 If and to the extent that the Framework Member is supplying personnel to the LDA, payment may be withheld at any time where evidence requested is not provided by the Framework Member to the effect that Irish payroll withholding taxes (including PAYE, USC and PRSI) are being operated in respect of Framework Member's personnel, or that Irish payroll withholding taxes need not be operated in line with current published Revenue Commissioners' Statements of Practice and other guidance, or that the Framework Member has received permission from the Revenue Commissioners not to operate Irish payroll withholding taxes. This applies whether or not the Framework Member or the Framework Member's personnel is or are resident in Ireland, including when personnel are sourced from other companies.
- 10.21 The Framework Member shall provide evidence of registration for Irish payroll withholding taxes and of actual operation of Irish payroll withholding tax obligations in respect of remuneration liable to Irish payroll withholding taxes on an ongoing basis. Without prejudice to the foregoing, any and all taxes payable to the Revenue Commissioners and applicable to the provision of the Services will be the sole responsibility of the Framework Member and the Framework Member so acknowledges and confirms.
- 10.22 The Framework Member shall indemnify the LDA and keep the LDA indemnified from and against any liability incurred by the LDA (including interest and penalties) by reason of any claims or demands made by the Revenue Commissioners against the LDA in respect of PAYE obligations and/or payments made by the LDA to the Revenue Commissioners directly arising from the failure of the Framework Member to comply with PAYE tax provisions in respect of the Framework Member's employees.

11 INDEXATION

12.1 The LDA and the Framework Member shall each appoint a representative (respectively the "**the LDA Representative**" and the "**Framework Member Representative**" and the term "**Representative**" shall be construed accordingly) who shall act as primary points of contact in respect of all matters relating to this Framework Agreement. Each Party shall notify the other of any change in the identity of its Representative.

The Framework Member shall immediately take

such steps as may be necessary to comply with its obligations within the period stipulated by the LDA. Any notification under this clause shall not constitute a waiver of any term or condition of this Framework Agreement and shall be without prejudice to any of the LDA's rights under this Framework Agreement or otherwise.

13 EXIT MANAGEMENT

13.1 Where required in a Call-Off Contract, the Framework Member shall develop and maintain an exit management plan in accordance with the requirements set out in the relevant Call-Off Contract.

13.2 Where the relevant Call-Off Contract does not specify particular exit plan requirements:

13.2.1 the Framework Member shall provide all reasonable assistance required by the LDA to transition services to an alternative service provider or to the LDA itself to ensure an orderly handover of the Services; and

13.2.2 within three (3) months of the expiry or termination of the relevant Call-Off Contract, the Framework Member shall provide all data, work in progress and documentation produced as part of the Call-Off Contract to the LDA.

13.3 For the avoidance of doubt, the Framework Member's obligations under this Clause 13 shall be in addition to and not in replacement of the Framework Member's obligations which apply throughout the term of the Call-Off Contract, and the Framework Members shall not be entitled to additional payment under the Call-Off Contract for performance of its obligations under this Clause 13.

14 ACCESS TO INFORMATION AND AUDIT

14.1 The Framework Member shall maintain proper accounts and records of its performance under this Framework Agreement and any Call-Off Contract.

The scope of this audit shall solely relate to the Services.

14.3 If, as a result of the exercise by the LDA of its audit rights, the LDA is not satisfied that the Framework Member is providing the Services in accordance with its obligations pursuant to this Framework Agreement or any Call-Off Contract, the LDA shall so inform the Framework Member and the Framework Member shall forthwith take such actions as are necessary to ensure compliance. The rights of the LDA pursuant to this Clause 14.3 are independent of, and in addition to, any other rights and remedies it may have.

14.4 Without prejudice to any legal requirement or longer retention requirement under this Framework Agreement or any Call-Off Contract, all accounts and records shall be retained for a period of six (6) years following the termination or expiry of this Framework Agreement.

- 15.2.4 it is required by a regulatory or Government body in Ireland to which it is subject provided that it gives the LDA as much advance notice as reasonably possible and permits the LDA to make representations; or
- 15.2.5 the disclosure is to its professional advisers, other officers, employees and sub-contractors (a "**Recipient**") to the extent that disclosure is reasonably necessary for the purposes of this Framework Agreement and/or any Call-Off Contract provided that it gives the LDA as much advance notice as reasonably possible and permits the LDA to make representations.

- 15.3 The Framework Member shall ensure that a Recipient is made aware of and complies with the Framework Member's obligations of confidentiality under this Framework Agreement as if the Recipient was a party to this Framework Agreement.
- 15.4 At the LDA's request, the Framework Member shall provide, and shall procure that any relevant Recipient provide, satisfactory evidence that the obligations outlined at Clause 15.2 have been implemented and are being maintained to a level acceptable to the LDA. This evidence shall be provided within five (5) Working Days of the LDA's request.
- 15.5 Once the purpose for which the Confidential Information was supplied to the Framework Member has been fulfilled, the Framework Member shall within one (1) month of receiving written notice:

- 15.10 The Framework Member acknowledges that any Confidential Information marked by the LDA or claimed as legally privileged shall be privileged and the benefit of the privilege belongs to the LDA. The provision of legally privileged Confidential Information does not amount to any waiver of privilege.
- 15.11 This Clause (Confidential Information) survives the termination or expiration of this Contract.

16 INTELLECTUAL PROPERTY

- 16.1 The Framework Member (and any other third party) has no, and will not, subject to Clause 16.7 and Clause 16.8, acquire any, right, title or interest in or to the Intellectual Property of the LDA or its third party licensors (including, without prejudice to the generality of the foregoing, any inputs, information,

- data and similar items provided or made available to the Framework Member by or on behalf of the LDA).
- 16.2 The LDA has no, and will not, subject to Clause 16.5, acquire any, right, title or interest in or to the Background Intellectual Property of the Framework Member or its third-party licensors.
- 16.3 The Framework Member hereby absolutely assigns, conveys and transfers unto the LDA (with full title guarantee) all right, title and interest in and to all present and future rights and interest in all Intellectual Property in the Deliverables and Services and all Intellectual Property arising out of and/or in connection with the Services and Deliverables (including, without prejudice to the generality of the foregoing, any inputs, information, data, outputs, results, findings and similar items generated or developed by the Framework Member independently or jointly with the LDA or its consultants or other contractors ("**Foreground Intellectual Property**"). For the avoidance of doubt, Foreground Intellectual Property as above defined expressly excludes any Intellectual Property comprised in and/or protected under the definition of Background Intellectual Property.
- 16.4 The Framework Member hereby irrevocably waives all moral rights in all the foregoing.
- 16.5 The Framework Member hereby grants to the LDA (and its consultants and other contractors) an irrevocable perpetual fully paid up worldwide royalty free non-exclusive transferable sub-licensable licence to use, update, amend, improve, adapt and/or modify the Framework Member's Background Intellectual Property in any way whatever in connection with, and/or in order to obtain the full benefit of, the Services and the Deliverables and/or for any related and/or connected purpose whatever (including, without limitation, any litigation or administrative procedure in any way connected with the use to which the Deliverables were put by the LDA) and/or for any future uses or projects to which the LDA may wish to put the Deliverables. This Clause 16.5 survives the termination or expiration of this Framework Agreement. In relation to any third party software comprised in and/or forming the subject-matter of any Background Intellectual Property covered by this Clause 16.5, the licence in this Clause 16.5 shall apply to the extent permitted by the relevant third-party licence terms and on condition that such terms are notified to the LDA in advance of such third-party software being supplied and/or made available to the LDA. Further, for the avoidance of doubt, the LDA shall not under this Clause 16.5 undertake any commercialisation (being licensing on the commercial open market) of any software or Models forming part of the Background Intellectual Property without the Framework Member's prior written consent.
- 16.6 The Framework Member acknowledges and agrees that the whole or any part of any or all of the Deliverables (including, without limitation, the whole or any part of any results, findings and output of any Model or the whole or any part of any or all of the inputs, information, data and similar items included in any Model), may be used, publicised and made available to the public by the LDA in its own name (subject to the following sentence) and in such manner as it sees fit at its absolute discretion. the LDA will use reasonable endeavours to credit the Framework Member as the original author of any Deliverable (or part of a Deliverable) which the LDA publishes or which the LDA cites, quotes or uses in a published report or similar document where considered appropriate by the LDA (acting reasonably), except that the LDA is not required to do so where the LDA (acting reasonably) considers that this may be to the detriment of the LDA or adverse to its interests or adverse to the intended use to which the Deliverable may be put by the LDA.
- 16.7 Where the LDA intends to publicise any Model or make it available to third parties, the LDA shall notify the Framework Member in advance and provide the Framework Member with a copy of the Model that it intends to publicise or make available and with the identity of any relevant third parties but the LDA shall not be required to obtain the Framework Member's consent. Where the LDA uses a Model for any

future uses or projects falling outside the scope of the project to which the Services relate, it shall not associate the Framework Member in any way with the Model or any portion or derivative of it, including but not limited to the use of the Framework Member's name or logo, without the Framework Member's prior written consent (which consent shall not be unreasonably withheld or delayed by the Framework Member).

- 16.8 The LDA hereby grants the Framework Member, subject to the LDA's prior written consent in any case (which consent shall not be unreasonable withheld or delayed by the LDA), a revocable non-exclusive non-transferable limited licence to use the LDA's Intellectual Property solely to the extent necessary to provide the Services, and not for any other purpose. This licence will immediately cease upon the termination or expiry of this Framework Agreement and/or Call-Off Contract (or earlier to the extent that any such Intellectual Property is not required by the Framework Member for the purpose of fulfilling its obligations to provide the Services).
- 16.9 The LDA hereby agrees to grant the Framework Member, subject to the LDA's prior written consent in any case (which consent will not be unreasonably withheld or delayed by the LDA) a revocable non-exclusive non-transferable limited licence to use the Foreground Intellectual Property. The grant of a licence in any case is subject to the LDA's prior written consent and will extend only to the specific parts of the Foreground Intellectual Property and be limited solely to the use of those specific parts of the Foreground Intellectual Property for the purpose and in the manner expressly set out and identified in the written consent in that case. The licence in any case may also be made subject to any other conditions or requirements set out in the written consent (including, without prejudice to the generality of the foregoing, restrictions on the use of, or an exclusion from the licence of, specific content, Intellectual Property or Confidential Information contained in, connected with or associated with the Foreground Intellectual Property). Each licence granted under this Clause 16.9 is separate and independent of any other licence granted under it.
- 16.10 Each licence will immediately terminate when the Framework Member ceases to require use of the Foreground Intellectual Property for the purpose for which the licence was granted. The LDA may withhold or limit its consent under Clause 16.9 if the LDA considers that the use to which the Foreground Intellectual Property may be put by the Framework Member may:
- 16.10.1 be to the detriment of the LDA;
 - 16.10.2 be adverse to its interests;
 - 16.10.3 be adverse to the intended use to which the Foreground Intellectual Property may be put by the LDA; and/or
 - 16.10.4 result in the use, access or disclosure of Confidential Information.
- 16.11 A consent will only be deemed to have been given by the LDA under Clause 16.9 where it is expressly stated to have been given under Clause 16.9 and the consent has been signed in pen on behalf of the LDA by an authorised person.
- 16.12 The Framework Member agrees to respect the LDA's and its third party licensors' legal and beneficial rights in and to each of their Intellectual Property and the Framework Member will not do anything (whether by act omission) that adversely affects the rights of the LDA or its third party licensors in or to either of their Intellectual Property.

- 16.13 The Framework Member agrees on request at any time to give the LDA or any person authorised by the LDA access to the Framework Member’s Intellectual Property and to provide copies of same at its own expense.
- 16.14 The Framework Member warrants, represents and undertakes that:
- 16.14.1 it has the right to grant, licence, assign, convey and transfer, as the case may be, all rights, licences, interests in and to all Intellectual Property granted by it under this Framework Agreement or any Call-Off Contract; and
 - 16.14.2 the normal use and possession by the LDA or any other person in accordance with this Framework Agreement of any Intellectual Property supplied, procured, made available or used by or on behalf of the Framework Member under this Framework Agreement and/or in connection with the Services and/or Deliverables does not, and will not, infringe the Intellectual Property rights of any third party.
- 16.15 The Framework Member hereby agrees to fully and effectively indemnify, hold harmless and keep so indemnified on demand the LDA (and its officers, employees, contractors and agents) from and against any Liabilities whatever arising out of or in connection with any threat or claim that the Services, Deliverables and/or any Intellectual Property supplied, generated or made available by the Framework Member in breach of the Intellectual Property rights of a third party (provided that the LDA will take reasonable steps open to it of which it is aware to mitigate any Liabilities if, and only to the extent that, the LDA considers that such steps will not operate to its detriment or against its interests and any Liabilities arising or resulting from taking such steps are, for certainty, recoverable under this Clause). This indemnity survives the termination or expiration of this Framework Agreement, and any Call-Off Contract entered into under this Framework Agreement.
- 16.16 The LDA will:
- 16.16.1 notify the Framework Member in writing of any claim falling within Clause 16.15 (“**IPR Claim**”); and
 - 16.16.2 allow the Framework Member to conduct all negotiations and proceedings and provide the Framework Member with such reasonable assistance as is required by the Framework Member, each at the Framework Member’s sole cost and expense, regarding the IPR Claim provided:
 - 16.16.2.1 the Framework Member gives to the LDA such reasonable financial or equivalent security as may from time to time be reasonably required by the LDA to cover the amount ascertained or agreed or estimated, as the case may be, of any Liabilities for which the LDA may become liable;
 - 16.16.2.2 the Framework Member diligently takes over such conduct within a reasonable time after being notified of the claim in question using competent counsel and in such a way as not to bring the reputation of the LDA into disrepute;
 - 16.16.2.3 the Framework Member shall keep the LDA fully informed of the progress of the IPR Claim and will provide the LDA with copies of all relevant documents in its possession as are necessary and as may be requested by the LDA (acting

- reasonably) save to the extent any such documentation is legally privileged;
- 16.16.2.4 the rights of the Framework Member under this paragraph 16.16.2 in relation to a particular IPR Claim may, by notice in writing from the LDA, be terminated where, in the LDA's reasonable opinion, the action or its continuation is likely to materially adversely affect the LDA's reputation; and
- 16.16.2.5 not, without prior consultation with the Framework Member, make any admission relating to the IPR Claim or attempt to settle it, provided that the Framework Member considers and defends the IPR Claim diligently, using competent counsel and in such a way as not to bring the reputation of the LDA into disrepute.
- 16.17 The provisions under this Clause 16 will continue to apply notwithstanding the termination or expiration of this Framework Agreement for any reason and notwithstanding the completion of the performance of the Services.
- 16.18 In the event of any discrepancy between the Confidential Information and Announcements and this Intellectual Property Clause the former clause shall take precedence over this Intellectual Property Clause.

- 17.1 For the purposes of this Framework Agreement, the terms Personal Data, Data Controller, Data Processor, Data Subject, Personal Data Breach, process and processing have the meanings set out in Data Protection Legislation.
- 17.2 The Framework Member shall and hereby warrants that it shall:
- 17.2.1 process the Personal Data only to the extent, and in such a manner, as is necessary for the purposes of providing the Services and in accordance with Data Protection Legislation and the LDA's documented instructions from time to time and shall not process the Personal Data for any other purpose. The Framework Member will keep a record of any processing of Personal Data it carries out on behalf of the LDA; take all measures required pursuant to Article 32 of the GDPR, including without limitation to ensure its own compliance with the requirements under Article 32 GDPR and to assist the LDA in meeting its obligations under Article 32 GDPR;

in a timely manner after an incident, and regularly assessing and evaluating the effectiveness of the technical and organisational measures adopted by it);

- 17.2.3 ensure that access to the Personal Data is limited to those employees who need access to the Personal Data to meet the Framework Member's obligations under this Framework Agreement and such part or parts of the Personal Data as is strictly necessary for performance of that employee's duties;
- 17.2.4 ensure that all of its employees involved with the Services have committed themselves to confidentiality and are aware both of the Framework member's duties and their personal duties and obligations under Data Protection Legislation, Applicable Laws and this Framework Agreement;

 - (a) the Services; or
 - (b) the timeframes for the provision of the Services,the procedure in this Schedule (the “**Change Control Procedure**”) shall apply. The Change Control Procedure shall also apply in respect of any matters which are specifically identified in the Framework Agreement as being subject to the Change Control Procedure.
2. All change requests must be documented in a request form (a “**Change Request Form**”) which shall include, as a minimum, the following details:
 - (a) description of the requirements for the change;
 - (b) comparison of the new requirements with the existing requirements;
 - (c) reasons for the change, including a high-level description of the proposed business impact; and
 - (d) timeframe for completion of the change.
3. The Change Request Form shall be signed by the Representative of the Requesting Party and submitted to the Representative of the other Party.
4. The Framework Member shall provide the LDA Representative with an impact statement (an “**Impact Statement**”) within ten (10) Working Days of receipt or submission of a Change Request Form (or such longer period as the parties may agree). The Impact Statement shall include, as a minimum, the following details:
 - (a) the estimated number of Working Days and personnel (including levels of qualification) and details of the work categories required to deliver the change within the timeframe specified in the Change Request Form;
 - (b) overall impact on the Fee(s) payable under the Call-Off Contract i.e. reduction or increase) which shall include a breakdown of how such fees relate to the details in (a) above so as to facilitate, where relevant, any reduction being offset against any increase in fees; and

5. After consideration, the LDA Representative may elect by giving written notice to the Framework Member (subject to paragraph 6) either to: (a) accept the Impact Statement in which case the Call-Off Contract shall be amended accordingly; (b) reject the Impact Statement in which case the Call-Off Contract shall remain unchanged; or (c) require the Framework Member to produce a revised Impact Statement by repeating (up to a maximum of 2 times) the procedure set out in paragraphs 4 and 5 of this Schedule.

7. Upon the LDA's request, the Parties will enter a formal variation agreement to document the Impact Statement.
8. Following completion of the procedure in paragraph 5 above, where the parties fail to reach agreement on a request for change, the dispute resolution procedure set out in Clause 37 of the Framework Agreement may be invoked, provided that for the avoidance of doubt the LDA shall not be under any obligation to accept an Impact Statement where it acting reasonably is of the view that to do so would be contrary to its obligations under Regulation 72 of the European Communities (Award of Public Authority Contracts) Regulations 2016 or any other legal requirement.
