## Part 1: Introduction

---

1.1 Cavan and Monaghan Education and Training Board (the “Contracting Authority”) invites tenders (“Tenders”) to this request for tenders (“RFT”) from economic operators (“Tenderers”) for the supply of the goods as described in Appendix 1 to this RFT (the “Goods”).

1.2 In summary, the Goods comprise:

This public procurement competition relates to the establishment of a single party framework for the Supply of Machine Educational Simulators including delivery, installation and training for Cavan and Monaghan Education and Training Board (CMETB).

Two (2) Machine Educational Simulators are required as part of delivery for numerous training programmes delivered across CMETB. The initial contract will be for one (1) simulator located at the Supply Chain, Logistics and Procurement Centre of Excellence (SCLPCE), Killygarry Business Park, Cavan, Co Cavan, H12 A2X6 and for one (1) simulator to be located at European House, Castlemeadow Court, Tirkeenan, Co Monaghan H18 YP84. The requirement will be subject to funding availability. The equipment must be delivered and commissioned before the end of year or as agreed with the Contracting Authority.

Tenderers should note that it is anticipated that other Cavan and Monaghan Education and Training Board schools or centres may secure funding and could require the equipment subject to this tender. The Contracting Authority may place additional orders with the successful tenderer for items following the results of this competition.

It is emphasised that a framework agreement constitutes no guarantee to purchase a specific quantity of supplies or services from a particular economic operator.

Indeed, the Contracting Authority reserves the right to operate outside of the framework agreement at its discretion, particularly should it become apparent that doing so would offer greater value for money. Notwithstanding the foregoing, the framework agreement approach has been adopted to leverage efficiencies and maximise cost savings over the duration of the framework.

The Contracting Authority also reserves the right to avail of any goods subject to this competition available via Central Frameworks e.g., OGP, EPS etc.

Further details are outlined in the specification as per section Appendix 1 Requirements and Specification.

1.3 *Not Used*

This public procurement competition will be divided into [Insert number] lots (each a “Lot”) as described below. Each Lot will result in a separate contract.

1.4 This public procurement competition (the “Competition”) will be conducted in accordance with the open procedure under the European Union (Award of Public Authority Contracts) Regulations 2016 (Statutory Instrument 284 of 2016) (the “Regulations”). Any contract that may result from this Competition (the “Goods Contract”) will be issued for a term of two (2) years (“the Term”).

1.5

The Contracting Authority reserves the right to extend the Term for a period or periods of up to one (1) year with a maximum of two (2) such extension or extensions on the same terms and conditions, subject to the Contracting Authority’s obligations at law.

1.6 The Contracting Authority estimates that the expenditure on the Goods to be covered by the proposed Goods Contract may amount to some €400,000 (excl. VAT) over the Term and any possible extensions. Tenderers must understand that this figure is an estimate only based on current and future expected usage.

1.7 Contracting Authority policy seeks to encourage participation on a fair and equal basis by Small and Medium Enterprises (“SME”s) in this Competition. SMEs that believe the scope of this Competition is beyond their technical or business capacity are encouraged, subject to paragraph 2.5, to explore the possibilities of forming relationships with other SMEs or with larger enterprises. Through such relationships they can participate and contribute to the successful implementation of any Goods Contract that may result from this Competition and therefore increase their social and economic benefits.

Larger enterprises are also encouraged, subject to paragraph 2.5, to consider the practical ways that SMEs can be included in their proposals to maximise the social and economic benefits of any Goods Contract that may result from this Competition.

## Part 2: Instructions to Tenderers

### 2.1 IMPORTANT NOTICES

**2.1.1** While every effort has been made to provide comprehensive and accurate information in all notices and documents prepared for the purposes of this Competition, the Contracting Authority does not accept any liability or provide any express or implied warranty in respect of any such information. Tenderers must form their own conclusions about the solution needed to meet the requirements set out in this RFT and may wish to consult their legal advisers.

**2.1.2** The Contracting Authority does not bind itself to accept the lowest priced or any Tender.

This RFT does not constitute an offer or commitment to enter into a Goods Contract.

No contractual rights in relation to the Contracting Authority will exist unless and until a formal written Goods Contract has been executed by or on behalf of the Contracting Authority.

Any notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer.

The award of a Goods Contract does not confer exclusivity on the successful Tenderer.

The Contracting Authority may cancel this Competition at any time prior to a formal written Goods Contract being executed by or on behalf of the Contracting Authority.

**2.1.3** This RFT supersedes and replaces any and all previous documentation, communications and correspondence between the Contracting Authority and Tenderers, and Tenderers should place no reliance on such previous documentation and correspondence.

**2.1.4** In this clause 2.1.4, “Data Protection Laws” means all applicable national and EU data protection laws, regulations and guidelines including but not limited to Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (the “General Data Protection Regulation”), and any guidelines and codes of practice issued by the Office of the Data Protection Commission or other supervisory authority for data protection in Ireland from time to time.

The Contracting Authority will be a Data Controller (where Data Controller has the meaning given under the Data Protection Laws) in respect of any Personal Data (where Personal Data has the meaning given under the Data Protection Laws) required to be provided by the Tenderer in response to this RFT.

In particular, tenderers and candidates should note in Article 6 of Regulation (EU) 2022/1031, the obligations for a Contracting Authority in the context of a procurement procedure where the EU Commission has adopted an IPI measure.

- 2.1.6 Tenderers are referred to the provisions of Regulation (EU) 2022/2560 of the European Parliament and of the Council on Foreign Subsidies distorting the Internal Market, in addition to Commission Implementing Regulation (EU) 2023/1441, and their obligation to comply therewith. In particular, tenderers and candidates should note the requirements in Articles 28 and 29 of Regulation (EU) 2022/2560 relating to the prior notification or declaration of foreign financial contributions, where the estimated value of the public procurement procedure is equal to or greater than the applicable financial thresholds set out therein. In that regard, Tenderers and Candidates are referred to Appendix 3A of the RFT.

### Scoring Methodology

**NOTE 1:** Tenderers should note that they must achieve a minimum rating of 50% for each of the individual qualitative criteria (A) to (D) in order to avoid elimination from the competition.

**NOTE 2:** The lowest cost tender that also meets all of the minimum requirements of the qualitative award criteria will receive the maximum score achievable under this criterion. The scores of the other valid tenders will be calculated using the following formula:

Maximum Points available for Cost	A
Lowest Cost from a Bona Fide Tender	B
Cost for the tender being evaluated	300*
Formula employed	$\frac{300* \times A}{B}$

**NOTE 3:** Qualitative criteria will be scored using the following baseline scoring system:

A very comprehensive response that fully meets and exceeds the minimum requirement. It includes a considerable amount of clear, comprehensive, convincing detail to demonstrate an exceptional level of understanding of the requirements. Fully supported with no reservations.	<b>Outstanding</b>	<b>90 – 100%</b>
An excellent response that meets the minimum requirements and exceeds them in some respects. Response provides detailed assurance that the Tenderer will deliver to a high standard. Strongly supported.	<b>Excellent</b>	<b>80 – 89%</b>
A very good response demonstrating very good understanding of the minimum requirements and gives reasonable assurance of delivery to a very good standard. Fully supported.	<b>Very good</b>	<b>70 – 79%</b>
A good response demonstrating a good understanding of the minimum requirements and gives reasonable assurance of delivery to an adequate standard but does not provide sufficiently convincing assurance to award a higher mark. Well, Supported.	<b>Good</b>	<b>60 – 69%</b>
An acceptable response demonstrating a minimum understanding of the requirements. The information provided is limited but offers assurance to the client that the service will be delivered to an acceptable level.	<b>Acceptable</b>	<b>50 – 59%</b>
Unacceptable	<b>Unacceptable</b>	<b>Less than 50%</b>

**NOTE 4:** Tenderers should ensure in their tenders that they provide detailed information in respect of all aspects of the contract award criteria as stated above. This will enable the awarding authority to assess fully the extent of their offers.

**NOTE 5:** Award of contract may be subject to attendance at a clarification and verification meeting. It would be essential that the key personnel assigned to this contract should be available and present at this meeting.

**NOTE 6:** Tenderers should note that the Contracting Authority reserves the right to confirm that the financial and technical capacity of the tenderer is valid and unchanged prior to the award of any contract.

**NOTE 7:** If the Contracting Authority considers the tender submission to be commercially unsustainable or otherwise problematic in light of the tendered price or any other financial matter (including proposed indicative hours), the tenderer shall be invited to provide clarification to the Contracting Authority in respect of all elements of the tender submission that the Contracting Authority deems relevant. Any failure to satisfactorily comply with such a request or to satisfactorily address the Contracting Authority's

concerns may at the discretion of the Contracting Authority result in the elimination of the tender in question on the basis of it being considered abnormally low.

**NOTE 8:** Tenderers must use Appendix 2 Pricing Schedule to structure their response on how they meet the requirements. Any changes made to this pricing document will deem your tender submission invalid.

**NOTE 9:** Tenderers will be ranked from highest to lowest, based on their total overall scores. The highest-ranked Tenderer shall be deemed the Most Economically Advantageous Tender and will be the Preferred Tenderer (the “Preferred Tenderer”).

**Please Note:**

***In the event that tenderers have previously been involved in providing goods or services to the Contracting Authority, they should not assume that Contracting Authority is aware of their ability to address the requirements set out in this tender. No recognition will be given to information previously submitted. Only information provided in your tender response will be evaluated. The onus is on Tender’s to ensure their tender response is complete and includes all relevant information.***

- **Tie Break** - If the evaluation outcome results in a tie between two or more Tenders, then the Tender with the highest score for the highest weighted criterion shall be deemed the most economically advantageous tender. If the score remains in a tie, the remaining criterion will be assessed by the highest weighted until there is no longer a tie. If the score remains a tie after all criterion are assessed, the tenderers will be asked to submit a Best and Final Offer (BAFO).

**3.3.2** Subject to paragraphs 2.1 (Important Notices) and 3.5 (Standstill Period) of this RFT, award of the Goods Contract to the highest ranked Tenderer (as determined by paragraph 3.3.1) will be conditional upon:

- (a) the Tenderer submitting the following evidence in respect of the Tenderer (including the Prime Contractor and any Subcontractors, as applicable in accordance with paragraph 3.1 above) to the extent not already provided, within seven (7) days of request by the Contracting Authority: (i) a Declaration in the form attached at Appendix 4; (ii) if applicable, evidence to the effect that measures taken by the entity concerned are sufficient to demonstrate its reliability despite the existence of a relevant Exclusion Ground; (iii) all or any of the supporting documents specified at paragraph 3.2; and

## **3.4 PRESENTATION OF PROPOSALS**

Tenderers may be required to make a presentation of the proposal contained in their Tender. The Contracting Authority will not be responsible for the cost of such presentations (in accordance with paragraph 2.8). Performance at presentations will NOT be evaluated.

### 3.5 STANDSTILL PERIOD

- 3.5.1** In circumstances where the European Communities (Public Authorities' Contracts) (Review Procedures) Regulations 2010 (Statutory Instrument 130 of 2010), as amended by the European Communities (Public Authorities' Contracts) (Review Procedures) (Amendment) Regulations 2015 (Statutory Instrument 192 of 2015) and the European Communities (Public Authorities' Contracts) (Review Procedures) (Amendment) Regulation 2017 (Statutory Instrument 327 of 2017) apply, no contract can or will be executed or take effect until at least fourteen (14) calendar days after the day on which the Tenderers have been sent a notice informing them of the result of this Competition ("Standstill Period") if such notice is sent by electronic means. The Standstill Period shall be sixteen (16) calendar days if such notice is sent by other means. The preferred bidder will be notified of the decision of the Contracting Authority and of the expiry date of the Standstill Period
- 3.5.2** Tenderers should note that the Contracting Authority may, when notifying Tenderers of the results of this Competition, include the scores obtained by the Tenderer concerned and the scores obtained by the preferred bidder in respect of each award criterion assessed by the Contracting Authority.

### 3.6 RETURN OF SIGNED CONTRACTS

- 3.6.1** The successful Tenderer must sign and return the Goods Contract and the Confidentiality Agreement, both in duplicate to the Contracting Authority no later than seven (7) calendar days from the date of expiry of the Standstill Period unless notified otherwise in writing by the Contracting Authority. A signed Goods Contract returned by the successful Tenderer is not binding on the Contracting Authority until the Contracting Authority has signed the Goods Contract in accordance with paragraph 2.1.2 above.
- 3.6.2** Where the signed Goods Contract and the Confidentiality Agreement have not been received by the Contracting Authority within the period as specified at paragraph 3.6.1 then the Contracting Authority may proceed to award the Goods Contract to the next highest-ranked Tenderer in accordance with paragraph 3.6.1 above.

A mere affirmative statement by the Tenderer that it can / will do so or a reiteration of the tender requirements is NOT sufficient in this regard.

### A1.1 ABOUT THE CONTRACTING AUTHORITY

**Education and Training Boards (ETBs)** are statutory authorities which have responsibility for education and training, youth work and a range of other functions. Formerly known as Vocational Education Committees (VECs) ETBs manage and operate second-level schools, further education colleges, multi-faith community national schools and a range of adult, further education and training centres delivering education and training programmes, including 19 (former FÁS) training centres. There are 16 Education and Training Boards spread throughout the country with over 650 sites under their remit. The Chief Executive (CE) of each ETB carries out the executive functions of the ETB, including those in relation to procurement.

**Education and Training Boards Ireland (ETBI)**, based in Naas, Co Kildare is the national representative association for ETBs. Its job is to represent ETBs and promote their interests. It also provides services to its members in areas such as Policy, HR/ IR, Corporate and Procurement & Reform. ETBI coordinates the **ETB Procurement Network**, which brings procurement personnel from the 16 ETBs together on a quarterly basis.

The Contracting Authority is an ETB responsible for the delivery of services in the following locations:  
**Cavan and Monaghan.**

In 2013, the Education and Training Boards Act was enacted, providing for the establishment of 16 Education and Training Boards (ETBs) to replace the existing 33 Vocational Education Committees (VECs). The Cavan and Monaghan Education and Training Board (CMETB) was established as a result of this legislation, with the Monaghan office being designated as the head office and the Cavan office being given sub office status.

CMETB provides a comprehensive range of education services throughout Cavan and Monaghan and is the largest educational provider in counties Cavan and Monaghan. CMETB's educational and training provision includes second-level schools, further education colleges and a range of adult and further education centres delivering education and training programmes, Traineeships and Apprenticeships, Post Leaving Certificate Courses (PLCs), Youth Reach centres, Outdoor Education, Prison Education, Arts Education and Youth Services.

Cavan and Monaghan ETB places learning and the learner at the heart of its educational provision.

CMETB provides services to both counties Cavan and Monaghan by employing approximately 1,400 staff and providing full time education to over 13,000 students at second level and PLC and learners in Adult Education.

**Site Acceptance Test – (SAT)** – to be signed off prior to production handover, and once all Installation, Commissioning and Training activity has been successfully completed. The SAT shall be a run at rate trial with CMETB’s employees to determine the satisfactory performance of the equipment against all relevant KPI’s. Acceptance test plan must be agreed and accepted by CMETB.

All run at rate tests will be observed and recorded by CMETB personnel. The results of the tests will be shared with the supplier at every stage. The requirements of FAT/SAT qualifications must be satisfied before CMETB can finally accept the equipment.

The winning tenderer shall conduct validation of the equipment and ensure that the equipment meets the requirements of this specification. CMETB’s staff must approve and accept the validation results.

Validation run at rate tests shall not commence until CMETB and the supplier’s engineers agree that successful completion is probable. Any validation failure shall be documented by the party carrying out the test and a course of action agreed by all parties prior to machine build changes (any change affecting the form, fit or function of the equipment).

### **A1.3 SCOPE OF THE FRAMEWORK AGREEMENT**

It is the intention of the Contracting Authority to establish a Single Party Framework from which call-off contracts will be awarded to the successful supplier and will be run by the schools as requirements arise over the lifetime of the Framework.

In the context of a single-party framework agreement, the successful framework member does not have to compete for each new contract. It is emphasised that a framework agreement constitutes no guarantee to purchase a specific quantity of supplies or Supplies from a particular economic operator.

Indeed, the Contracting Authority reserves the right to operate outside of the framework agreement at its discretion, particularly should it become apparent that doing so would offer greater value for money. Notwithstanding the foregoing, the framework agreement approach has been adopted to leverage efficiencies and maximise cost savings over the duration of the framework.

Other schools/centres may avail of this framework, but this is not a guarantee that they will have a requirement over the duration of the Framework. The Contracting Authority may require additional

devices, and these items will also fall under the scope of this contract and will be required to be included by the successful supplier under the terms of this contract.

#### **A1.3.1 NUMBERS ADMITTED TO THE FRAMEWORK AGREEMENT**

The framework agreement will be established as a single party framework agreement with the tenderer selected following the tender stage and the application of the award criteria. Thereafter they will be considered for the award of all contracts within the scope of the framework agreement.

#### **A1.3.2 AWARDING CONTRACTS UNDER THE FRAMEWORK AGREEMENT**

In the case of a single party framework agreement contracts may be awarded directly on foot of the original tenders or by consultation with the framework member and invitation to provide a supplementary tender within the constraints laid down in this tender documentation and the framework agreement terms and conditions.

#### **A1.3.3 RIGHT TO TENDER OUTSIDE OF THE FRAMEWORK**

The Contracting Authority intends to use the framework for the procurement of requirements falling within its scope during the specified period; however, it reserves the right to go outside the framework for the procurement of any requirement without reference to the framework members. Admission to a framework does not guarantee the award of any contract to any economic operator, nor does it give the members the right to be consulted in respect of, or tender for, any contract.

The Contracting Authority also reserves the right to avail of any goods subject to this competition available via Central Frameworks by OGP.

#### **A1.3.4 AWARD TO RUNNER UP**

If for any reason, it is not possible to admit to the framework agreement one or more of the tenderers invited following the conclusion of this competitive process, the Contracting Authority reserves the right to invite the next highest scoring tenderer(s) to join the framework agreement as appropriate, at any time during the tender validity period.

In the event that, following the award of any contract under this framework agreement if the framework member cannot, for whatever reason, deliver the required services to the satisfaction of

the Contracting Authority; the Contracting Authority reserves the right to award the contract to the next highest-ranked tenderer emerging from the process at any time during the contract tender validity period.

Invoices are to be submitted electronically to Education Business Shared Services (ESBS) [cmetb\\_finance@esbs.gov.ie](mailto:cmetb_finance@esbs.gov.ie).

CMETB will not be required to pay any or all the costs of the goods/services before delivery.

## **A1.7 REVIEW OF PERFORMANCE**

The implementation of these procedures shall result in minimum cost and disruption to the school. The Supplier acknowledges and agrees that if the Goods recall and advice and/or alert procedures proposed do not meet The Contracting Authority's requirements, the Authority reserves the right to prescribe Goods recall, advisory and/ or alert procedures to be adopted by the Supplier. All Goods recalls must be notified immediately to the school and The Procurement Section in the Head Office. A summary of all Goods recalls/alerts/advisories/complaints, their investigation, conclusion, resolution and subsequent corrective and or preventative actions must be provided during the Term of the Framework Contract, upon request, within two (2) working days.

### **Table 1**

Information to be included in Table 1 below by notifying parties.

- (i) Group the different financial contributions per third country and per type, such as direct grant, loan/financing instrument/repayable advances, tax advantage, guarantee, risk capital instrument, equity intervention, debt write-off, contributions provided for the non-economic activities of an undertaking (see recital 16 of Regulation (EU) 2022/2560), or other.

- (iii) For each type of financial contribution, provide a brief description of the purpose of the financial contributions and the granting entities.
- (iv) Quantify the estimated aggregate amount of financial contributions granted by each third country in the three years prior to the notification in the form of ranges, as specified in the notes to the Table below. For the calculation of this amount, the following considerations are relevant:
- (a) Take into account foreign financial contributions falling into the categories of Article 5(1) of Regulation (EU) 2022/2560 and on which information has been provided under Sections 3.1 and 3.2 (above) and;
- (b) do not take into account foreign financial contributions excluded according to points (v) and (vi) below
- (v) Notifying Parties do not need to include (in the Table below) a description of the following foreign financial contributions:
- (a) Deferrals of payment of taxes and/or of social security contributions, tax amnesties and tax holidays as well as normal depreciation and loss-carry forward rules that are of general application. If these measures are limited, for example, to certain sectors, regions or (types of) undertakings, they have to be included.
- (b) Application of tax reliefs for avoidance of double taxation in line with the provisions of bilateral or multilateral agreements for avoidance of double taxation as well as unilateral tax reliefs for avoidance of double taxation applied under national tax legislation to the extent they follow the same logic as the provisions of bilateral or multilateral agreements.
- (c) Provision/purchase of goods/services (except financial services) at market terms in the ordinary course of business, for example the provision/purchase of goods or services carried out following a competitive, transparent and non-discriminatory tender procedure.
- (d) Foreign financial contributions below the individual amount of EUR 1 million.
- (vi) The foreign financial contributions that may be relevant for the assessment of each public procurement may depend on a number of factors such as the sectors or activities involved, the type of financial contributions or other specificities of the case. In light of these specificities, the Commission may request additional information where it considers such information necessary for its assessment.

#### **4. Justification for absence of unduly advantageous tender – (Section 4 of Form FS-PP)**

In that regard, notifying parties should detail any elements that in their view may demonstrate that their tender is not unduly advantageous.

4.2 The elements may in particular refer to:

  2. Delivery shall include the unloading, stacking or installation of the Goods by the Contractor's staff, agents or carriers at such place as the Client or a duly authorised person shall reasonably direct.

The name of the contents shall be clearly marked on each container and all containers of hazardous Goods (and all documents relating thereto) shall bear prominent and adequate warnings.
  4. Unless expressly agreed to the contrary, the Client shall not be obliged to accept delivery by instalments. If, however, the Client does specify or agree to delivery by instalments, delivery of any instalment later than the date specified or agreed for its delivery shall, without prejudice to other rights or remedies of the Client, entitle the Client to terminate the whole of any unfulfilled part of the Agreement without further liability to the Client.
  5. The Client shall be under no obligation to accept or pay for any Goods delivered in excess of the quantity ordered. The risk in any over-delivered Goods shall remain with the Contractor.

A failure to make a complaint at the time of any such inspection or test and / or the approval given during or after such inspection or test shall not constitute a waiver by the Client of any rights or remedies in respect of the Goods and the Client reserves the right to reject the Goods in accordance with clause 3B.
- B. The Client may by written notice to the Contractor reject any of the Goods which fail to conform to the approved sample or fail to meet the Specification. - C. Rejected Goods shall be removed by the Contractor from the Client within [insert number] calendar days from the date of the notification to the Contractor of their rejection. In the event of failure by the Contractor to remove Goods within [insert number] calendar days of such notification, the Client may dispose of such Goods as he sees fit and pending such removal, the Goods will remain with the Client at the risk of the Contractor. Any costs incurred by the Client relating to such disposal shall at the option of the Client be borne by the Contractor.
- D. For the avoidance of doubt, the Client will be deemed to have accepted the Goods if it expressly states the same in writing or fails to reject the Goods in accordance with clause 3B.

- E. The issue by the Client of a receipt note for the Goods shall not constitute any acknowledgement of the condition, quantity or nature of those Goods, or the Client's acceptance of them.
- F. The Contractor hereby guarantees the Goods for [insert period] from the date of delivery (the "Guarantee Period") against faulty materials or workmanship. The Client shall within such Guarantee Period, or within 14 calendar days thereafter, give notice in writing to the Contractor of any defect in any of the Goods as may have arisen during such Guarantee Period under proper and normal use.
