

Submission of Tenders

The Contracting Authority is using the postbox facility on eTenders, and tender responses must be submitted electronically via the eTenders postbox facility on www.etenders.gov.ie only. Only tenders submitted to the electronic postbox will be accepted. Tenders submitted by any other means (including but not limited to by email, post or hand delivery) will **not** be accepted.

Tenderers must ensure that they give themselves enough time to upload and submit all required documentation before the closing date/time noting the use of the new eTenders platform. Tenderers should consider the fact that upload speeds vary. In order to submit a response to the electronic postbox, please note that you must ensure you have submitted the response completely. It is advisable to familiarise yourself with the new platform prior to the closing date.

Below we provide an overview of the key steps. Please note that the Contracting Authority take no responsibility for these steps being the totality of the steps required as different processes may require different actions.

If in doubt, please ensure you contact the eTenders helpdesk as follows:

Submitting your Response

In responding to a competition without an electronic ESPD, a number of steps are required. The final step involves clicking on a Submit button and receiving the following status:

If you do not receive a message similar to above, you have not submitted your response.

Please note that the screen may say **OFFLINE**, this is a technical feature of etenders and does not mean you cannot submit. Also please note you may see the percentage field also saying 100% before you submit, this still requires you to go through the submit button.

Please upload your response as a **ZIP FILE** to protect the integrity of the file names.

It is the responsibility of the Tenderer to ensure that their tender is complete and is uploaded in accordance with the instructions provided on eTenders prior to the deadline as per the front page.
