

**STANDARD CONDITIONS OF ENGAGEMENT
FOR CONSULTANCY SERVICES (TECHNICAL)**

SCHEDULE C: CONSULTANT'S TECHNICAL PROPOSAL

The Consultant's Technical Proposal, as submitted in their Tender, shall be included in this Schedule C. The Consultant's Technical Proposal comprises the following, as outlined in RFT Schedules 2 and 3 (Award Criteria and Form of Tender):

1. Technical Proposal
a) Proposed Team and Resources for Project Barrow
b) Methodology for AC Services
c) Understanding of the Role of Assigned Certifier

Where there is any conflict between the Consultant's tender offer in Schedule C and any aspect of the Schedule B Appendix 1 Scope of Services, then Schedule B Appendix 1 Scope of Services shall take precedence.

Where the Consultant's Technical Proposal in Schedule C contains a higher standard of performance in the opinion of the Client, in respect of any element of the Services than the minimum standard stated in Schedule B Appendix 1 the Consultant shall provide such higher standard in the execution of the Contract. In the event of any conflict over what constitutes the higher standard between aspects of the Consultant's Tender offer in Schedule C and Schedule B Appendix 1 the most onerous condition, in the opinion of the Client, shall apply.
