RFT 8621867: for the provision of a Cloudmersive Private Cloud Subscription for the Department of Foreign Affairs and Trade (DFAT) – Clarification Question – 23/07/2026

Message Ref No	Question	Contracting Authority Response
1	Is DFA already using a Cloudmersive solution?	DFAT are using a Cloudmersive solution in a proof of concept with trial licensing in place.
2	If Yes what is the licensing renewal period for this subscription?	Trial licensing in place.
3	Will the new proposal need to consider those start/end dates as part of this submission?	The outcome of this tendering process will be a new contract for the provision of a Cloudmersive subscription. The start date will be advised following completion of the market exercise.
