1. BACKGROUND

The NTMA provides a range of asset and liability management services to the Government. It manages Ireland's National Debt and also controls and manages the Ireland Strategic Investment Fund ("ISIF"), the Future Ireland Fund ("FIF"), and the Infrastructure, Climate and Nature Fund ("ICNF"), and performs certain statutory functions as the National Development Finance Agency ("NDFA"), the State Claims Agency ("SCA") and the New Economy and Recovery Authority ("NewERA").

The NTMA also assigns staff to the National Asset Management Agency ("NAMA"), the Strategic Banking Corporation of Ireland ("SBCI") and Home Building Finance Ireland ("HBFI") and provides each of these bodies with business and support services and systems.

Further information on the NTMA can be found on www.ntma.ie.

The NTMA reserves the right to update or alter any information contained in this request for tenders ("RFT") at any time.

2. STRUCTURE OF THIS COMPETITION

- 2.1 This RFT includes the attached schedules and all supporting and supplemental information.
- 2.2 The National Treasury Management Agency ("NTMA") is seeking tenders for the provision of Cisco Wireless LAN Controllers, Licenses and Support (referred to herein as the "Services") and more particularly described in Schedule 4 (The Services). This call for competition to tenderers (each a "Tenderer") involves the appointment of an economic operator (the "Service Provider") to provide the Services.
- 2.3 Tenderers should submit their responses to the RFT in full compliance with Schedule 3 (Form of Tender). Tenderers may only submit one response. If a Tenderer participates in a consortium, it may be a member of one consortium only.
- 2.4 Subject to section 5.4 (Compliance), only those Tenderers who satisfy the minimum requirements as set out in Schedule 1 (Minimum Requirements) may be permitted to proceed further in this competition. Any Tender that fails to meet a minimum requirement will be eliminated.
- 2.5 The contract, if awarded, shall be awarded to the Tenderer identified as having submitted the most economically advantageous tender, determined using the award criteria specified in Schedule 2 (Award Criteria). The successful Tenderer shall be appointed subject to the pre-conditions detailed in section 7.3 (Preconditions to Award of Contract).
- 2.6 Any Services, instructed by the NTMA under the contract, awarded to the successful Tenderer shall be governed by the terms set out in a contract substantially in the form provided in Schedule 5 (the "Contract") to be entered into between the NTMA and the Service Provider.
- 2.7 The Contract, if awarded, shall remain in place for a period of seventeen months (unless terminated earlier by the NTMA at its discretion). The successful Tenderer shall perform the services only as instructed by the NTMA. No guarantee or representation is made by the NTMA in respect of the value or quantity of the Services which may be instructed by the NTMA.
- 2.8 Award of the Contract does not constitute a commitment or guarantee by the NTMA to procure services from the Service Provider.
- 2.9 The NTMA reserves the right to award the Contract in whole, in part or not at all at its absolute and sole discretion. The NTMA reserves the right to increase or reduce the scope of services and the anticipated

duration of the services at its sole discretion. The NTMA is not obliged to award any Services under the Contract and may procure contracts for the Services in other ways.

3. SCOPE OF SERVICES

3.1 The Services

The Services to be provided under the Contract are more particularly described in Schedule 4 (The Services).

3.2 Additional Services

The NTMA may, from time to time, require the successful Tenderer to undertake additional services ("**Additional Services**"). The NTMA reserves the right to request a fixed cost for any Additional Services should it deem it expedient to do so in its absolute discretion.

4. GENERAL INFORMATION

4.1 Consortia

- a. If a Tenderer is forming a consortium for the purposes of submitting a tender, they must identify the consortium members and confirm that all members will be jointly and severally liable for the provision of the Services.
- b. If forming a consortium, a lead must be identified in the tender who will be responsible for all communications and co-ordination of the Services.
- c. Tenderers must clearly identify in their tender which consortium member is performing which element of the Services and explain the consortium member's capability and experience as the context of the specific criterion requires.
- d. A consortium will not be required to convert into a specific legal form in order to submit a tender. The NTMA reserves the right, amongst other solutions, to require that the Contract be entered into with each member of the consortium on the basis of joint and several liability or to contract with one member of the consortium as prime contractor to whom the other members will be sub-contractors.

4.2 Subcontracting

- a. Where a Tenderer comprises a lead contractor (who will execute the Contract) and a number of sub-contractors, such sub-contractor(s) may be required to enter into a collateral agreement with the NTMA (in a form approved by the NTMA) and contract award may be conditional upon the provision of such collateral agreements. The NTMA reserves the right to approve the sub-contract(s) and will expect that the relevant terms of the Contract between the NTMA and the lead contractor will be reflected in such sub-contract(s) insofar as they apply to the relevant sub-contractor.
- b. Irrespective of any subcontracting arrangements, the lead contractor shall be the contracting party under the Contract and is liable for the delivery of all Services awarded pursuant to the Contract.

4.3 Reliance on Resources

If a Tenderer is relying on the resources of a parent or other entity in order to meet the minimum requirements detailed in Schedule 1 (Minimum Requirements), the Tenderer must demonstrate the commitment of such other entity to provide the necessary capacities, for example by providing a letter from such entity confirming that it will provide the capacities or resources being relied upon and will execute a contractual commitment to that effect if required by the NTMA to do so.

A guarantee or other commitment from such entity may be required as a condition of contract award.

Where an entity is being relied upon in order to meet the Minimum Experience selection criterion in Schedule 1 (Minimum Requirements), the Tenderer must confirm that the entity being relied upon will itself perform the services for which those capacities are required. If this is not established to the satisfaction of the NTMA, the NTMA will assess the suitability of the Tenderer without taking into account the capacities of such entity.

4.4 Conflicts of Interest

- a. Any actual or potential conflict of interest, whether personal, professional or commercial, must be fully disclosed in writing to the NTMA and on an on-going basis throughout this competition and the term of the Contract as soon as any actual or potential conflict becomes apparent.
- b. In the event of an actual or potential conflict of interest, the NTMA will, in its absolute discretion, decide on the appropriate course of action, which may involve the exclusion of the relevant Tenderer from the process. If the NTMA determines that no such conflict of interest arises or that the conflict of interest is immaterial or that the Tenderer has demonstrated to the reasonable satisfaction of the NTMA that appropriate safeguards and measures to manage the conflict have been put in place, then the NTMA may decide to take no action.
- c. During the term of the Contract, the NTMA may, in its absolute discretion, decide to terminate the Contract because of an actual or potential conflict of interest or due to any actual or potential conflict that was not disclosed by the Tenderer to the NTMA either before the Contract was awarded or where an actual or potential conflict arose during the Contract and was not brought to the attention of the NTMA.

4.5 Tendering Costs

Tenderers shall bear all costs associated with participating in the competition, including but not limited to the preparation, submission and clarification of their tenders. The NTMA will not be responsible and/or liable for any costs, expenses, or losses which may be incurred by the Tenderer in connection with its participation in the competition, regardless of the conduct or outcome of the tender process.

4.6 No Liability

Tenderers may not rely on any information or statements contained in this RFT and the NTMA makes no representation or warranty, express or implied, in relation to such information. The information does not purport to be comprehensive or to have been independently verified. Nothing in this RFT will be construed as legal, financial or technical advice. The NTMA shall have no liability or responsibility in relation to the accuracy, adequacy or completeness of any information or statements or for the reasonableness of any assumption made in this RFT. The NTMA will incur no liability or responsibility arising out of, or in respect of, this RFT.

4.7 No Legal Obligation

Tenderers may not rely on anything contained in this RFT as a representation of fact or promise regarding the future, nor as constituting the basis of a contract that may be concluded in relation to the Services. No contractual relationship, implied or otherwise, or any other legal obligation (including with regard to this competition) will arise between a Tenderer and the NTMA until the Contract has been executed by

the NTMA and the successful Tenderer and any conditions precedent to its effectiveness have been fulfilled.

4.8 Governing Law and Jurisdiction

This RFT and the Contract shall be governed by and construed in accordance with Irish law and will be subject to the exclusive jurisdiction of the courts of Ireland. Should there be any conflict between the terms of this RFT and any applicable laws and regulations, the latter will prevail.

4.9 Confidential Information

Subject to section 5.13 (Freedom of Information and Data Protection), if a Tenderer considers that any of the information supplied in its tender should not be disclosed because it is confidential, the Tenderer should, when providing the information, identify that information as “confidential” and specify reasons for its confidentiality. The NTMA will determine, in its absolute discretion acting reasonably, whether such information should be treated as confidential.

4.10 Right to Amend or Terminate the Tender Process

The NTMA may, in its absolute discretion:

- a. change the basis of, or the procedures (including the timetable) relating to the tender process;
- b. reject any or all of the tenders;
- c. invite Tenderers to proceed further at any stage of the tender process;
- d. do such things or engage in such actions as it deems necessary to ensure that the Services and provision thereof yield value for money, which may include requiring a re-submission of any element of tenders;
- e. furnish Tenderers with additional information in respect of any aspect of the Services; or
- f. abandon the tender process.

4.11 Addendum to RFT Documents

The NTMA will notify Tenderers of its intention to amend the RFT or to clarify any aspect of the RFT by issuing a notice on www.etenders.gov.ie. Such notice shall provide details of the amendments or clarifications and may require the Tenderer to contact the NTMA for further information. The NTMA shall issue a written notice on www.etenders.gov.ie giving full details of such amendments or clarifications. Such notices shall form part of the RFT and may subsequently be incorporated into and form a part of the Contract. Each Tenderer is responsible for reviewing www.etenders.gov.ie for updates and notices in connection with the RFT.

4.12 Requests for Clarification and Enquiries, Ambiguity, Discrepancy, Error or Omission

- a. Any queries, perceived ambiguity, discrepancy, error or omission Tenderers may have in relation to this RFT must be directed to the messaging facility on www.etenders.gov.ie. The Query Deadline for receipt of queries is as defined in the Key Dates table on the front page of the RFT.

The NTMA shall, as soon as reasonably practicable, following receipt of such notification, notify all Tenderers, by issuing a notice on www.etenders.gov.ie of its decision in respect of such perceived ambiguity, discrepancy, error, omission or query. No other communication by the NTMA shall be considered valid. Tenderers shall make all requests for clarification or enquiries relating to the RFT in writing as soon as possible, but in any case, not later than the Query Deadline. The NTMA reserves the right to, but is not obliged to, respond to queries received after that deadline. The NTMA does not undertake to respond to all queries received.

- b. If a Tenderer believes that a query and/or its response relates to a confidential or commercially sensitive aspect of its tender it must mark the query as “confidential” or “commercially sensitive”. If

the NTMA, at its discretion, is satisfied that the query and/or its response should be properly regarded as confidential or commercially sensitive, the nature of the query and its response shall be kept confidential (subject to any applicable legal requirements). If the NTMA is of the opinion that it would be inappropriate to answer the query on a confidential basis, it will notify the Tenderer and require the Tenderer to either withdraw the query or raise any objection within 24 hours and state the grounds for objection. If the query is not withdrawn or no objection is raised or the NTMA is of the opinion that notwithstanding the objection or withdrawal, the query is not confidential or commercially sensitive, the NTMA may issue the query and its response to all of the Tenderers.

- c. All responses to requests by Tenderers, contained in addenda issued by the NTMA, will contain the terms of the request (or a summary of it) but shall make no reference to the identity of the Tenderer.
- d. Once Tenderers have submitted their tenders, they will be deemed to have fully read and understood the tender documents (including the Contract) and to have raised any relevant queries and received all necessary clarifications prior to submitting their tenders.

4.13 Confidentiality and Media Communication

Tenderers must treat all communications with the NTMA as confidential. No comments should be made to the media or any third party without the prior express approval of the NTMA relating to:

- a. this RFT or the procedure of awarding the Contract;
- b. any Services awarded pursuant to the Contract; and
- c. the provision of such Services.

4.14 Release of Information

The NTMA may, notwithstanding any provision to the contrary in this RFT, publicise or otherwise disclose, to any third party, information regarding the Contract, the identity of Tenderers (including details of their respective members), the tender process, the award of the Contract or any Services awarded pursuant to the Contract (including, without limitation, details of costs) at any time.

4.15 Interference, Collusion or Canvassing

- a. Tenderers who endeavour to influence, collude, induce or interfere in any way with the evaluation process or any award decision may have their tender rejected.
- b. If any Tenderer is found to have, at any time, offered to give, or, to have agreed to offer, or, given to any person, any bribe, gift, gratuity, commission or consideration of any kind or an inducement or award for the taking of or forbearing to take any action in relation to the obtaining of its tender, or showing or forbearing to show any favour or disfavour to any person in relation to its tender, the tender submitted by such Tenderer may be disqualified and the circumstances surrounding such action may be referred to the appropriate authority. Any attempt by a Tenderer to influence the process of the tender evaluation or the award of the Contract through canvassing, or, other means, may result in that tender being rejected.

4.16 Environmental, Social and Labour Law

- a. In the performance of any contract awarded the successful Tenderer and their subcontractors (if any), shall be required to comply with all applicable obligations in the field of environmental, social and labour law that apply at the place where the Services are provided, that have been established by EU law, national law, collective agreements or by the international environmental, social and labour law provisions listed in Annex X of Directive 2014/24/EU. The successful Tenderer shall be responsible for compliance with all of the statutory requirements of an employer and, without prejudice to the generality of the foregoing, shall remain solely responsible in law for the

employment, remuneration, taxes, immigration and work permits of all personnel retained by it for the purposes of providing the Services.

- b. The successful Tenderer shall be required to undertake to comply fully with the provisions of Council Directive 2001/23/EC of 12 March 2001 on the approximation of the laws of the Member States relating to the safeguarding of employees' rights in the event of transfers of undertakings, business or parts of undertakings or business and as implemented in Irish law by Statutory Instrument S.I. No. 131 of 2003, the European Communities (Protection of Employees on Transfer of Undertakings) Regulations 2003 (if applicable) and to indemnify the NTMA for any claim arising or loss or costs incurred as a result of its failure or incapacity to fulfil its obligations under the said Directive and Statutory Instrument.
- c. The Protection of Employees (Temporary Agency Work) Act 2012 (the "2012 Act") provides that an Agency Worker (as defined in the 2012 Act) is entitled to the same basic working and employment conditions as those which apply to employees recruited directly by the Hirer (as defined in the 2012 Act) to do the same or a similar job. Where the provision of the Services will involve the provision to the NTMA of Agency Workers (within the meaning of the 2012 Act), Tenderers should ensure that they consider their obligations under the 2012 Act when pricing their Tender. The NTMA shall have no liability for any increase in salaries that may be payable as a result of the application of the 2012 Act to the provision of the Services.

4.17 Registrable Interest

Any Registrable Interest involving any Tenderer or subcontractor and the NTMA, members of the Government, members of the Oireachtas, or employees and officers of the NTMA and their Relatives must be fully disclosed in the tender, or in the event of this information only coming to the notice of the Tenderer or sub-contractor after the submission of a Tender, must be communicated to the NTMA immediately upon such information becoming known to the Tenderer or sub-contractor.

The terms "Registrable Interest" and "Relative" shall be interpreted as per Section 2 of the Ethics in Public Office Acts 1995 and 2001, copies of which are available at www.irishstatutebook.gov.ie. The NTMA will, at its absolute discretion, decide on the appropriate course of action, which may in appropriate circumstances include eliminating a Tenderer from this competition or terminating any contract entered into with an Service Provider.

4.18 PAYE Compliance

The successful Tenderer shall comply with all employee payroll tax obligations in Ireland, including pay as you earn ("PAYE"). Tenderers proposing non-Irish employments exercised in Ireland to provide the Services should ensure they consider their employee payroll tax deduction obligations as specified by the Revenue Commissioners of Ireland prior to the submission of their tender.

4.19 Further Information

Except in so far as may be directed in writing by the NTMA, no agent or person employed by the NTMA has any authority to make any representation or give any explanation to Tenderers as to the meaning of this RFT or to any other matter so as to bind or restrict the discretion of the NTMA. Tenderers shall not communicate with any employee or agent of the NTMA in connection with this competition except to the extent and in the manner provided in this RFT.

Tenderers are not permitted to insert items in their tender in addition to those items specifically requested, pursuant to this RFT, save where expressly permitted in this RFT.
- b. If a tender fails to comply in any respect with the requirements of this RFT, or is ambiguous, the NTMA shall be entitled (but shall not be obliged) to take such action as it considers appropriate at its absolute discretion, including but not limited to:

5.8 Clarification of Tenders

To assist in the examination and comparison of tenders, the NTMA may ask Tenderers to clarify their tenders in writing.

The NTMA may reject a tender containing Costs (as defined in section 5.11 (a)) that it considers to be abnormally low or abnormally high, and such tender will not form part of the evaluation process.

5.10 Interviews

Following receipt of tenders, the NTMA may arrange interviews with one or more Tenderers at a location in Dublin to be advised by the NTMA or by video conference, to clarify or demonstrate the credibility of its tender. Tenderers should draw no conclusion from the interview of some Tenderers and not others, as some tenders may require clarification and others may not.

5.11 Cost

The NTMA may, at its sole discretion, extend the Tender Validity Period for an additional period of up to six months from the day the Tender Validity Period would have expired had it not been extended.

5.13 Freedom of Information and Data Protection

- e. The NTMA is subject to the provisions of the Freedom of Information Act 2014 as well as other legislation governing access to information. Therefore, where Tenderers consider any information, they provide in the course of this competition to be commercially sensitive or confidential in nature, they should identify that information as “commercially sensitive” or “confidential” and specify the applicable reasons. The nature of the documentation may then be taken into account by the NTMA in considering requests (if any) for access to such information under the Freedom of Information Act 2014 or other applicable law. Where required by law, the NTMA will consult with Tenderers before making a decision

on a request received. The statutory requirements of the Freedom of Information Act 2014 or other applicable law will, in all circumstances, take precedence over any designation of information advised by Tenderers. Tenderers should note that on conclusion of the Contract for the services that are the subject-matter of this competition, a right of access to the Contract and associated documents will be available to the extent required by the Freedom of Information Act 2014 or other applicable law.

- f. The submission of any personal data (including any personal data contained in any curriculum vitae) ("Personal Data") with a tender shall be deemed to constitute confirmation from the Tenderer that any such disclosures of Personal Data to the NTMA are lawful such that the NTMA is able to evaluate the tenders. Once it obtains any Personal Data, the NTMA will act as data controller of such data and will retain it for (a) in respect of an unsuccessful tender, up to one year following completion of the appointment of the successful Tenderer and (b) in respect of a successful tender up to seven years following completion of the Services. For further information in relation to how the NTMA processes personal data, including a person's various rights under data protection law and details of how to contact the NTMA, please refer to the NTMA Data Protection Statement which is available at: <http://www.ntma.ie/information-pages/data-protection-statement/>.

7.4 Award of Contract

Subject to compliance with all applicable pre-conditions and review by the NTMA of the Tenderer's standard terms and conditions for the Supplies, the NTMA shall award a contract to the successful Tenderer by issuing a letter of acceptance substantially in the form contained in Schedule 5 (Draft Letter of Acceptance) of the RFT.

- a. the NTMA can demonstrate by any appropriate means a violation of obligations in the fields of environmental, social and labour law;
- b. the Tenderer is bankrupt or is the subject of insolvency or winding-up proceedings, if its assets are being administered by a liquidator or by the court, if it is in an arrangement with creditors, if its business activities are suspended or it is in any analogous situation arising from a similar procedure under Irish laws and regulations PROVIDED THAT notwithstanding the entitlement to exclude a Tenderer under this paragraph (b), the NTMA may decide not to exclude a Tenderer that is in any of the situations referred to in this paragraph (b) where the NTMA has established that the Tenderer will be able to perform the contract taking into account the national rules and measures of the Member State of establishment of the Tenderer or the law of the State, as appropriate, on the continuation of business in those situations;
- c. the NTMA can demonstrate, by appropriate means, that the Tenderer is guilty of grave professional misconduct, which renders its integrity questionable;
- d. the NTMA has sufficiently plausible indications to conclude that the Tenderer has entered into agreements with other economic operators aimed at distorting competition;
- e. a conflict of interest arising in the conduct of the procurement procedure cannot be effectively remedied by other, less intrusive, measures;
- f. a distortion of competition from the prior involvement of the Tenderer in the preparation of the procurement procedure cannot be remedied by other, less intrusive, measures;
- g. the Tenderer has shown significant or persistent deficiencies in the performance of a substantive requirement under a prior public contract, a prior contract with a contracting entity or a prior concession contract, which led to early termination of that prior contract, damages or other comparable sanctions;
- h. the Tenderer has been guilty of serious misrepresentation in supplying the information required for the verification of the absence of grounds for exclusion or the fulfilment of the selection criteria, has withheld such information or is not able to submit the required supporting documents; or
- i. the Tenderer has undertaken to unduly influence the decision-making process of the NTMA or obtain confidential information that may confer upon it undue advantages in the procurement procedure or has negligently provided misleading information that may have a material influence on decisions concerning exclusion, selection or award.

The power under paragraph 1.4 to exclude a Tenderer, in the manner there mentioned, shall not be exercisable where the NTMA establishes that 3 or more years have elapsed since the date that the Tenderer concerned was in the relevant situation referred to in that paragraph.

1.5. Declaration of Eligibility

A declaration (“Declaration of Eligibility”) contained in Part 1 of Appendix 1 Tender Response Document must be completed and signed by the authorised representative of the Tenderer and submitted along with the completed tender. Entities being relied upon, and proposed subcontractors must also complete this declaration.

Each Tenderer must provide details where any of the foregoing paragraphs of this section 1 applies to it as at the date of tender submission.

To the extent that any of the situations referred to in section 1.1 or 1.4 apply, a Tenderer is invited to provide details of any factors or circumstances which it believes are relevant to the NTMA’s assessment of these grounds for exclusion. For example, such a Tenderer may provide evidence to the effect that measures taken by the Tenderer concerned are sufficient to demonstrate its reliability despite the existence of a relevant ground for exclusion.

In providing the evidence referred to above, factors that will be relevant to the NTMA’s considerations will include whether the Tenderer can show that it has:

- a. paid or undertaken to pay compensation in respect of any damage caused by the criminal offence or misconduct concerned;
- b. clarified the facts and circumstances in a comprehensive manner by actively collaborating with the investigating authorities, and
- c. taken concrete technical, organisational and personnel measures that are appropriate to prevent further criminal offences or misconduct.

The NTMA shall, when evaluating the measures shown to be taken by the Tenderer above, take into account the gravity and particular circumstances of the criminal offence or misconduct concerned. If such evidence is considered as sufficient, the Tenderer concerned shall not be excluded from the procurement procedure. Where the NTMA considers that the measures shown to be taken by the Tenderer are insufficient, the NTMA shall give the Tenderer a statement of the reasons for that decision.

PART B – SELECTION MINIMUM REQUIREMENTS

The following minimum requirements will be assessed on a pass/fail basis in respect of each Tenderer. Tenderers are entitled to rely on the capacity of other entities to meet these requirements in which case any references in paragraphs below in this Schedule 1 Part B to “Tenderer” shall be interpreted as including such entities. Failure to meet any of these Minimum Requirements will lead to elimination of the tender.

2. Minimum Insurance

The successful Tenderer will be required to have in place for the duration of the contract awarded (and for six years thereafter in the case of Professional Indemnity insurance) the following insurances:

- | | |
|--------------------------|---------------|
| • Employer’s Liability | €13 million |
| • Public Liability | € 6.5 million |
| • Cyber Liability | € 5 million |
| • Product Liability | € 2.6 million |
| • Professional Indemnity | €1 million |

Tenderers must be able to obtain the above levels of insurance should they be identified as the successful Tenderer to be awarded the contract.

Tenderers must confirm that the Territorial and Jurisdiction limits of all insurances requested apply to the Republic of Ireland and will continue to do so for the duration of the Services and beyond in relation to Professional Indemnity insurance as outlined above.

The successful Tenderer must be able to obtain the above levels of insurance should it be awarded the Contract. For the purposes of responding to this RFT, it shall suffice to complete the self-declaration set out in Part 1 of Appendix 1 Tender Response Document.

The NTMA reserves the right to seek, at any time, evidence substantiating the matters set out in the declaration. In the event that the evidence cannot be produced, or if NTMA is not satisfied that the Minimum Requirement is met, the Tender will be eliminated.

3. Minimum Authorisation/Certification Requirement (pass/fail)

Tenderers must be a current Cisco Premier Partner (or higher) with relevant Enterprise Networking and/or Security capability and have access to CCNP certified personnel to deliver the required services. Tenderers should provide evidence of this status with their tender.

The NTMA may require the provision of Cisco Certified Engineer services (Draw Down Days), both remotely and on-site in its offices at Treasury Dock to be drawn down on an ad-hoc 'as required' basis over the course of the contract. The services may be required for, but not limited to, the following examples:

- Assistance with the design, configuration and installation of equipment; and
- Future system integration requirements.

1.3 Environmental Considerations:

The NTMA aims to be net zero in its operations by 2030, and to support the Government's aim of climate neutrality by 2050 through its mandates and ways of working. However, the NTMA's operational emissions are only a small part of its overall carbon footprint. Therefore, the organisation is also measuring a range of scope 3 categories, which includes purchased goods and services. Consequently, the NTMA seeks to procure products and services with reduced environmental impacts. Such impacts may include reduced energy, use of recycled or refurbished material or any other impact that is directly relevant to the delivery of the Services.

The Service Provider will be expected to actively manage the environmental impact of the provision of the Services and the NTMA reserves the right to require the Service Provider to provide details how this will be monitored and reported against.
