Tendering Guidance

Important Notes:

1. Suppliers **must** provide the full range of goods listed. Please quote for all sections.
2. The specifications outlined in this document have been reviewed to ensure products of the highest quality are supplied. Substandard equipment should not be proposed or accepted under any circumstances and suppliers are requested to replace these to the same standard (*similar approved*) or higher. Tenderers are advised to check this as part of the assessment before finalizing the overall scores. In addition to pricing each item, suppliers must also specify the warranty being offered for each item.
3. All quotations must be excluding VAT with the VAT highlighted separately.
