Please Note: -

All tenderers are advised to visit the site & carry out thorough surveys in order to determine a full understanding of the work involved i.e. nature of the site, access to site, local amenities/services, all existing buildings and facilities adjacent to site and any other factors which may have any influence on the works. They must take all the above matters into account when tendering and no claims for extras will be allowed in their failure to do this.

Yours faithfully
