Provision of Services will begin at the earliest practicable date in academic year 2025/2026 (specific date to be agreed and subject to confirmation of funding). The school calendar will be furnished to the successful Tenderer at the beginning of each school year.

For the avoidance of doubt:

- a) Please note, that it is a mandatory requirement of the Contracting Authority that Tenders are submitted on the basis that all meals will be prepared and delivered/served in accordance with service delivery model number

Tenderers should note that:

- Funding for the Hot School Meals Scheme (the Scheme) is provided through the Department of Social Protection (DSP). This Funding is allocated on a school-year basis and must be applied for annually by the school;
- There is no automatic entitlement to DSP funding in any year and all applications are considered on the available budget for the Scheme. Whilst this competition is being run for a specific period any contract that may result from this Competition (the "Services Contract") is entirely dependent on the aforementioned funding, and the Contracting Authority reserves the right to cancel the competition or the Services Contract in the event that funding is no longer available or forthcoming;
- Further information on the School Meals Scheme can be found here: [Department of Social Protection](#). For the avoidance of doubt only the provision of **HOT MEALS** is sought under this CFT.

It is intended to award a contract to a single service provider.

The Services required are more particularly set out in Appendix 1 below.

11.3 *Lots - Not used.*

- 1.4** This public procurement competition (the "Competition") concerns a public contract for social and other specific services as referred to in Annex XIV of Directive 2014/24/EU of the European Parliament and of the Council of 26 February 2014 on public procurement (Light Touch Regime (LTR)). As the estimated value of the Services Contract which may result from this Competition is **BELOW €750,000** the European Union (Award of Public Authority Contracts) Regulations 2016 (SI 284/2016) (the "Regulations") do not apply to the Competition. The Competition will be run in accordance with the terms of this CFT (and appendices) and modelled on an open procedure at national level while availing of the flexibilities permitted for LTR competitions. Any reference in this CFT to the Regulations are solely for the purposes of identifying requirements of those Regulations which are applied by analogy in this Competition.

Any Services Contract that may result from this Competition will be issued for a term of one (1) year ("the Term").

- 1.5** The Contracting Authority reserves the right to extend the Term for a period or periods of up to one (1) year with a maximum of two (2) such extension or extensions on the same terms and conditions, subject to the Contracting Authority's obligations at law.
- 1.6** The Contracting Authority estimates that the expenditure on the Services to be covered by the proposed Services Contract is as set out in Table 1 above over the Term and any possible extensions. Tenderers must understand that this figure is an estimate only based on current and future expected usage.

1.7 Contracting Authority policy seeks to encourage participation on a fair and equal basis by Small and Medium Enterprises ("SME"s) in this Competition. SMEs that believe the scope of this Competition is beyond their technical or business capacity are encouraged, subject to paragraph 2.5, to explore the possibilities of forming relationships with other SMEs or with larger enterprises. Through such relationships they can participate and contribute to the successful implementation of any Services Contract that may result from this Competition and therefore increase their social and economic benefits.

Larger enterprises are also encouraged, subject to paragraph 2.5, to consider the practical ways that SMEs can be included in their proposals to maximise the social and economic benefits of any Services Contracts that may result from this Competition.

- (ii) when requested by the Contracting Authority, submit proof, to the satisfaction of the Contracting Authority, that each such entity will place the necessary resources at the disposal of the Tenderer.

The Contracting Authority may decide to examine Tenders before verifying the absence of exclusion grounds in Regulation 57 of the Regulations (the “Exclusion Grounds”) and the fulfilment of the Selection Criteria.

However, notwithstanding anything to the contrary in this part 3.1, the Contracting Authority reserves the right to ask Tenderers at any moment during the Competition to submit any or all of the following for the purposes of verification of the status of the Tenderer (including the Prime Contractor and any Subcontractor):

- (i) a Declaration in the form attached at Appendix 4;
- (ii) evidence to the effect that measures taken by the entity concerned are sufficient to demonstrate its reliability despite the existence of a relevant Exclusion Ground;

- (iii) in the case of the Prime Contractor and any Subcontractor on whose capacity the Prime Contractor relies, all or any of the supporting documents specified at paragraph 3.2 below;

If a Tenderer does not, upon request by the Contracting Authority, provide evidence which is considered by the Contracting Authority as sufficient to demonstrate (i) its fulfilment of the Selection Criteria (or any one of them) in accordance with this CFT and (ii) the absence of Exclusion Grounds, or its reliability despite the existence of a relevant Exclusion Ground then it shall be excluded from further participation in this Competition.

If a Tenderer does not, upon request by the Contracting Authority, provide evidence which is considered by the Contracting Authority as sufficient to demonstrate (i) the fulfilment by any Subcontractor on whose capacity the Prime Contractor relies of the Selection Criteria (or any one of them) in accordance with this CFT then, it shall be excluded from further participation in this Competition *unless* it replaces the Subcontractor with one which meets all relevant requirements of this CFT.

3.2 SELECTION CRITERIA

Tenderers will either pass OR fail each of the Selection Criteria in this part 3.2.

A Tenderer who fails a selection criterion will be excluded from participating in this Competition.

3.2.A Economic and Financial Standing

Tenderers must: Demonstrate that they have generated a **minimum annual turnover equal to or greater than the amount as set out in Table 1 above** for each of the three (3) financial years immediately preceding the date of publication of this CFT. For the avoidance of doubt, where Tenderers are submitting a Tender as a Consortium this turnover requirement may be satisfied by combined annual turnover of the consortium members.

Supporting Documentation required: Copies of the audited financial statements for each of the three (3) immediately preceding financial years which must include an unqualified audit report on financial statements.

For the avoidance of doubt, Tenderers must submit the documentation requested above with their Tender submission.

However, where the Tenderer is unable, for a valid reason, to provide the specified documentation, the Tenderer must inform the Contracting Authority of the valid reason as to why the documentation cannot be supplied and, if the Contracting Authority considers the reason given to be valid, provide such other suitable alternative documentation to prove, to the satisfaction of the Contracting Authority, their economic and financial capacity.

3.2.B Technical and Professional Ability

Tenderers must declare in the TRD that they satisfy the technical and professional requirement(s) set out below and that they can demonstrate by providing the supporting documentation specified below to the Contracting Authority in each case:

- 1) **Tenderers must confirm** that they are registered as Food Business Operators (FBOs) with the Health Service Executive (HSE), or the Department of Agriculture, Food and Marine (DAFM), as appropriate to their operation.

Supporting Documentation required: Copy of acknowledgement of notification letter or copy of approval certificate from the competent authority must be submitted with their Tender.

- 2) **Tenderers must demonstrate** that they have the level of experience and capacity to deliver the Services required, as set out in this CFT, by providing details of three (3) previous contracts examples (public sector or private sector) demonstrating that they have successfully delivered contracts involving hot meals of a similar nature (for the avoidance of doubt, this does not have to be for school meals), scale and value to those detailed in this CFT and in Appendix 1 below in the last three years.

In respect of the previous contracts submitted, to pass this selection criterion, each contract example must meet each of the following:

Nature:	Must have been a hot food contract;
Scale:	Average number of meals delivered per day over the term of the contract example must have been 60% or more of the number of hot meals* required in this Competition;
Value:	Contract value must have been 60% or greater of the contract value being sought under this this Competition.

***For evaluation purposes only,** the Contracting Authority will use the student number set out in Table 1 above to calculate the daily reference number of hot meals (Number of Students x 1 hot meal per day). Each previous contract example will be assessed against the resulting daily reference number to determine whether it meets the minimum delivery requirement of 60% or more of the required meals.

Supporting Documents Required: Tenderer must provide the contract examples and referee contact details in the table provided in the TRD for each of the contract examples given.

In addition, Tenderers must provide one referee in respect of each reference contract provided, who shall verify the information provided in each of the reference contracts in respect of this Competition. **Tenderers must also provide** with their Response a **satisfactory written reference from the named referee** in respect of each of the contract examples submitted.

A satisfactory written reference is defined as one where the referee confirms that the contract information provided by the Tenderer is correct and that the contract was delivered to the required specification and met the required service levels.

Each reference must confirm and be of sufficient detail so as to satisfy the Contracting Authority as to the veracity of the information provided. These references must be either provided as a scanned copy of a letter which has been duly signed by the reference organisation's authorised representative or provided in a format which is fully traceable to the reference organisation's authorised representative, such as an email with the sender's email address clearly shown. In order to verify the reference, or in the event of insufficient detail in the reference, the Contracting Authority may contact the referee for verification purposes without prior notice to the Tenderer.

For the avoidance of doubt, Tenderer's must submit the documentation requested above with their submission.

3.3 AWARD CRITERIA

- b) the Tenderer with the highest mark for the Award sub-Criterion “B1” **Food Plan** will be awarded the Contract, In the event of a tie following the above process, then
- c) the Tenderer with the highest mark for the Award sub-Criterion “B2” **Food Standards** will be awarded the Contract,
- d) when a Tenderer can’t be identified in the above tie break sequence to be awarded a contract, the tied tenderers names shall be put into a container and the successful Tenderer will be drawn by an independent Contracting Authority office not involved in the evaluation.

For the avoidance of doubt the Contracting Authority will only award the Contract to one Tenderer.

3.3.2 Subject to paragraphs 2.1 (Important Notices) and 3.5 (Standstill Period) of this CFT, award of the Services Contract to the highest ranked Tenderer (as determined by paragraph 3.3.1) will be conditional upon:

The preferred bidder will be notified of the decision of the Contracting Authority and of the expiry date of the Standstill Period.

- 3.6.2 Where the signed Services Contract and the Confidentiality Agreement have not been received by the Contracting Authority within the period as specified at paragraph 3.6.1 then the Contracting Authority may proceed to award the Services Contract to the next highest-ranked Tenderer in accordance with paragraph 3.6.1 above.

Appendix 1: Requirements and Specifications

Appendix 1 set out the Services which the successful Tenderer (the Food Business Operator) will deliver under the Services Contract.

1. BACKGROUND

The Contracting Authority is seeking proposals for the provision of catering service to provide **HOT MEALS** under the School Meals Scheme through the Department of Social Protection (DSP) and is dependent on the level of DSP funding approved for each academic year.

it is a mandatory requirement of the Contracting Authority that Tenders are submitted on the basis that all meals will be prepared and delivered/served in accordance with the Service Delivery Model required at Part 1 Section 1.2 of this CFT.

The Contracting Authority requires that the Services are made available each day of the school year for the total of number of students as set out in Table 1 above.

Provision of the Services will begin at the earliest practicable date in academic year 2025/2026 (specific date to be agreed and subject to confirmation of funding). The school calendar will be furnished to the successful Tenderer at the beginning of each school year.

Funding for the Hot School Meals Scheme (the Scheme) is provided through the Department of Social Protection (DSP). This Funding is allocated on a school-year basis and must be applied for annually by the school. It is a pre-condition to the commencement of the Services Contract that the Contracting Authority has received confirmation from the DSP of the allocation of funding for academic year 2025/2026.

Tenderers should note there is no automatic entitlement to DSP funding in any year and all applications are considered on the available budget for the Scheme. Whilst this competition is being run for a specific period it is entirely dependent on the aforementioned funding, and the Contracting Authority reserves the right to cancel this Competition and or any Services Contract in the event that funding is no longer available or forthcoming.

Further information on the School Meals Scheme can be found here: [Department of Social Protection](#).

For the avoidance of doubt only the provision of **HOT MEALS** is sought under this CFT.

The Contracting Authority may cancel this Competition, at any time prior to a formal Service Contract being executed by or on behalf of the Contracting Authority.

Tenderers must be registered with the Health Service Executive (HSE) or the Department of Agriculture, Food and Marine, as appropriate to their operation, and are responsible for compliance with Food & Hygiene Regulations.

The Contracting Authority accepts no liability or responsibility for any breach in Food legislation, Health and Safety Legislation, and Labour and Employment Legislation etc. in the provision of the Services by the Tenderer and compliance with all relevant legislation is solely a matter for the successful Tenderer.

2. SCHOOL MEALS SCHEME & PAYMENT

Funding under the School Meals Scheme for the Services is provided for **HOT MEALS** which must be of suitable quality and nutritional value and prepared in an appropriate environment.

The Contracting Authority intends to facilitate the availability of Hot Meals for students (see Table 1 for estimated number of students) for each day of the school year. For academic year 2025/2026, the service provision will begin at the earliest practicable date (specific date to be agreed and subject to confirmation of funding). The school calendar will be furnished to the successful Tenderer at the beginning of each school year.

PLEASE NOTE: Estimated volumes provided in this CFT are indicative only and are subject to fluctuation. The exact number of students availing of the meals will vary on a week-to-week basis. Tenderers should note that it is not mandatory for students in the school to avail of hot meals on any given day or at all and that the successful Tenderer will only be paid for meals requested by students/their parents/guardians.

The Contracting Authority shall be under no obligation to purchase any minimum number or value of Services.

The successful Tenderer will be required to provide accurate details of numbers of meals served. See Section 6.7 for further details.

Funding under the School Meals Scheme is based on a rate of payment per meal, per child, per day as set by the DSP. The current rates of payment for HOT MEALS are as follows:

Meal	Max Rate of Payment (per student per day)	Examples of food to be provided: Any menu proposed in the tender submission MUST be in line with the specifications in the tables below.
Hot Meal	€3.20 (VAT exempt)	Hot Meal as per Nutrition Standards for Hot School Meals. These standards recommend that every Hot School Meal should contain: • 2 servings of vegetables, salad, or fruit. Seasonal variety should be available. • 1 serving of wholemeal cereals, bread, potatoes, pasta (Incl. brown) and rice (Incl. brown). • 1 serving of meat, poultry, fish, egg, beans, and nuts. Examples of food to be provided in a Hot School Meal are: • a serving of meat (50-75g), poultry (50-75g), fish (100g), eggs (2), beans/peas/lentils (120g) or cheese (25g) for vegetarian options. • a serving of cooked vegetables (80g). • a serving of fruit: apple, pear, orange, or banana (approx. 80g – smaller child-size servings for younger children). • a serving of potatoes (2 medium or 4 small; 100-120g), pasta, rice, or noodles - all cooked (1 cup or approx. 90g).

PLEASE NOTE: the Maximum Rate of Payment (per student per day) set out above (VAT Exempt) is the maximum sum payable per student per day and the only basis for charging under the proposed Services Contract. The successful Tenderer shall not charge nor seek any contribution from students,

parents, guardians or any other person or entity towards the cost of the meals or the provision of the Services.

Tenderers are required to confirm their agreement to providing the School Meals Service for the rates stated above. Please refer to the Tender Response Document – Appendix 2.

The Services Contract and the Licence will run concurrently and remain in effect for the duration of the term specified in each agreement (and any extensions thereof) unless they are otherwise terminated in accordance with the provisions of the Services Contract or the Licence or are otherwise lawfully terminated or otherwise lawfully extended as agreed between the parties. For the avoidance of doubt

both the Services Contract and the Licence will co-terminate immediately without liability for compensation or damages on the expiry or termination of either agreement for any reason.

In the event of a contradiction between the Services Contract and the Licence the Services Contract shall take precedence.

Appendix 2: Pricing Schedule

Subject to the terms of the Services Contract the Contracting Authority shall pay the sum of €3.20 (VAT exempt) per student per day (the “Fee”) for each Hot Meal provided and delivered in accordance with the Department of Social Protections Hot Meal Scheme and the Services Contract.

The Contracting Authority will pay the successful Tenderer the Fees owed on a 30 days in arrears basis and in line with the payment and invoicing conditions as set out in the Services Contract.

Clause 2. Invariability of the Clauses

- (a) The Parties undertake not to modify the Clauses, except for adding information to the Annexes or updating information in them.

In this case, the processor shall inform the controller of that legal requirement before processing, unless the law prohibits this on important grounds of public interest. Subsequent instructions may also be given by the controller throughout the duration of the processing of personal data. These instructions shall always be documented.

In assessing the appropriate level of security, the Parties shall take due account of the state of the art, the costs of implementation, the nature, scope, context and purposes of processing and the risks involved for the data subjects.
- (b) The processor shall grant access to the personal data undergoing processing to members of its personnel only to the extent strictly necessary for implementing, managing and monitoring of the contract. - (b) Where the processor engages a sub-processor for carrying out specific processing activities (on behalf of the controller), it shall do so by way of a contract which imposes on the sub-processor, in substance, the same data protection obligations as the ones imposed on the data processor in accordance with these Clauses. The processor shall ensure that the sub-processor complies with the obligations to which the processor is subject pursuant to these Clauses and to Regulation (EU) 2016/679.
