Part 1: Introduction

- 1.1 The Commissioner of An Garda Síochána (the “Contracting Authority”) invites tenders (“Tenders”) to this request for tenders (“RFT”) from economic operators (“Tenderers”) for the provision of the services as described in Appendix 1 to this RFT (the “Services”).
- 1.2 In summary, the Services comprise: The provision of specified DigiCert Subscription Services and Support to An Garda Síochána (AGS) from an authorised DigiCert reseller.
- 1.3 This public procurement competition (the “Competition”) will be conducted in accordance with the **open procedure** under the European Union (Award of Public Authority Contracts) Regulations 2016 (Statutory Instrument 284 of 2016) (the “Regulations”). Any contract that may result from this Competition (the “Services Contract”) will be issued for a term of either one (1) year or three (3) years (“the Term”) depending on the Licence Option Chosen.
- 1.4 The Contracting Authority reserves the right to extend the Term for a period or periods as follows depending on the Licence Option chosen:
- (i) In the case of a one (1) Year Licence the Contracting Authority reserves the right to extend the term for a period or periods of up to one (1) years with a maximum of four (4) such extension or extensions on the same terms and conditions, subject to the Contracting Authority’s obligations at law.
 - Or
 - (ii) In the case of a three (3) Year Licence the Contracting Authority reserves the right to extend the term for a period of up to one (1) years with a maximum of two (2) such extension on the same terms and conditions, subject to the Contracting Authority’s obligations at law.
- 1.5 The Contracting Authority estimates that the expenditure on the Initial Service requirement to be covered by the proposed Service Contract may amount to some €148,000 (excl. VAT) over the Term and any possible extensions. However, the Contracting Authority is reserving the option to increase the number of licences required of the duration of the Contract including extensions and is therefore providing for an upper limit to the Contract value of €250,000. Tenderers must understand that this figure is an estimate only based on current and future expected usage.
- 1.6 Contracting Authority policy seeks to encourage participation on a fair and equal basis by Small and Medium Enterprises (“SME”)s in this Competition. SMEs that believe the scope of this Competition is beyond their technical or business capacity are encouraged, subject to paragraph 2.5, to explore the possibilities of forming relationships with other SMEs or with larger enterprises. Through such relationships they can participate and contribute to the successful implementation of any Services Contract that may result from this Competition and therefore increase their social and economic benefits.
- Larger enterprises are also encouraged, subject to paragraph 2.5, to consider the practical ways that SMEs can be included in their proposals to maximise the social and economic benefits of any Services Contracts that may result from this Competition.

Part 2: Instructions to Tenderers

2.1 IMPORTANT NOTICES

2.1.1 While every effort has been made to provide comprehensive and accurate information in all notices and documents prepared for the purposes of this Competition, the Contracting Authority does not accept any liability or provide any express or implied warranty in respect of any such information. Tenderers must form their own conclusions about the solution needed to meet the requirements set out in this RFT and may wish to consult their legal advisers.

2.1.2 The Contracting Authority does not bind itself to accept the lowest priced or any Tender. This RFT does not constitute an offer or commitment to enter into a Services Contract.

No contractual rights in relation to the Contracting Authority will exist unless and until a formal written Services Contract has been executed by or on behalf of the Contracting Authority.

Any notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer.

The Contracting Authority may cancel this Competition at any time prior to a formal written Services Contract being executed by or on behalf of the Contracting Authority.

The award of a Services Contract does not confer exclusivity on the successful Tenderer.

2.1.3 This RFT supersedes and replaces any and all previous documentation, communications and correspondence between the Contracting Authority and Tenderers, and Tenderers should place no reliance on such previous documentation and correspondence.

2.1.4 In this clause 2.1.4, “Data Protection Laws” means all applicable national and EU data protection laws, regulations and guidelines including but not limited to Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (the “General Data Protection Regulation”), and any guidelines and codes of practice issued by the Office of the Data Protection Commission or other supervisory authority for data protection in Ireland from time to time.

The Contracting Authority will be a Data Controller (where Data Controller has the meaning given under the Data Protection Laws) in respect of any Personal Data (where Personal Data has the meaning given under the Data Protection Laws) required to be provided by the Tenderer in response to this RFT.

The Tenderer, as Data Controller in respect of any Personal Data provided by it in its Tender, is required to confirm in the statement required under paragraph 2.4 below that all Data Subjects (where Data Subject has the meaning given under the Data Protection Laws) whose Personal Data is provided by the Tenderer have consented to the processing of such Personal Data by the Tenderer, the Contracting Authority, the Evaluation Team and the supplier of the etenders.gov.ie website, for the purposes of the participation of

the Tenderer in this Competition or that the Tenderer otherwise has a legal basis for providing such Personal Data to the Contracting Authority for the purposes of its participation in

this Competition.

- 2.1.5 The Contracting Authority would refer Tenderers in particular to the provisions of Regulation (EU) 2022/1031 on the access of third country economic operators, goods and services to the Union's public procurement and concession markets and procedures supporting negotiations on access of Union economic operators, goods and services to the public procurement and concession markets of third countries (International Procurement Instrument – IPI), and to their obligation to comply therewith.

In particular, tenderers and candidates should note in Article 6 of Regulation (EU) 2022/1031, the obligations for a Contracting Authority in the context of a procurement procedure where the EU Commission has adopted an IPI measure.

2.2 COMPLIANT TENDERS

- 2.2.1 If a Tenderer fails to comply in any respect with the requirements of this paragraph 2.2.1, the Contracting Authority reserves the right to reject the Tenderer's Tender as non-compliant or, without prejudice to this right and subject to its obligations at law, to take any other action it considers appropriate including but not limited to:

- seeking written clarification from the Tenderer;
- seeking further information from the Tenderer; or
- waiving a requirement, which in the Contracting Authority's view, is non-material or procedural.

Tenderers must provide the supporting documentation specified above without delay when requested by the Contracting Authority.
