2 Summary

Contracting Authority:	Cork Education and Training Board
Nature of procurement:	Request to Participate in a Panel for The Provision of Online Exam Revision and Study Support for the Cork Education and Training Board
Type:	Provision of Educational Services
Procedure:	Panel
Duration:	Four (4) years - will be advertised on an annual basis on the Irish Government Procurement Opportunities Portal www.etenders.gov.ie

The Contracting Authority considers that the provision of Online Exam Revision and Study Support fall under Annex XIV of EU Directive 2014/24/EU (Light Touch Regime). Educational Services falls under CPV codes: 80000000 to 80660000 and includes 'Education and Training Services' (CPV code 80000000), 'Secondary Education Services' (CPV code 80200000), and 'Technical and vocational secondary education services' (CPV code 80210000). Therefore, the service is not fully subject to the provisions of Directive 2014/24/EU. Given the strategic partnership of this service, the Contracting Authority considers the creation of a Panel as the most appropriate and workable procurement process for the provision of Online Exam Revision and Study Support.

A Panel constitutes a means of assessing the financial and technical capacity of a number of economic operators to whom individual contracts may or may not be awarded over the Panel's duration.

The Contracting Authority is planning to run a two-stage tender process. In the initial stage, all providers who meet the Selection Criteria included in the Qualification Questionnaire Document will be admitted to the Panel.

The second stage of this competition is Contracts. Contracts will be signed by the Contracting Authority with each provider, identifying the terms and conditions including the scope of the services, costs and any other operations terms required.

The purpose of the procedure is to enable the pre-qualification of suitable parties over two (2) years. The Panel may be terminated in its entirety at any point at the discretion of the Contracting Authority.

Depending on the number of successful panel applicants for the required services, the Contracting Authority will re-advertise this panel competition on an annual basis via www.etenders.gov.ie (subject to satisfactory performance, business needs, budget constraints and funding, all at the absolute discretion of the Contracting Authority).
