**1. DESCRIPTION OF THE CONTRACT BEING PROCURED****1.1 NAME OF CONTRACT AND SUMMARY OF REQUIREMENTS**

This is a call to competition by CIÉ for the procurement of Strategic Delivery Partner Services for the CIÉ Group (the "Contract").

OVERVIEW OF SERVICES

This is a call to competition by IÉ for the procurement of Strategic Delivery Partner services to deliver expert advice and assistance to CIÉ. (the "Contract") on or about 29th June 2026 in the official Journal of the European Union (OJEU) via E-tenders Reference Number RFT: 8519671.

Córas Iompair Éireann (CIÉ), was founded on 1st January 1945 under the Transport Act 1944. From 2nd February 1987, under the Transport (Re Organisation of Córas Iompair Éireann) Act, 1986, three CIÉ subsidiaries were established:

- Bus Átha Cliath–Dublin Bus which operates Dublin City bus services.
- Bus Éireann–Irish Bus which operates provincial bus services, Expressway and city bus services in Cork, Limerick and Galway.
- Iarnród Éireann–Irish Rail which operates rail services, including the cross-border Enterprise services operated jointly with Northern Ireland Railways. It also operates Rosslare Harbour.

CIÉ Group also includes:

- CIÉ Tours, Ireland's leading inbound tour operator, with customers travelled with the company across Ireland, Britain, Iceland and Italy.
- CIÉ Holding Company provides shared services across the Group and manages a large property portfolio.

Each company operates under its own leadership teams, governance structures, operational priorities, constraints and existing transformation initiatives. The CIÉ Group is Ireland's largest public transport provider, with over 13,000 staff, the Group carried over 335 million passengers in 2025. The Group works closely with the Department of Transport, the National Transport Authority and other key stakeholders.

Vision 2030 is a Group-wide programme that will require strong alignment across strategy, delivery and external stakeholders. Success will depend on clear understanding of the strategic and operational context across the organisation, as well as the ability to work credibly with senior leaders and build strong relationships across the Group.

CIÉ Group requires a single strategic delivery partner to provide integrated support across the five companies in the Group. Given the scale, complexity and cross-Group nature of Vision 2030, the appointed partner must combine strong strategic capability with practical delivery support, operational credibility with senior leadership, and work effectively across a multi-entity environment with differing priorities, governance arrangements and operating contexts.

The appointed delivery partner must be able to work across strategy, governance, implementation and communications in a joined-up way, and to operate effectively at Group, company and programme level.

1.2 DURATION OF CONTRACT AND FORM OF CONTRACT

It is intended that the term of the Contract the subject of this competition will be one (1) year with the option to extend by two years on a yearly basis at CIÉ's discretion. The Contract Notice is referred to in Section 3.1 of this PQQ.

The form of Contract will be issued with the Invitation to Tender (ITT) to all Applicants who pre-qualify for the ITT stage of the competition, under this PQQ, subject to CIÉ's decision (in its sole discretion) to proceed to the ITT stage of the competition.

2. THE APPLICANT

2.1 INDIVIDUALS/ ENTITIES/GROUPS/CONSORTIUM

The Applicant may be an individual, a single legal entity, a consortium or grouping of persons or legal entities (however constituted).

The Applicant must set out its proposed structure in Part 1 of the Questionnaire (in **Appendix 1**).

A consortium or grouping of persons or legal entities is referred to in this PQQ as a "**Consortium**". If an Applicant consists of a Consortium, a single nominated entity who is authorised to represent all members of the Consortium must be identified in Part 1 of the Questionnaire.

Where the Applicant consists of a Consortium, the Applicant must refer also to **Appendix 2** (requirements concerning Consortium Groups) and all members of the Consortium must complete a Questionnaire.

Note that a Consortium could also have sub-contractors in its group, who are being specifically designated as members of the Consortium and this needs to be identified by the Applicant where this is the case.

Where an Applicant consists of a "Prime Contractor" and a "Sub-Contractor", and they are not coming together in a group to form a consortium, this is not deemed to be a "Consortium" for the purposes of this PQQ and the Questionnaire must be completed by the Prime Contractor only but note the requirements concerning Declarations (section 2.4 of this PQQ) and Reliance on Resources (section 2.3 of this PQQ).

Reference should be made to **Appendix 3** (requirements concerning Sub-Contractors) and note that the information concerning Sub-Contractors required by Appendix 3 will be required where Sub-Contractors form part of a Consortium and where Sub-Contractors do not form part of a Consortium.

In the case of any changes to any Consortium, please refer to section 2.5 of this PQQ.

In order to qualify for the next stage of the competition, all Applicants must satisfy the "**Selection Criteria**" set out in section 5 of this PQQ.

2.2 SUB-CONTRACTORS

Firstly, Applicants must clearly identify in Part 1 of the Questionnaire, if they are proposing any persons/entities to act as a Sub-Contractor(s).

Secondly, Applicants must also identify in Part 1 of the Questionnaire if the proposed Sub-Contractor is also to be part of a Consortium or not. If a Sub-Contractor is also a member of a Consortium, it must complete a Questionnaire like all other members of the Consortium. If a proposed Sub-Contractor is not part of a Consortium but proposed for sub-contracting purposes only, they need not complete a Questionnaire, but the Applicant must do so giving all information requested (however see requirements concerning Declarations (section 2.4) and Reliance on Resources (section 2.3)).

However, in all cases whether a Sub-Contractor is part of a Consortium or not, full information concerning proposed Sub-Contractors must be provided by all Applicants in Part 1 of the Questionnaire. CIÉ is entitled to seek further information about the Applicant or any Sub-Contractors at any stage of the competition.

Thirdly, please note in addition, all Sub-Contractors will be required to complete and return a Declaration of Eligibility relating to the exclusion grounds under procurement law, referred to in Part 8 of the Questionnaire, whether they are part of a Consortium or not (refer to section 2.4 of this PQQ).

Fourthly, Applicants must clearly identify in Part 1 of the Questionnaire, whether they propose to rely on a Sub-Contractor's resources for the purposes of fulfilling any of the Selection Criteria (refer to section 2.3 below on reliance on resources). If an Applicant is not relying on a Sub-Contractor for the purposes of fulfilling any of the Selection Criteria but is still putting forward this person/entity as a Sub-Contractor for sub-contracting purposes only, this needs to be confirmed in Part 1 of the Questionnaire.

If there are grounds for mandatory exclusion of any Sub-Contractor, then the Sub-Contractor must be replaced. If the grounds for exclusion fall into the discretionary category, CIÉ may require the Applicant at its discretion, to replace the Sub-Contractor.

Applicants should note that the Contract does not allow for the entire obligations of the contractor to be sub-contracted but part only, and also note that any sub-contracting under the Contract is at the sole discretion of CIÉ who may withhold its consent.

In the case of any changes to Sub-Contractors, please refer to section 2.5 of this PQQ.

If an Applicant seeks to rely on the resource of any other person or entity to fulfil any of the Selection Criteria:

- (a) the Applicant must set out in Parts 1, 2, 4, 5, 6 and 7 of the Questionnaire its detailed responses as to what are the precise arrangements by which it proposes to rely on the capacity and resources of other persons or entities, if this arises, and this must be completed in the case of each of the Selection Criteria including minimum qualification criteria referred to in section 5 of this PQQ, where it proposes to do so, and the relevant Parts of the Questionnaire must be completed in detail in relation to reliance on resources where this is relied upon by the Applicant;
- (b) a Declaration of Eligibility relating to the exclusionary grounds under procurement law, in the form set out in Part 8 of the Questionnaire, must be completed by all third parties (including any Sub-Contractors) whom the Applicant intends to rely on for the purposes of fulfilling any of the Selection Criteria (including the minimum qualification criteria);

This Letter of Undertaking /Letter of Support must be executed as a deed or otherwise by a duly authorised person who is duly authorised to bind the third party and must specifically refer to this competition and the name of the Contract, name of Applicant, and nature of resources being provided by the third party that the Applicant proposes to rely on;
- (d) the Applicant must provide such other evidence and supporting documentation on request from CIÉ, that is sufficient to demonstrate that it can satisfy the Selection Criteria or any one of them, and in relation to any reliance on resources of any third party.

Where there is any change or proposed change in the details concerning an Applicant or any Sub-Contractor, all such changes must be notified in writing to CIÉ. CIÉ will assess any proposed change against the applicable Selection Criteria, to ensure all requirements continue to be met. In any instance, where the proposed change fails to continue to meet all requirements this will result in the rejection of the proposed change.

- (2) Applicants must inform their proposed consortium members, subcontractors, entities being relied upon and advisors of the provisions of this section 7.6. No entity may be involved with (including acting as advisor to) more than one Applicant without the prior approval of CIÉ. Where any entity

wishes to participate in (or act as an advisor to) more than one Applicant, or wishes to tender both in its own right and with another Applicant, it is the responsibility of that entity to ensure that it has, as soon as possible and in any event no later than twenty-one (21) calendar days in advance of the Closing Date for PQQ submissions, notified each Applicant with which it is participating that it is proposing to be involved with more than one Applicant (and it must be able to produce evidence of this communication with each Applicant to CIÉ, upon request). - (3) Applicants' particular attention is drawn to the provisions of the Competition Acts 2002 to 2022. These Acts make it a criminal offence for Applicants to collude on prices or terms in a public tendering procedure. Please note that should CIÉ become aware of direct or indirect communications (through trade associations or otherwise) between Applicants relating to the Contract, or which might facilitate price collusion, or of any other breach or potential breach of the Competition Acts 2002 to 2022, CIÉ may disqualify such Applicant(s) and may notify the matter to the Competition and Consumer Protection Commission with the recommendation that action be taken against such Applicants.
- (4) Any conflicts of interest or potential conflicts of interest that an Applicant (or any member of an Applicant) has with CIÉ or any member of the CIÉ Group of Companies, or with any other Applicant must be fully disclosed to CIÉ, as soon as they become apparent.
- (5) No Applicant, nor any member of an Applicant, nor any of an Applicant's advisers, consultants, servants or agents may currently be or have been in the past, an adviser, contractor, consultant, servant or agent to CIÉ in relation to the subject of this procurement process without CIÉ's approval. In such circumstances all relevant information must be disclosed to CIÉ in advance (on or prior to the Closing Date for PQQ submissions) and CIÉ will advise, in its absolute discretion, on the appropriate course of action in accordance with Article 66 of the S.I. No. 286/2016 – European Union (Award of Contracts by Utility Undertakings) Regulations 2016.
- (6) In the event of any conflict or potential conflict of interest, CIÉ may invite Applicant(s) to propose the means or mechanisms by which the conflict or potential conflict may be resolved or dealt with and clarify any mitigation systems in place to deal with any conflicts of interest or potential conflicts of interest and to provide supporting documentation in relation to such mechanisms or mitigation systems.
- (7) CIÉ will, in its absolute discretion, decide on the appropriate course of action which may, in appropriate circumstances, include elimination of an Applicant(s) from this competition and/or terminating any contract entered into with an Applicant or CIÉ may permit the situation to continue provided and conditional upon certain safeguards being put in place and being observed.

- (8) CIÉ will regard as a conflict or potential conflict of interest any situation where an Applicant or a member of an Applicant group (or an adviser, contractor, consultant, servant or agent to an Applicant or a member of an Applicant group) is or has been:
- (a) an adviser, contractor, consultant, servant or agent to another Applicant or a member of another Applicant group; or
 - (b) a member of another Applicant group,
- or any other situation where an Applicant or a member of an Applicant group has directly or indirectly a financial, economic or other personal interest which might be perceived as a conflict of interest or potential conflict of interest.
- (9) Any “registrable interest” as defined in the Ethics in Public Office Acts, involving the Applicant and/or CIÉ or any member of the CIÉ Group, or any member of the Government or Oireachtas or their relatives, must be fully disclosed when responding to this PQQ, or should be communicated to CIÉ immediately where such information becomes known to the Applicant only after submission of a response and duly completed PQQ, and prior to the award of any contract, and CIÉ will, in its sole discretion, decide on the appropriate course of action, which may in appropriate circumstances, result in the Applicant being eliminated from this competition or in any contract with the Applicant being terminated. “Registrable interest” and “relative” are as defined in the Ethics in Public Office Acts.

7.7 ANTI-COLLUSION/INDUCEMENTS/INTERFERENCE

Applicants are strictly prohibited from discussing any aspect of their application with any other Applicants or otherwise exchanging information or colluding in respect of any matter relating to this procurement process and this competition.
