Query 1

Could you please confirm regarding participation across multiple team submissions.

From our reading of the tender documents, we understand that multiple participation is permitted. Could you please confirm whether an individual who is designated as the Lead Consultant on one team's submission may also be included as a Consultant (in a non-lead capacity) on another team's submission?

Response Query 1

The Contracting Authority confirms that participation by an individual or entity in more than one tender submission is not prohibited under the tender documents.

Accordingly, an individual who is proposed as the Lead Consultant on one tender submission may also be included as a consultant on another tender submission, having regard to the requirements of the tender documents.
