| 719295                | 26/06/2026    | <b>Lot 2:</b><br>Please can you provide more details on the branding required for Lot 2.                                                                                                                                                                                                                                                           | DkIT require that the shuttle bus is branded in college colours. The wrapping of bus would be designed by marketing department. The cost of wrapping the bus would be covered by DkIT.                                                                         | 29/06/2026    | 720379                        |
| 727214                | 06/07/2026    | <b>Lot 2:</b><br>Regarding the additional 16-seater for Lot 2, could you please confirm whether this vehicle also requires a full wrap? If so, are we permitted to use it on other services when it is not required for this contract?<br><br>Could you also confirm whether the maximum vehicle age of 10 years applies to the 16-seater as well? | The expectation is that only the main shuttle will be wrapped. However, If the 16 seater was wrapped it would be permitted to be used for other services as required by contractor.<br><br>Yes, the maximum vehicle age of 10 years also applies to 16 seater. | 07/07/2026    | 728382                        |
