**cFT for Integrated Design Team for the
Development of the Bailieborough Town Centre
Regeneration Scheme (Stages (i) to (ii) for
Cavan County Council**

Query 1

Can you please confirm if this is to be Architect or Engineer led team?

Response Query 1

The Contracting Authority has not prescribed a specific lead discipline for the Integrated Design Team.

Tenderers are invited to propose the leadership structure and key personnel they consider most appropriate to successfully deliver the services outlined in the tender documents. This may include, but is not limited to, an Engineer-led, Architect-led, Urban Designer/Landscape Architect-led or other suitably qualified and experienced integrated team structure.

The evaluation will be based on the quality, experience, competence and suitability of the proposed team and management arrangements for the delivery of the project requirements, rather than on any prescribed lead discipline.
