Re: Site Investigation Framework – Tenderer Insurance Cover

Company Name: **[Insert Tendering Company Name]**

To Whom it May Concern

This letter confirms that the following insurance cover is in place/[will be procured], by [Company name] in the event [Company Name] is successful in the tender process for the procurement of a framework of economic operators for the provision of Site Investigation services (Nationwide).

Tenderer Insurance

- **Employer's liability insurance**

For not less than **€13,000,000 (thirteen million euro) for any one claim (or series of claims arising out of the one event)** from the date hereof until the Employer/Contracting Authority confirms the Works have been completed (incl. any defects liability period stipulated in the Appointment). The Framework member shall produce evidence of such cover when requested to do so by the LDA.

- **Public liability insurance**

With a limit of indemnity not less than **€6,500,000 (six million five hundred thousand euro) for any one claim (or series of claims arising out of the one event)** from the date hereof until the Employer/Contracting Authority confirms the Works have been completed (incl. any defects liability period stipulated in the Appointment). The Framework member shall produce evidence of such cover when requested to do so by the LDA.

- **Professional Indemnity Insurance**

With a **minimum** limit of indemnity of not less than **€6,500,000 (six million and five hundred thousand euro) based on the aggregate of claims on an annual basis** for the duration of the provision of the Works/Services and shall maintain such insurance for a period of twelve years after the date of Practical Completion of the Works provided such insurance is generally available in the European Union at commercially reasonable rates and terms, excluding any increased or additional premia required by insurers by reason of the Frameworks member's own claims record or other acts, omissions or matters, which will be deemed to be within the Framework member's obligations. The Framework member shall immediately inform the LDA if such insurance ceases to be generally

available.

Note: The LDA may require a higher level of indemnity of not less of €6.5m (six million and five hundred thousand euro) (covering all of the Framework member's obligations under this Agreement for each and every claim or series of claims arising from the same originating cause, for a period of twelve years after the completion after the date of Practical Completion of the Works for certain projects or where the increased level of cover is available in the market. This limit is not an annual aggregation and the requirement for this level of cover will be assessed reflective of the particulars of the project).

Yours sincerely
