

A1 Original

General Notes

- Do not scale from this drawing, use figured dimensions only. All dimensions in mm, unless noted otherwise.
- This drawing to be read in conjunction with all other DID Drawings and Works Information Specifications.
- The Contractor is responsible for the security of the site at all times during the works, and must ensure that unauthorised access is prevented in so far as is reasonably practicable. The extent of site made available for the works shall be agreed in advance with Donegal County Council
- The Contractor is responsible for agreeing necessary permissions with respective landowners for access or storage outside the limits of the site extents shown on this drawing. The Contractor is responsible for making good any disturbance to lands outside the limits of the site extents caused by the works.
- All entrances including private and commercial should remain open and clear at all times unless agreed with the appropriate land owners.
- Refer to the Preliminary Safety and Health Plan (PSHP) produced for this project DID Document Reference 24200-DID-ZZ-XX-HS-C-0001.
- For existing topographic survey levels, refer to Drawing Ref. 37528-25 provided by Land Survey Services NI. All levels are in meters above Malin Head Ordnance Datum.
