- 1.4** This public procurement competition (the “Competition”) will be conducted in accordance with the open procedure under the European Union (Award of Public Authority Contracts) Regulations 2016 (Statutory Instrument 284 of 2016) (the “Regulations”). Any contract that may result from this Competition (the “Goods Contract”) will be issued for a term of Three (3) years (“the Term”).
- 1.5** The Contracting Authority reserves the right to extend the Term for a period or periods of up to 12 months with a maximum of One (1) such extension or extensions on the same terms and conditions, subject to the Contracting Authority’s obligations at law.
- 1.6** The Contracting Authority estimates that the expenditure on the Goods to be covered by the proposed Goods Contract – may amount to some €1,650,000 (excl. Through such relationships they can participate and contribute to the successful implementation of any Goods Contract that may result from this Competition and therefore increase their social and economic benefits.

Larger enterprises are also encouraged, subject to paragraph 2.5, to consider the practical ways that SMEs can be included in their proposals to maximise the social and economic benefits of any Goods Contracts that may result from this Competition.

Part 2: Instructions to Tenderers

2.1 Important Notices

2.1.1 While every effort has been made to provide comprehensive and accurate information in all notices and documents prepared for the purposes of this Competition, the Contracting Authority does not accept any liability or provide any express or implied warranty in respect of any such information. Tenderers must form their own conclusions about the solution needed to meet the requirements set out in this RFT and may wish to consult their legal advisers.

2.1.2 The Contracting Authority does not bind itself to accept the lowest priced or any Tender. This RFT does not constitute an offer or commitment to enter into a Goods Contract.

No contractual rights in relation to the Contracting Authority will exist unless and until a formal written Goods Contract has been executed by or on behalf of the Contracting Authority.

Any notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer.

The Contracting Authority may cancel this Competition at any time prior to a formal written Goods Contract being executed by or on behalf of the Contracting Authority.

2.1.3 This RFT supersedes and replaces any and all previous documentation, communications and correspondence between the Contracting Authority and Tenderers, and Tenderers should place no reliance on such previous documentation and correspondence.

2.1.4 In this clause 2.1.4, “Data Protection Laws” means all applicable national and EU data protection laws, regulations and guidelines including but not limited to Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (the “General Data Protection Regulation”), and any guidelines and codes of practice issued by the Office of the Data Protection Commission or other supervisory authority for data protection in Ireland from time to time.

The Contracting Authority will be a Data Controller (where Data Controller has the meaning given under the Data Protection Laws) in respect of any Personal Data (where Personal Data has the meaning given under the Data Protection Laws) required to be provided by the Tenderer in response to this RFT.

The Tenderer, as Data Controller in respect of any Personal Data provided by it in its Tender, is required to confirm in the statement required under paragraph 2.4 below that all Data Subjects (where Data Subject has the meaning given under

the Data Protection Laws) whose Personal Data is provided by the Tenderer have consented to the processing of such Personal Data by the Tenderer, the Contracting Authority, the Evaluation Team and the supplier of the etenders.gov.ie website, for the purposes of the participation of the Tenderer in this Competition or that the Tenderer otherwise has a legal basis for providing such Personal Data to the Contracting Authority for the purposes of its participation in this Competition.

2.1.5 The Contracting Authority would refer Tenderers in particular to the provisions of Regulation (EU) 2022/1031 on the access of third country economic operators, goods and services to the Union's public procurement and concession markets and procedures supporting negotiations on access of Union economic operators, goods and services to the public procurement and concession markets of third countries (International Procurement Instrument – IPI), and to their obligation to comply therewith.

In particular, tenderers and candidates should note in Article 6 of Regulation (EU) 2022/1031, the obligations for a Contracting Authority in the context of a procurement procedure where the EU Commission has adopted an IPI measure.

2.2 Compliant Tenders

2.2.1 If a Tenderer fails to comply in any respect with the requirements of this paragraph 2.2.1, the Contracting Authority reserves the right to reject the Tenderer's Tender as non-compliant or, without prejudice to this right and subject to its obligations at law, to take any other action it considers appropriate including but not limited to:

Scores for overall cost will be awarded as follows: <u>Maximum points available x Lowest responsive valid tender</u> <u>Value of individual tender</u> The lowest responsive valid tender will achieve maximum points and all other tenders will be scored on a sliding scale thereafter using the above formula.		400
TOTAL		1000

The Evaluation Process:

Tenderers should note that they must achieve **a minimum of 50% on each individual non-cost related criterion** in order to avoid elimination from the competition.

Cost Criteria (40%): the highest score is awarded to the Tenderer with the lowest ultimate Cost. All other Tenderers cost scores are calculated pro rata in relation to this score.

All other Award Criteria (60%): Scoring of these Criteria will be based on the tender responses and the full provision of the information requested. The Evaluation Group will assess the information provided and attribute scoring as follows:

81-100%	A response with very few or no weaknesses that fully meets or exceeds requirements, and provides comprehensive, detailed, and convincing assurance that the Tenderer will deliver to an excellent standard
61-80%	A response that demonstrates real understanding of the requirements and assurance that the Tenderer will deliver to a good or high standard
50-60%	A response which demonstrates a reasonable understanding of requirements and gives reasonable assurance of delivery to an adequate standard but does not provide sufficiently convincing assurance to award a higher mark.
0-49%	An Unacceptable response that fails to reach the minimum score required.

3.3.2 Subject to paragraphs 2.1 (Important Notices) and 3.5 (Standstill Period) of this RFT, award of the Goods Contract to the highest ranked Tenderer (as determined by paragraph 3.3.1) will be conditional upon:
