

7<sup>th</sup> June 2026

Dear Tenderer,

**Re: 9883                      Nationwide Lifting Training Framework**

PQQ submissions are being sought to undertake the Nationwide Lifting Training Framework. This is a two-stage tender process whereby qualified applicants will be brought forward to tender stage. It is envisaged that tender documents will be issued in August 2026.

Please read and review the PQQ Document for guidance on submitting a compliant response. It is important to pay particular attention to the selection criteria and respond to each scoring section, in particular **Section 5.2** in which **each** section needs to be responded to.

Candidates will only then be scored against the advised selection criteria in the PQQ Document following the closing date of **1200, noon on Friday 7th August 2026**, for the receipt of tenders.

All tender queries must also be submitted via the e-tenders portal before 1700, noon on Friday 31<sup>st</sup> July 2026.

All PQQ submissions must be uploaded via the eTenders portal.

Yours Sincerely

Jonathan Bayley
