SECTION A: TENDER QUERIES

Detailed hereafter is a query that has been received with respect to the National Transport Authority (NTA) RFT TPI-8506026-26 - Provision of Camera Enforcement Specialist Services, together with the NTA's response:

Query No. 1

Section 3.4 of the RFT specifies that 'The Camera Enforcement SME will be on-site for all working days, other than off-site work which may be required at the NTA's discretion (such as attending off-site meetings)'.

Would the Contracting Authority consider a hybrid model in which the SME will combine on-site and remote working?

Response 1

The Authority requires the SME to be on-site for all working days, and as such a hybrid model will not be considered.
