

250101 - SP - VHA - AR – 4002 Interior Furniture Schedule

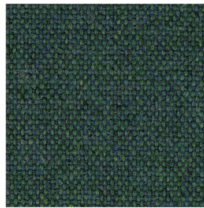

Amendments

Revision	Date	Description	Author	Check
0	25/06/2026	Tender Issue	LH, ROF	RO'F

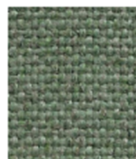

Notes:

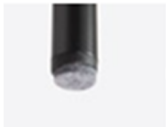

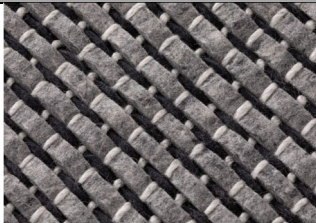

- The Contractor shall be responsible for the supply, delivery, assembly, installation and commissioning of all furniture specified within this schedule unless otherwise noted. The contractor shall verify all dimensions, quantities, access requirements and site conditions prior to placing orders. Any discrepancies shall be brought to the design team's attention immediately.
- The contractor shall confirm manufacturing and delivery lead times as part of their tender submission
- Furniture shall be delivered, assembled and installed by competent personnel. All packaging, protective materials and waste shall be removed from site on completion prior to client handover.
- Furniture shall be supplied with manufacturer's standard warranty. Warranty documentation shall be provided to the employer upon project completion.
- The contractor shall coordinate furniture procurement with building completion, access arrangements, ICT requirements and other specialist installations.
- No furniture shall be ordered until written approval of furniture submittals has been received from VHA.
- Lead times indicated within the schedule have been provided as indicative only and is a minimum. All lead times are to be confirmed with the supplier and/ or manufacturer, based on total quantities.
- Confirm quantities and/or extent prior to ordering.
- Any discrepancies between documents, Head Contractor to notify the Architect/Designer immediately for clarification prior to proceeding with works. Failure to do so does not allow Head Contractor to put forward a variation for aborted works/orders.
