Question 1:

Date received: 14/07/2026

Please can you confirm whether proposals for electric vehicles will be considered for this procurement?

Answer:

Date answered: 14/07/2026

Proposals based on electric vehicles will not be considered.

END

Clarification 1:

Following a review of Appendix 1 (Requirements and Specifications), certain criteria were found to limit market competition and diverge from our existing fleet profile. To ensure open competition and operational alignment, the RFT is amended as follows:"

2.22 CHASSIS LIGHTS

- (a) The chassis shall be fitted with LED chassis lights.
- ~~(b) The chassis shall also have front cornering lights. [DELETED]~~
- (c) The chassis bumper to be fitted with bumper-mounted fog lights.

2.24 AIRBAGS

The chassis cab shall be fitted with driver and passenger side curtain-bags. [DELETED]

2.28 VEHICLE WINDOWS

- ~~(a) Anti-Bandit windscreen glazing to be provided for both windscreen and side glazing. [DELETED]~~
- (b) The appliance shall be fitted with electric windows for the driver and passenger position.

Date issued: 14/07/2026
