- 1.1 **The Commissioner of An Garda Síochána** (the “Contracting Authority”) invites tenders (“Tenders”) to this request for tenders (“RFT”) from economic operators (“Tenderers”) for the provision of the services as described in Appendix 1 to this RFT (the “Services”).
- 1.2 In summary, the Services comprise: Two Day Team Coaching Intervention for Senior Leadership/Management Teams in An Garda Síochána.
- 1.3 This public procurement competition (the “Competition”) will be conducted in accordance with the open procedure under the European Union (Award of Public Authority Contracts) Regulations 2016 (Statutory Instrument 284 of 2016) (the “Regulations”). Any contract that may result from this Competition (the “Services Contract”) will be issued for a term of two years (2) years (“the Term”).
- 1.4 The Contracting Authority reserves the right to extend the Term for a period or periods of up to one (1) year with a maximum of three (3) such extension or extensions on the same terms and conditions, subject to the Contracting Authority’s obligations at law.
- 1.5 The Contracting Authority estimates that the expenditure on the Services to be covered by the proposed Services Contract may amount to some **€65,000** (excl. VAT) over the Term and any possible extensions. Tenderers must understand that this figure is an estimate only based on current and future expected usage.
- 1.6 Contracting Authority policy seeks to encourage participation on a fair and equal basis by Small and Medium Enterprises (“SME”s) in this Competition. SMEs that believe the scope of this Competition is beyond their technical or business capacity are encouraged, subject to paragraph 2.5, to explore the possibilities of forming relationships with other SMEs or with larger enterprises. Through such relationships they can participate and contribute to the successful implementation of any Services Contract that may result from this Competition and therefore increase their social and economic benefits.

Larger enterprises are also encouraged, subject to paragraph 2.5, to consider the practical ways that SMEs can be included in their proposals to maximise the social and economic benefits of any Services Contracts that may result from this Competition.

Part 2: Instructions to Tenderers

2.1 IMPORTANT NOTICES

2.1.1 While every effort has been made to provide comprehensive and accurate information in all notices and documents prepared for the purposes of this Competition, the Contracting Authority does not accept any liability or provide any express or implied warranty in respect of any such information. Tenderers must form their own conclusions about the solution needed to meet the requirements set out in this RFT and may wish to consult their legal advisers.

2.1.2 The Contracting Authority does not bind itself to accept the lowest priced or any Tender. This RFT does not constitute an offer or commitment to enter into a Services Contract.

No contractual rights in relation to the Contracting Authority will exist unless and until a formal written Services Contract has been executed by or on behalf of the Contracting Authority.

Any notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer.

The Contracting Authority may cancel this Competition at any time prior to a formal written Services Contract being executed by or on behalf of the Contracting Authority.

The award of a Services Contract does not confer exclusivity on the successful Tenderer.

2.1.3 This RFT supersedes and replaces any and all previous documentation, communications and correspondence between the Contracting Authority and Tenderers, and Tenderers should place no reliance on such previous documentation and correspondence.

2.1.4 In this clause 2.1.4, “Data Protection Laws” means all applicable national and EU data protection laws, regulations and guidelines including but not limited to Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (the “General Data Protection Regulation”), and any guidelines and codes of practice issued by the Office of the Data Protection Commission or other supervisory authority for data protection in Ireland from time to time.

The Contracting Authority will be a Data Controller (where Data Controller has the meaning given under the Data Protection Laws) in respect of any Personal Data (where Personal Data has the meaning given under the Data Protection Laws) required to be provided by the Tenderer in response to this RFT.

The Tenderer, as Data Controller in respect of any Personal Data provided by it in its Tender, is required to confirm in the statement required under paragraph 2.4 below that all Data Subjects (where Data Subject has the meaning given under the Data Protection Laws) whose Personal Data is provided by the Tenderer have consented to the processing of such Personal Data by the Tenderer, the Contracting Authority, the Evaluation Team and the supplier of the etenders.gov.ie website, for the purposes of the participation of the Tenderer in this Competition or that the Tenderer otherwise has a legal basis for providing

such Personal Data to the Contracting Authority for the purposes of its participation in this Competition.

- 2.1.5 The Contracting Authority would refer Tenderers in particular to the provisions of Regulation (EU) 2022/1031 on the access of third country economic operators, goods and services to the Union's public procurement and concession markets and procedures supporting negotiations on access of Union economic operators, goods and services to the public procurement and concession markets of third countries (International Procurement Instrument – IPI), and to their obligation to comply therewith.

In particular, tenderers and candidates should note in Article 6 of Regulation (EU) 2022/1031, the obligations for a Contracting Authority in the context of a procurement procedure where the EU Commission has adopted an IPI measure.

- 2.1.6 Tenderers are referred to the provisions of Regulation (EU) 2022/2560 of the European Parliament and of the Council on Foreign Subsidies distorting the Internal Market, in addition to Commission Implementing Regulation (EU) 2023/1441, and their obligation to comply therewith. In particular, tenderers and candidates should note the requirements in Articles 28 and 29 of Regulation (EU) 2022/2560 relating to the prior notification or declaration of foreign financial contributions, where the estimated value of the public procurement procedure is equal to or greater than the applicable financial thresholds set out therein.

	AWARD CRITERIA	MAXIMUM MARKS AVAILABLE (Sub-Criteria)	Minimum Marks Required (sub Criteria)	MAXIMUM MARKS AVAILABLE
1	Total Cost of Delivery	400	NA	400
2	Quality and comprehensiveness of the coaching programme offered	200	120	200 (Minimum Marks Required 120)
2.1	- Quality, Comprehensiveness and suitability of the proposed approach in meeting the service requirements - Proposed Content. - Proposed Learning Objectives / Outcomes.	150	90

3.3.3 Scoring Scheme:

Each sub-criterion identified in the table above other than Value will be marked using the scoring guidance in Table 3 below.

The evaluation team will review each Tenderers response. The response to each criterion or sub-criterion will be assigned to a band 1-7. The evaluation team will then calculate a score by applying a percentage weighting within the assigned band to the maximum marks available for each criterion or sub-criterion. For example, if the evaluation team determine that a Tenderers response to Criteria 4 *Quality of team / resources proposed*, is excellent and therefore falls into band 7, they will assign as score between 90% and 100% to the 200 marks available giving a score between 180 and 200 marks.

Tenderers that have not achieved the required Minimum Marks for any of the qualitative award criteria will be eliminated without having their costs assessed and their proposed prices will not be considered for the purposes of calculating the Cost Score (as per the formula set out at 3.3.4) of the Tenderers that have achieved the Minimum Marks.

Table 3. Rating and score categories

BAND	SCORE RANGE	MEANING
7	90 – 100%	Excellent response that exceeds the requirements set out in the RFT: the response provides great clarity and gives a comprehensive, detailed, and convincing assurance that the Tenderer will deliver to an excellent standard.
6	80-89%	A very good response that fully meets all the requirements set out in RFT: the response demonstrates a very high level of understanding of the requirements provides comprehensive detail and convincing assurance that the Tenderer will deliver to a very high standard
5	70-79%	A good response with very few minor weaknesses: The response demonstrates a good understanding of the requirements set out in the RFT and gives sufficient detail and assurance that the Tenderer will deliver the requirements to a good standard.
4	60-69%	A satisfactory response with a number of weakness and demonstrates a reasonable understanding of the requirement of the RFT: The response provides reasonable understanding in relation to the requirements set out in the RFT. To achieve a higher score the tender would require to provide much greater specific detail and clarity in relation to the requirements, to give the evaluation team an assurance that the tender could deliver to a higher standard under the terms of the proposed contract
3	30-59%	A response with reservations The response does not provide sufficient convincing detail and there is a risk that the tenderer would not meet the requirements set out in the RFT. To achieve a higher score the tender would require to provide much greater detail and clarity in relation to the requirements set out in the RFT to give the evaluation team an assurance there is not a risk of non-delivery under the terms of the proposed contract
2	0-29%	A response where serious reservations exist. Lacks full credibility/convincing detail, and there is a significant risk that the

		contract will be unsuccessful. This may be because, for example, insufficient detail is provided, and the response has fundamental flaws, or is seriously inadequate or seriously lacks credibility
1	0%	Response completely fails to address the criterion under consideration

3.3.4 In evaluating the proposed cost element, the Contracting Authority will apply the following formula to calculate the marks awarded for this section,

Pricing Score	=	$\frac{\text{Lowest Proposed Cost}}{\text{Proposed Cost Under Consideration}}$	x	Maximum Marks Available 400 Marks
------------------	---	--	---	--

Where a Tenderer has not submitted a compliant response to the proposed cost element of the Award Criteria, it will be eliminated from the Competition. Examples of non-compliant responses include Tenderers failing to complete the Pricing Schedule at Appendix 2 in accordance with the requirements set out therein.

3.3.5 Total Scores

1. The marks awarded for proposed cost will be added to the marks awarded for overall technical quality for each Tenderer who has achieved or exceeded the minimum marks required for overall technical quality to establish the Total Score for each qualified Tender.
2. The Tenderer with the highest Total Tender Score may be recommended to enter into a contract with Contracting Authority to provide the requirement outlined in this Invitation to Tender. This tender document does not represent a commitment to enter into any contract. The Contracting Authority does not bind itself to accept the lowest or any Tender and will not pay any compensation whatsoever in connection therewith. It reserves the right to reject in whole or in part any or all Tenders received.

3.3. Tie Break

6

In the event that there are two or more Tenderers that obtain the same total marks (i.e. a tie for the highest ranked Tenderer), the following tie-break rules will be adopted.

The Tenderer who has been awarded the highest marks for the total quality element (i.e. non-cost related element) of their Tender will be deemed to be the most economically advantageous tender ("MEAT").

In the event of the application of this tie-break rule not resulting in the determination of a MEAT, this approach will continue to be applied to each of the award criteria in the descending order listed below until such time as a MEAT can be determined:

Order of Tie Break Evaluation Award Criteria:

1. Quality and comprehensiveness of the programme offered.
2. Quality of the Methodology

3. Quality of team / resources proposed
4. Quality Management
5. Environmental Impact and Sustainability

In the unlikely event of the rules set out above failing to determine a MEAT, the preferred Tenderer shall be selected on the basis of random selection. In such a circumstance, representatives of each Tenderer that achieved the same highest marks are invited to attend at the Contracting Authority's premises to observe the random selection and Tenderers will be notified in advance of the time/date and location of the random selection procedure.

3.3.7 Subject to paragraphs 2.1 (Important Notices) and 3.5 (Standstill Period) of this RFT, award of the Services Contract to the highest ranked Tenderer (as determined by paragraph 3.3.1) will be conditional upon:

- (a) the Tenderer submitting the following evidence in respect of the Tenderer (including the Prime Contractor and any Subcontractors, as applicable in accordance with paragraph 3.1 above) to the extent not already provided, within seven (7) days of request by the Contracting Authority: (i) a Declaration in the form attached at Appendix 4; (ii) if applicable, evidence to the effect that measures taken by the entity concerned are sufficient to demonstrate its reliability despite the existence of a relevant Exclusion Ground; (iii) all or any of the supporting documents specified at paragraph 3.2; and
- (b) the evidence specified at paragraph 3.3.2(a) above demonstrating that each entity concerned meets the Selection Criteria and the compliance requirements specified at paragraph 3.1(b) and (c) above.

3.4 PRESENTATION OF PROPOSALS

Tenderers may be required to make a presentation of the proposal contained in their Tender. The Contracting Authority will not be responsible for the cost of such presentations (in accordance with paragraph 2.8). Performance at presentations will NOT be evaluated.

3.5 STANDSTILL PERIOD

3.5.1 In circumstances where the European Communities (Public Authorities' Contracts) (Review Procedures) Regulations 2010 (Statutory Instrument 130 of 2010), as amended by the European Communities (Public Authorities' Contracts) (Review Procedures) (Amendment) Regulations 2015 (Statutory Instrument 192 of 2015) and the European Communities (Public Authorities' Contracts (Review Procedures) (Amendment) Regulation 2017 (Statutory Instrument 327 of 2017) apply, no contract can or will be executed or take effect until at least fourteen (14) calendar days after the day on which the Tenderers have been sent a notice informing them of the result of this Competition ("Standstill Period") if such notice is sent by electronic means. The Standstill Period shall be sixteen (16) calendar days if such notice is sent by other means. The preferred bidder will be notified of the decision of the Contracting Authority and of the expiry date of the Standstill Period.

3.5.2 Tenderers should note that the Contracting Authority may, when notifying Tenderers of the results of this Competition, include the scores obtained by the Tenderer concerned and

the scores obtained by the preferred bidder in respect of each award criterion assessed by the Contracting Authority.

3.6 RETURN OF SIGNED CONTRACTS

- 3.6.1** The successful Tenderer must sign and return the Services Contract and the Confidentiality Agreement, both in duplicate, to the Contracting Authority no later than [insert number] calendar days from the date of expiry of the Standstill Period unless notified otherwise in writing by the Contracting Authority. A signed Services Contract returned by the successful Tenderer is not binding on the Contracting Authority until the Contracting Authority has signed the Services Contract in accordance with paragraph 2.1.2 above.
- 3.6.2** Where the signed Services Contract and the Confidentiality Agreement have not been received by the Contracting Authority within the period as specified at paragraph 3.6.1 then the Contracting Authority may proceed to award the Services Contract to the next highest-ranked Tenderer in accordance with paragraph 3.6.1 above.

Appendix 1: Requirements and Specifications

Tenderers must address each of the issues and requirements in this part of the RFT and submit a detailed description in each case which demonstrates how these issues and requirements will be dealt with / met and their approach to the proposed delivery of the Services. A mere affirmative statement by the Tenderer that it can/will do so or a reiteration of the tender requirements is NOT sufficient in this regard.
