

ATU Clarification issued 9th July 2026

Dear Tenderers

Please take note that the tender documents have been updated, and you must refer to Request for tender for Fume Cupboard Servicing and Maintenance updated 9th July 26 zip folder when preparing your tender response.

The following documents have been updated:

Appendix 1 ATU Inventory list updated 7th July 2026

Some items of equipment were omitted fin error from initial list in error.

Appendix 2 Annual Inspection Requirements updated 8th July 2026.

Ventilated chemical storage cabinets are included in the maintenance scope of the contract. Please take note of additional inspection requirements, highlighted in yellow in revised document.

Appendix 4 Pricing Schedule V2 090726

ATU have issued a revised Pricing Schedule for a total of 155 items of equipment. The revised pricing schedule is broken down by type of equipment.

There is no change to the RFT or TRD or sample contract documents.

Regards,

ATU Procurement Team
