1	07/07/2026	Is it permissuble for the Principal Service Providers - design consultants - to participate in this competition with multiple D and B Contractors?	10/07/2026	Yes, participation by a Principal Service Provider (design consultant) with more than one D&B Contractor is permissible at the SAQ stage, provided that any actual or potential conflict of interest is fully disclosed and managed. Section 3.6 of the PIM states that where a service provider/consultant is acting for more than one Contractor, they must inform all Contractors for whom they are acting in advance of submitting the SAQ. The PIM further notes that if a potential conflict of interest arises due to the proposed participation of one or more of a Contractor's Principal Service Providers with another shortlisted Applicant, the matter will need to be addressed prior to the issue of the Invitation to Tender (ITT).
2	08/07/2026	In relation to 3.4.2c for the Works Contractor - the B3 form was not included in the list of documents in QW1 folder, is it only our Design Team members have to complet the B3 form and Works contractors just refer to the B2 form completed under 3.4c	10/07/2026	Yes, Appendix B3 applies to the Designer questionnaires (QC1) only and is therefore not required to be completed by Works Contractors under QW1. For QW1, the assessment of the PSCS is carried out under criterion 3.4.2c (Health & Safety Competence of PSCS). In accordance with the requirements of that criterion, applicants are required to submit Safety and Health Plans for two (2) projects included in Appendix B1. Accordingly, Works Contractors are not required to submit a B3 form and should instead provide the information and supporting documentation specified under QW1 criterion 3.4.2c.
