

Note for Use of Editable Version of the Measured Work Section of the Pricing Document

NOTE

1. The Measured Work Section of Volume C – Pricing Document is being made available to all candidates in MS Excel (.XLSX), Buildsoft (.EOX) and Cubit (.cbx) format.
2. Tenderers should note that the information contained in the MS Excel, Buildsoft & Cubit file will **NOT** be in the same format as the PDF version of Volume C – Pricing Document provided with the tender pack (i.e. page numbers, references, etc.).
3. Tenderers should also note that the MS Excel, Buildsoft & Cubit file HAS NOT been fully formatted and it is the contractors responsibility to ensure that all items are included in the overall total sum.
4. The PDF version of Volume C – Pricing Document provided remains the master document and the information on the soft copy is for work purposes only. A hard copy of the master document, fully priced in ink, must be returned as part of your tender submission.
