

IMPORTANT NOTE RE: VOLUME C PRICING DOCUMENT FORMAT

The attached soft copy Volume C Pricing Document in Excel format is provided for information purposes only. We accept no responsibility for any changes in formatting or content that may occur during the conversion/importation process. For tender assessment and arithmetical checking purposes the rates and prices of the Pricing Document submitted with the tender shall be entered by the project quantity surveyors into the master Pricing Document as issued to tenderers to create the "Tender Pricing Document". For contract purposes the "Tender Pricing Document" (including where relevant rebalancing of rates in accordance with Clause 6 of the Instructions to Tenderers) shall be printed to a hard copy which shall be the priced Pricing Document referred to in the Schedule and Conditions of Contract.
