1.1 The Department of Housing, Local Government and Heritage (DHLG&H) (the “Contracting Authority”) invites tenders (“Tenders”) to this request for tenders (“RFT”) from economic operators (“Tenderers”) for the provision of the services as described in Appendix 1 to this RFT (the “Services”).

1.2 In summary, the Services comprise: The provision of a hosted accessibility audit platform that can be used across the Contracting Authority to carry out regular accessibility checks across its portfolio of websites in an efficient effective manner. An Independent Portal is required to ensure quality accessibility audits are facilitated in an efficient, auditable manner by Departmental staff once Contractor provides training. Appendix 1 of this RFT contains the full Requirements and Specifications of the Services required.

1.3 **Not Used**

This public procurement competition will be divided into [Insert number] lots (each a “Lot”) as described below. Each Lot will result in a separate contract.

[Insert description of Lots and any rules / instructions in relation to Lots]

1.4 This public procurement competition (the “Competition”) will be conducted in accordance with the open procedure under the European Union (Award of Public Authority Contracts) Regulations 2016 (Statutory Instrument 284 of 2016) (the “Regulations”). Any contract that may result from this Competition (the “Services Contract”) will be issued for a term of three (3) years (“the Term”).

1.5 The Contracting Authority reserves the right to extend the Term for a period or periods of up to 12 months with a maximum two (2) such extension or extensions on the same terms and conditions, subject to the Contracting Authority’s obligations at law.

1.6 The Contracting Authority estimates that the expenditure on the Services to be covered by the proposed Services Contract may amount to some €350,000 (excl. VAT) over the Term and any possible extensions. Tenderers must understand that this figure is an estimate only based on current and future expected usage.

1.7 Contracting Authority policy seeks to encourage participation on a fair and equal basis by Small and Medium Enterprises (“SME”s) in this Competition. SMEs that believe the scope of this Competition is beyond their technical or business capacity are encouraged, subject to paragraph 2.5, to explore the possibilities of forming relationships with other SMEs or with larger enterprises. Through such relationships they can participate and contribute to the successful implementation of any Services Contract that may result from this Competition and therefore increase their social and economic benefits.

Larger enterprises are also encouraged, subject to paragraph 2.5, to consider the practical ways that SMEs can be included in their proposals to maximise the social and economic benefits of any Services Contracts that may result from this Competition.

Part 2: Instructions to Tenderers

2.1 IMPORTANT NOTICES

2.1.1 While every effort has been made to provide comprehensive and accurate information in all notices and documents prepared for the purposes of this Competition, the Contracting Authority does not accept any liability or provide any express or implied warranty in respect of any such information. Tenderers must form their own conclusions about the solution needed to meet the requirements set out in this RFT and may wish to consult their legal advisers.

2.1.2 The Contracting Authority does not bind itself to accept the lowest priced or any Tender. This RFT does not constitute an offer or commitment to enter into a Services Contract.

No contractual rights in relation to the Contracting Authority will exist unless and until a formal written Services Contract has been executed by or on behalf of the Contracting Authority.

Any notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer.

The Contracting Authority may cancel this Competition at any time prior to a formal written Services Contract being executed by or on behalf of the Contracting Authority.

The award of a Services Contract does not confer exclusivity on the successful Tenderer.

2.1.3 This RFT supersedes and replaces any and all previous documentation, communications and correspondence between the Contracting Authority and Tenderers, and Tenderers should place no reliance on such previous documentation and correspondence.

2.1.4 In this clause 2.1.4, “Data Protection Laws” means all applicable national and EU data protection laws, regulations and guidelines including but not limited to Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (the “General Data Protection Regulation”), and any guidelines and codes of practice issued by the Office of the Data Protection Commission or other supervisory authority for data protection in Ireland from time to time.

The Contracting Authority will be a Data Controller (where Data Controller has the meaning given under the Data Protection Laws) in respect of any Personal Data (where Personal Data has the meaning given under the Data Protection Laws) required to be provided by the Tenderer in response to this RFT.

The Tenderer, as Data Controller in respect of any Personal Data provided by it in its Tender, is required to confirm in the statement required under paragraph 2.4 below that all Data Subjects (where Data Subject has the meaning given under the Data Protection Laws) whose Personal Data is provided by the Tenderer have consented to the processing of such Personal Data by the Tenderer, the Contracting Authority, the Evaluation Team and the supplier of the etenders.gov.ie website, for the purposes of the participation of the Tenderer in this Competition or that the Tenderer otherwise has a legal basis for

providing such Personal Data to the Contracting Authority for the purposes of its participation in this Competition.

- 2.1.5 The Contracting Authority would refer Tenderers in particular to the provisions of Regulation (EU) 2022/1031 on the access of third country economic operators, goods and services to the Union's public procurement and concession markets and procedures supporting negotiations on access of Union economic operators, goods and services to the public procurement and concession markets of third countries (International Procurement Instrument – IPI), and to their obligation to comply therewith.

In particular, tenderers and candidates should note in Article 6 of Regulation (EU) 2022/1031, the obligations for a Contracting Authority in the context of a procurement procedure where the EU Commission has adopted an IPI measure.

- 2.1.6 Tenderers are referred to the provisions of Regulation (EU) 2022/2560 of the European Parliament and of the Council on Foreign Subsidies distorting the Internal Market, in addition to Commission Implementing Regulation (EU) 2023/1441, and their obligation to comply therewith. In particular, tenderers and candidates should note the requirements in Articles 28 and 29 of Regulation (EU) 2022/2560 relating to the prior notification or declaration of foreign financial contributions, where the estimated value of the public procurement procedure is equal to or greater than the applicable financial thresholds set out therein. In that regard, Tenderers and Candidates are referred to Appendix 3A of the RFT.

2.2 COMPLIANT TENDERS

- 2.2.1 If a Tenderer fails to comply in any respect with the requirements of this paragraph 2.2.1, the Contracting Authority reserves the right to reject the Tenderer's Tender as non-compliant or, without prejudice to this right and subject to its obligations at law, to take any other action it considers appropriate including but not limited to:

- seeking written clarification from the Tenderer;
- seeking further information from the Tenderer; or
- waiving a requirement, which in the Contracting Authority's view, is non-material or procedural.

Tenderers are required:

- (a) To complete and submit with their Tender the electronic version of the European Single Procurement Document ("[eESPD](#)"). Tenderers may submit an eESPD which has already been used in a previous procurement procedure PROVIDED THAT they confirm that: (i) the information contained in it continues to be correct and (ii) that they satisfy the Selection Criteria for this Competition as set out at part 3.2 below;
- (b) To submit all documentation which this RFT requires to be submitted with their Tender;
- (c) To follow the format of this RFT and respond to each element in the order as set out in this RFT;
- (d) To conform to and comply with all instructions and requirements set out in this RFT;

- (e) To submit the statement required under paragraph 2.4 below; and
- (f) Not to alter or edit this RFT in any way.

2.2.2 Without prejudice to the generality of paragraph 2.2.1, failure to comply with paragraphs 2.6.1, 2.6.2 or 2.6.3 below will render the Tender non-compliant and it will be rejected.

2.3 SERVICES CONTRACT

- 2.3.1 Tenderers should note the terms and conditions of the Services Contract at Appendix 5 to this RFT.
- 2.3.2 Tenderers are required to confirm their acceptance of the terms and conditions of the Services Contract by signing the Tenderer's Statement at Appendix 3. Tenderers may not amend the Services Contract.

ALL TENDERERS MUST RETURN, with their Tender, a scanned signed copy of the Tenderer's Statement, as set out in Appendix 3, printed on the Tenderer's letterhead. The Contracting Authority must be able to read the scanned signature of the Tenderer. If possible, please sign documents using blue ink. 	Total	1000	1000	N/A

NOTE: Qualitative Assessment – Award Sub-Criteria 1.1, 1.2 and 1.3, and Award Criteria 2 and 3, will be assessed first. Tenderers must achieve the minimum marks (based on a 60% Minimum Qualifying Threshold - MQT) allocated to the qualitative criteria and qualitative sub-criteria as set out above. Only those Tenderers that score a mark equal to or in excess of the MQT for each of the qualitative sub-criteria (1.1, 1.2 and 1.3) and qualitative award criteria 2 and 3, will proceed to be evaluated under the Cost. Failure to achieve the MQT will result in the tenderer being eliminated from the Competition

Tenderers must note:

- a) **Embedded documents** - The evaluation team will not evaluate any information contained in embedded documents. Embedded document(s) will not be included in any contract if any awarded.
- b) **URL's to documents or websites** - The evaluation team will not evaluate any information contained in documents or on websites linked by URL's. URL'd document(s) will not be included in any contract, if any awarded.
- c) Screenshots may be provided additionally as a separate document to illustrate/ supplement any part of the proposed solution. However, the screenshots must not form the main body of a response to any requirement. The evaluation team will not evaluate any screenshots that form the main body of a Tenderer's response. Any screenshot provided must be of a readable quality.
- d) Tenderers must only include appropriate and relevant supporting documents which are directly related to specific criteria as set out in this RFT. The rationale for inclusion must be clearly stated in the Tender response. If attaching documents Tenderers must state same in the relevant Criteria response. Where a rational for the inclusion of supporting documents is not provided, they will not be included in the evaluation.
- e) Any document submitted and not linked to a criteria response will not be evaluated
- f) Tenderers are advised that the Evaluation team will only evaluate and score responses in the specified criteria/requirement response box provided for each criteria requirement.
- g) Tenderers must comply with the page count limits set in respect of the Qualitative Award Criteria. For the avoidance of doubt, any material provided in excess of the page count limits will not be evaluated.

Scoring methodology marks for qualitative award criteria 1, 2 and 3 will be allocated as follows:

Band	Weighting	Meaning
5	91% - 100%	Excellent response with very few or no weaknesses, and provides comprehensive, detailed, and convincing assurance that the Tenderer will deliver to an excellent standard.
4	80% - 90%	A very good response that demonstrates real understanding and fully meets the requirements and assurance that the Tenderer will deliver to high standard.
3	60% - 79%	A satisfactory response which demonstrates a reasonable understanding of requirements and gives reasonable assurance of delivery to an adequate standard but does not provide sufficiently convincing assurance to award a higher mark.
2	30% - 59%	A response where reservations exist. Lacks full credibility/convincing detail, and there is a significant risk that the response will not be successful.
1	1% - 29%	A response where serious reservations exist. This may be because, for example, insufficient detail is provided, and the response has fundamental flaws, or is seriously inadequate or seriously lacks credibility with a high risk of non-delivery.
0	0%	No Response

Tenderers must provide responses to each, and all of the requirements set out in this RFT. Each response provided by the Tenderer for each Award Criterion including responses to individual sub-criterion will be evaluated and scored in accordance with scoring bands 0 to 5, as detailed in the table above.

For example, if the maximum available marks for a particular criterion is 100 a response which is considered to be satisfactory (Band 3 as defined in the table above) will score between 60 and 79 marks depending on the quality of the response in accordance with the table above and a response which demonstrates an excellent level of quality and understanding of the requirements (Band 5 as defined in the table above) will score between 91 and 100 marks depending on the quality of the response.

In order to ensure high quality services, the Contracting Authority have specified a minimum score on a number of specific award criteria and a minimum total mark for all Award Criteria.

Tenders that fail to reach the minimum required marks indicated for each relevant Award Criterion will be eliminated from the competition.

Cost Evaluation

Only Tenderers who have achieved the minimum mark required for each Award Criterion and the minimum marks for the Award Criteria in total will be evaluated for cost.

The lowest priced Tender shall be awarded the maximum scores available under this criterion; the score of subsequent Tenders under this criterion shall be calculated using the following formula:

Cost Score	=	$\frac{\text{Lowest Ultimate Cost Tendered in Pricing Schedule}}{\text{Ultimate Cost of Tender being Evaluated}}$	x	Maximum Marks Available (300)
------------	---	---	---	-------------------------------

Tie Break: If the evaluation results in a tie between two or more Tenderers, then the Tender with the highest score for the 'Qualitative' Criterion set out below shall be deemed the Most Economically Advantageous Tender:

Award Criterion 1: Technical merit and suitability of proposed services & solutions

Award Criterion 2: Tenderers Contract Management and Support

Award Criterion 3: Reliability and Continuity of Support

Award Criterion 4: Cost

In the unlikely event of all of the rules set out above failing to determine a MEAT, the preferred Tenderer shall be selected on the basis of random selection. In such a circumstance, representatives of each Tenderer that achieved the same highest marks are invited to attend at the Contracting Authority's premises to observe the random selection and Tenderers will be notified in advance of the time/date and location of the random selection procedure.

3.3.2 Subject to paragraphs 2.1 (Important Notices) and 3.5 (Standstill Period) of this RFT, award of the Services Contract to the highest ranked Tenderer (as determined by paragraph 3.3.1) will be conditional upon:

- (a) the Tenderer submitting the following evidence in respect of the Tenderer (including the Prime Contractor and any Subcontractors, as applicable in accordance with paragraph 3.1 above) to the extent not already provided, within seven (7) days of request by the Contracting Authority: (i) a Declaration in the form attached at Appendix 4; (ii) if applicable, evidence to the effect that measures taken by the entity concerned are sufficient to demonstrate its reliability despite the existence of a relevant Exclusion Ground; (iii) all or any of the supporting documents specified at paragraph 3.2; and

- (b) the evidence specified at paragraph 3.3.2(a) above demonstrating that each entity concerned meets the Selection Criteria and the compliance requirements specified at paragraph 3.1(b) and (c) above.

3.4 PRESENTATION OF PROPOSALS

Tenderers may be required to make a presentation of the proposal contained in their Tender. The Contracting Authority will not be responsible for the cost of such presentations (in accordance with paragraph 2.8). Performance at presentations will NOT be evaluated.

3.5 STANDSTILL PERIOD

- 3.5.1 In circumstances where the European Communities (Public Authorities' Contracts) (Review Procedures) Regulations 2010 (Statutory Instrument 130 of 2010), as amended by the European Communities (Public Authorities' Contracts) (Review Procedures) (Amendment) Regulations 2015 (Statutory Instrument 192 of 2015) and the European Communities (Public Authorities' Contracts (Review Procedures) (Amendment) Regulation 2017 (Statutory Instrument 327 of 2017) apply, no contract can or will be executed or take effect until at least fourteen (14) calendar days after the day on which the Tenderers have been sent a notice informing them of the result of this Competition ("Standstill Period") if such notice is sent by electronic means. The Standstill Period shall be sixteen (16) calendar days if such notice is sent by other means. The preferred bidder will be notified of the decision of the Contracting Authority and of the expiry date of the Standstill Period.
- 3.5.2 Tenderers should note that the Contracting Authority may, when notifying Tenderers of the results of this Competition, include the scores obtained by the Tenderer concerned and the scores obtained by the preferred bidder in respect of each award criterion assessed by the Contracting Authority.

3.6 RETURN OF SIGNED CONTRACTS

- 3.6.1 The successful Tenderer must sign and return the Services Contract and the Confidentiality Agreement, both in duplicate, to the Contracting Authority no later than 10 calendar days from the date of expiry of the Standstill Period unless notified otherwise in writing by the Contracting Authority. A signed Services Contract returned by the successful Tenderer is not binding on the Contracting Authority until the Contracting Authority has signed the Services Contract in accordance with paragraph 2.1.2 above.
- 3.6.2 Where the signed Services Contract and the Confidentiality Agreement have not been received by the Contracting Authority within the period as specified at paragraph 3.6.1 then the Contracting Authority may proceed to award the Services Contract to the next highest-ranked Tenderer in accordance with paragraph 3.6.1 above.

Appendix 1: Requirements and Specifications

Tenderers must address each of the issues and requirements in this part of the RFT and submit a detailed description in each case which demonstrates how these issues and requirements will be dealt with / met and their approach to the proposed delivery of the Services. A mere affirmative statement by the Tenderer that it can/will do so or a reiteration of the tender requirements is NOT sufficient in this regard.

Background and Context.

As part of its statutory obligations, the Department of Housing, Local Government and Heritage (the “contracting Authority”) ,”DHLGH” and The Digital Transformation Unit (DTU) within DHLGH wishes to acquire an Accessibility Audit Platform for its websites. The unit manages a range of websites which in the main relate to government activity, independent statutory bodies and EU LIFE projects. The number of sites under active management is presently 42 active sites.

Since 2020 all Government bodies must comply with the [EU Web Accessibility Directive](#) (WAD), the WAD compliments the [European Accessibility Act](#) which is legislated for in Ireland under a [Statutory Instrument](#). Underpinning legislation and offering detailed information and guidance to enable compliance is the [Web Content Accessibility Guidelines](#) and presently these go to Version 2.2.

The Website Governance section of DTU would like to acquire an Accessibility Audit Platform which will scan and check a complete website including forms, images, PDFs, etc and produce a detailed report with respect to the levels of compliance across accessibility standards. This software would be utilized across the full portfolio of websites on a regular basis.

Tenderers must address each of the detailed specifications listed in this Appendix and submit a suitable description in each case, demonstrating how these specifications will be dealt with. A mere affirmative statement by the Tenderer that it can/will do so, or a reiteration of the tender specifications, is NOT sufficient in this regard. At the same time, the descriptions mentioned should be clear, concise and omit unnecessary information.

Notifying party(ies) ☐ yes ☐ no

3.1.1.6. If the reply to any of the questions in sections 3.1.1.1 to 3.1.1.4 was 'yes' in relation to any of the notifying parties, indicate if there is a restructuring plan capable of leading to the long-term viability of that party and if this restructuring plan includes a significant own contribution by the notifying party and provide details of that plan.

- 3.2.** For each foreign financial contribution equal to or in excess of EUR 1 million granted to the notifying parties in the three years prior to the notification that may fall into any of the categories of Article 5(1), points (a) to (c) and (e) of Regulation (EU) 2022/2560, the notifying party must provide the following information and provide supporting documents:

Please explain why, with reference to the supporting documents provided under Section 6 (below).
- 3.2.8. Explain whether the financial contribution is limited in law or in fact, within the meaning of Article 3 of Regulation (EU) 2022/2560, to certain undertakings or industries. Please explain why, with reference to the supporting documents provided under Section 6 (below).

- 3.3** Having regard to foreign financial contributions not falling within the categories set out in Section 3.1 above, notifying parties are required to provide an overview of the foreign financial contributions equal to or in excess of EUR 1 million granted to the notifying parties in the three years prior to the notification that do not fall into any of the categories of Article 5(1), points (a) to (e) of Regulation (EU) 2022/2560. In that regard, notifying parties are required to complete Table 1 below. Notifying parties should follow the instructions provided at Section 8 (Annex II) of Commission Implementing Regulation (EU) 2023/1441.

Table 1

Information to be included in Table 1 below by notifying parties.

- (i) Group the different financial contributions per third country and per type, such as direct grant, loan/financing instrument/repayable advances, tax advantage, guarantee, risk capital instrument, equity intervention, debt write-off, contributions provided for the non-economic activities of an undertaking (see recital 16 of Regulation (EU) 2022/2560), or other.
- (ii) Include only those countries where the estimated aggregate amount of all financial contributions per country granted in the three years prior to the notification (calculated according to point (iv) below is EUR 4 million or more.
- (iii) For each type of financial contribution, provide a brief description of the purpose of the financial contributions and the granting entities.
- (iv) Quantify the estimated aggregate amount of financial contributions granted by each third country in the three years prior to the notification in the form of ranges, as specified in the notes to the Table below. For the calculation of this amount, the following considerations are relevant:
 - (a) Take into account foreign financial contributions falling into the categories of Article 5(1) of Regulation (EU) 2022/2560 and on which information has been provided under Sections 3.1 and 3.2 (above) and;
 - (b) do not take into account foreign financial contributions excluded according to points (v) and (vi) below
- (v) Notifying Parties do not need to include (in the Table below) a description of the following foreign financial contributions:
 - (a) Deferrals of payment of taxes and/or of social security contributions, tax amnesties and tax holidays as well as normal depreciation and loss-carry forward rules that are of general application. If these measures are limited, for example, to certain sectors, regions or (types of) undertakings, they have to be included.
 - (b) Application of tax reliefs for avoidance of double taxation in line with the provisions of bilateral or multilateral agreements for avoidance of double taxation as well as unilateral tax reliefs for avoidance of double taxation applied under national tax legislation to the extent they follow the same logic as the provisions of bilateral or multilateral agreements.
 - (c) Provision/purchase of goods/services (except financial services) at market terms in the ordinary course of business, for example the provision/purchase of goods or services carried out following a competitive, transparent and non-discriminatory tender procedure.
 - (d) Foreign financial contributions below the individual amount of EUR 1 million.
- (vi) The foreign financial contributions that may be relevant for the assessment of each public procurement may depend on a number of factors such as the sectors or activities involved, the type of financial contributions or other specificities of the case. In light of these specificities, the Commission may request additional information where it considers such information necessary for its assessment.
