

Do not scale from this drawing. Use figured dimensions only. Figured dimensions are in millimetres. All levels are in millimetres above ordance datum (AOD). All dimensions and levels shall be verified on site before proceeding with works. Detailed site survey to be carried out to verify positions and level relationships with site features and ordance survey. Boundaries are indicative only and are to be verified by others. This drawing is to be read in conjunction with other documentation from the architect and design team. The architect must be notified of any discrepancies. Not for construction.
