

PRICING SCHEDULES A, A1, B & B1

Notes

- A Tenderer may tender for any or all of the items shown in the various schedules. All unpriced items must be clearly struck out in the rates columns.
- Tender rates (for materials to be delivered) shall include for delivery to, and unloading at, any site(s) within the Dublin City Administrative area.
- Please ensure distance of your batching plant from the Dublin City Council boundary is completed if completing rates for 'Ex Works'
- Small Load Charges may be sought by tenderers for all loads delivered that are less than 5.5 cu.m **except** when one small load is delivered in order to complete a pour of 10 cu.m or more, on the same day. Tenderers wishing to claim "Small Load Charges" must complete **Table A** below and the following schedules in A, A1, B & B1. If Table A below is not filled in then the City Council will assume that no "Small Load Charges" are to apply.
- No order will be less than 1m³ (delivery and collection)
- **No Alternations to the Pricing Schedule will be accepted.** Any alterations will result in the tenderer being automatically excluded for consideration for that item.

Small Load Charges (see notes above)

Loads delivered not less than	But less than	Lump Sum Charge per Load (excl. VAT)
1.0 cu.m	1.9 cu.m	
2.0 cu.m	2.9 cu.m	
3.0 cu.m	3.9 cu.m	
4.0 cu.m	5.5 cu.m
