The Contracting Authority may decide to examine Tenders before verifying the absence of exclusion grounds in Regulation 57 of the Regulations (the “Exclusion Grounds”) and the fulfilment of the Selection Criteria.

However, notwithstanding anything to the contrary in this part 3.1, the Contracting Authority reserves the right to ask Tenderers at any moment during the Competition to submit any or all of the following for the purposes of verification of the status of the Tenderer (including the Prime Contractor and any Subcontractor):

If a Tenderer does not, upon request by the Contracting Authority, provide evidence which is considered by the Contracting Authority as sufficient to demonstrate (i) its fulfilment of the Selection Criteria (or any one of them) in accordance with this RFT and (ii) the absence of Exclusion Grounds or its reliability despite the existence of a relevant Exclusion Ground and (iii) that it does not come within the category of prohibited economic operators identified in Regulation (EU) No 833/2014 of 31 July 2014 (as amended by EU Regulation 2022/576) and (iv) that the origin of goods, if any, are not subject to the prohibitions set out in Regulation (EU) No 833/2014 (as amended by EU Regulation 2022/576 or any subsequent amendments to same) then it shall be excluded from further participation in this Competition.

If a Tenderer does not, upon request by the Contracting Authority, provide evidence which is considered by the Contracting Authority as sufficient to demonstrate (i) the fulfilment by any Subcontractor on whose capacity the Prime Contractor relies of the Selection Criteria (or any one of them) in accordance with this RFT and (ii) the absence of Exclusion Grounds in respect of any Subcontractor, or the reliability of any Subcontractor despite the existence of a relevant Exclusion Ground and (iii) that any subcontractor, supplier, or other entity on whose capacity the prime contractor relies does not come within the category of prohibited economic operators identified in Regulation (EU) No 833/2014 of 31 July 2014 (as amended by EU Regulation 2022/576) and (iv) that the origin of goods, if any, are not subject to the prohibitions set out in Regulation (EU) No 833/2014 (as amended by EU Regulation 2022/576 or any subsequent amendments to same) then it shall be excluded from further participation in this Competition *unless* it replaces the entity concerned with one which meets all relevant requirements of this RFT.

3.2 SELECTION CRITERIA

	Financial Year 1	Financial Year 2	Financial Year 3
Turnover	€	€	€

Tenderers should note: If a Tenderer applies for more than one Lot, the minimum turnover must be the highest of the turnover requirements for the Lots in question.

For example: *If Tenderer A submits a Response in respect of Lots 1 and 2, Tenderer A must demonstrate a minimum turnover of one hundred thousand Euro (€100,000) in turnover for each of the three financial years immediately preceding the date of publication of this RFT.*

In the case of a Tenderer being a grouping, this condition may be satisfied by the group members as a whole, or by reliance on the lead tenderer. Where group members are relying on the lead Tenderer's financial capacity, self-declaration / evidence will only be required of the lead.

Tenderers must provide the supporting documentation specified above without delay when requested by the Contracting Authority. However, where the Tenderer is unable, for a valid reason, to provide the specified documentation, the Tenderer must inform the Contracting Authority of the valid reason as to why the documentation cannot be supplied and, if the Contracting Authority considers the reason given to be valid, provide such other suitable alternative documentation to prove, to the satisfaction of the Contracting Authority, their economic and financial capacity.

Delivery Confirmation (Pass/Fail):

Tenderers must confirm that all goods proposed under this Tender can be delivered, installed and commissioned (where applicable) no later than **31 December 2026**. Failure to provide this confirmation, or an inability to meet this delivery requirement, will result in the Tender being deemed non-compliant.

Tenderers should refer to instances within the last five (5) years which demonstrate that they have successfully delivered services of a comparable nature and scale on one (1) occasion. The contracts referenced for consideration should provide comprehensive information to enable the Contracting Authority to determine their comparability to the requirements of this contract. The contracts listed should be chosen to demonstrate the firm's skills, efficiency, experience and reliability in the relevant areas of expertise. In completing the	Pass/Fail

	table for each reference project, Tenderers must provide sufficient information to allow the Contracting Authority to evaluate whether all of the requirements at above have been met and whether the services have been successfully delivered. Note #1: All fields in the TRD should be completed in full. In the event that the information requested on the value of contracts or identity of clients is considered confidential, tenderers must ensure that they provide sufficient information to allow the Contracting Authority to judge the similarity of these contracts to the services required. Note #2: Tenderers will note that they are to provide contact details for referees for each reference project. The Contracting Authority has the right to contact the referees to verify the information being provided, without further reference to the Tenderer. It is the responsibility of Tenderers to satisfy themselves that the nominated contact person is in a position to provide a reference if contacted by the Contracting Authority. Tenderers should note that the Contracting Authority may at its discretion contact all referees or referees for the successful Tenderers only. Note #3: Tenderers must note that this is a pass/fail criterion, and the Contracting Authority may deem a tender inadmissible based on the feedback received from the referees indicated in the submission, where applicable. Note #4: Any reference contracts presented must have been substantially delivered by the Tendering party.

Tenderers should ensure that they have submitted sufficient relevant information to allow their tenders to be assessed under each of the award criteria set out below.

The Contract will be awarded on the basis of the most economically advantageous tender(s) as identified in accordance with the following criteria:

Criterion A	Weighting	Maximum Marks	Minimum Marks 50%
	30%	3,000	1,500
Title	Fit for Purpose of the proposed Equipment		
Description	Tenderers are required to provide detailed specification of the proposed solution which meets all of the mandatory requirements outlined and also provide details of any additional features of the proposed equipment. This response may be supported by equipment specification sheets etc.		
Criterion B	Weighting	Maximum Marks	Minimum Marks 50%
	20%	2000	1000
Title	Contract Manager and Support/ Maintenance		
Description	Tenderers are required to provide details of the proposed contract manager by means of a detailed CV, outlining the experience and expertise of the proposed resource and also addressing how all requirements of Appendix 1 will be met. Tender should also provide details of how reactive and proactive maintenance requirements would be facilitated. Please refer to Appendix 1 of this document for requirements.		
Criterion C	Weighting	Maximum Marks	Minimum Marks 50%
	10%	1,000	500

Criterion D	Weighting	Maximum Marks	Minimum Marks
	40%	4,000	n/a

Title	Ultimate Cost
Description	Tenderers are required to populate Table A within the Form of Tender, section 4.5 of the Tender Response Document.

Tenderers should ensure in their tenders that they provide detailed information in respect of all aspects of the award criteria as stated above. This will enable the awarding authority to assess fully the extent of their offers.

3.3.2 Methodology for scoring Qualitative Criteria:

Tenderers are required to submit complete responses to each of the requirements set out in Appendix 1 of this RFT. Where a Tenderer does not submit a response to any one sub-criterion, its tender will be deemed non-compliant and will not be evaluated. The Tenderer will be excluded from further participation in the Competition.

Each response provided by the Tenderer for each individual qualitative award criterion, sub-criterion and sub-sub-criterion, as applicable, will be evaluated and scored in accordance with the Scoring Methodology set out in the Scoring Methodology Table below.

For example, if the maximum available marks for a particular sub-criterion are 1000, a response which is assessed as demonstrating a satisfactory to very satisfactory level of quality, comprehensiveness and understanding in respect of the qualitative sub-criterion (Band 3) will score between 400 and 590 marks. A response which is assessed as demonstrating a good to very good level of quality, comprehensiveness and understanding in respect of the qualitative sub-criterion (Band 4) will score between 600 and 790 marks.

Tenderers must therefore demonstrate, by providing a clear and comprehensive description in each case, how their proposal will meet each of the qualitative requirements set out in Appendix 1.

Scoring Methodology Table

Score	Category	Description
90 – 100%	Exceptional	An exceptional response demonstrating extensive understanding offering full assurance to client – fully supported with no reservations.
80 – 89%	Excellent	An excellent response demonstrating excellent understanding offering assurance to client – fully supported.
70 – 79%	Very good	A very good response demonstrating very good understanding offering assurance to client – strongly supported.
60 – 69%	Good	A good response demonstrating good understanding offering assurance to client – well supported.
50 – 59%	Acceptable	An acceptable response demonstrating a minimum understanding offering assurance to client - satisfactorily supported.
<50%	Unacceptable	Less than 50% is unacceptable. Should a minimum score apply, the Tender will be considered ineligible from further consideration.
0%	No response	The Tenderer failed to provide a response to the Criterion.

3.3.3

Calculation of Marks to be awarded for Cost:

The following formula will be applied to the cost score only in the case of valid tenders which are deemed admissible having met the qualitative criteria for selection, compliance with minimum specification requirements and where applicable the minimum score under each qualitative award criterion.

The lowest cost tender that also meets all the minimum requirements of the qualitative award criteria will receive the maximum score achievable under this criterion. The scores of the other valid tenders will be calculated using the following formula:

Lowest Cost from a Bona Fide tender	A
Cost for the tender being evaluated	B
Maximum Points available for Cost	C
Formula employed	$\frac{A \times C}{B}$

Scoring Rationale Further Notes (applicable to all Lots)

Once all Tender responses have been evaluated in accordance with the methodologies set out above, the total qualitative score for each Tender per Lot shall be added to the total Cost score for each Tender in the same Lot to provide a total score out of a maximum score of 10,000 for the Tender in question.

All Tenders will be ranked in their Lots according to their total scores out of 10,000.

3.3.4 **Tie Break**

If the evaluation results in a tie between two or more Tenders, then the Tender that has been awarded the highest marks for the total quality element (i.e. non-cost related element) of their Tender will be deemed to be the most economically advantageous tender ("MEAT").

In the event of the application of this tie-break rule not resulting in the determination of a MEAT, this approach will continue to be applied to each of the award criteria in the descending order listed below until such time as a MEAT can be determined:

Order of Tie Break Evaluation Criteria:

In the unlikely event of the rules set out above failing to determine a MEAT, the preferred Tenderer shall be selected based on random selection. In such a circumstance, representatives of each Tenderer that achieved the same highest marks may be either:

- a. invited to attend at the Contracting Authority's premises to observe the random selection; or
- b. invited to attend a video conference call to observe the random selection where attendance at the Contracting Authority's premises is not possible.

In either case, Tenderers will be notified in advance of the time/date and location of the random selection procedure.

3.3.5 Subject to paragraphs 2.1 (Important Notices) and 3.5 (Standstill Period) of this RFT, appointment to the framework of the highest ranked Tenderer(s) (as determined by paragraph 3.3.1) will be conditional upon:

- (a) the Tenderer submitting the following evidence in respect of the Tenderer (including the Prime Contractor and any Subcontractors, as applicable in accordance with paragraph 3.1 above) to the extent not already provided, within seven (7) days of request by the Contracting Authority: (i) a Declaration in the form attached at Appendix 4; (ii) if applicable, evidence to the effect that measures taken by the entity concerned are sufficient to demonstrate its reliability despite the existence of a relevant Exclusion Ground; (iii) all or any of the supporting documents specified at paragraph 3.2; and
- (b) the evidence specified at paragraph 3.2(a) above demonstrating that each entity concerned meets the Selection Criteria and the compliance requirements specified at paragraph 3.1 (b) and (c) above.

3.3.6 Tenderers should take note that, where a Service and Goods Contract is awarded by way of Mini-Competition, the Contracting Authority will require the Framework Member to whom it has decided to award the Goods Contract to supply up-to-date evidence as set out in paragraph 3.2(a) above. Where the Framework Member cannot provide up-to-date evidence to demonstrate that each entity concerned meets the Selection Criteria and the compliance requirements specified at paragraph 3.1(b) and (c) above, then the Contracting Authority may proceed to offer the Goods Contract to the next highest-ranked Tenderer.

3.4 PRESENTATION OF PROPOSALS

Tenderers may be required to make a presentation of the proposal contained in their Tender. The Contracting Authority will not be responsible for the cost of such presentations (in accordance with paragraph 2.8). Performance at presentations will NOT be evaluated.

3.5. STANDSTILL PERIOD

3.5.1 In circumstances where the European Communities (Public Authorities' Contracts) (Review Procedures) Regulations 2010 (Statutory Instrument 130 of 2010), as amended by the European Communities (Public Authorities' Contracts) (Review Procedures) (Amendment) Regulations 2015 (Statutory Instrument 192 of 2015) and the European Communities (Public Authorities' Contracts) (Review Procedures) (Amendment) Regulation 2017 (Statutory Instrument 327 of 2017) apply, no contract can or will be executed or take effect until at least fourteen (14) calendar days after the day on which the Tenderers have been sent a

notice informing them of the result of this Competition (“Standstill Period”) if such notice is sent by electronic means. The Standstill Period shall be sixteen (16) calendar days if such notice is sent by other means. The preferred bidder will be notified of the decision of the Contracting Authority and of the expiry date of the Standstill Period.

- 3.5.2** Tenderers should note that the Contracting Authority may, when notifying Tenderers of the results of this Competition, include the scores obtained by the Tenderer concerned and the scores obtained by the lowest ranking preferred bidder in respect of each award criterion assessed by the Contracting Authority.

3.6 RETURN OF SIGNED FRAMEWORK AGREEMENT(S)

- 3.6.1** The successful Tenderer(s) must sign and return the Framework Agreement(s) to the Contracting Authority no later than **twenty-one (21)** calendar days from the date of expiry of the Standstill Period unless notified otherwise in writing by the Contracting Authority. A signed Framework Agreement returned by the successful Tenderer(s) is not binding on the Contracting Authority until the Contracting Authority has signed the Framework Agreement in accordance with paragraph 2.1.2 above.
- 3.6.2** Where the signed Framework Agreement has not been received by the Contracting Authority within the period as specified at paragraph 3.6.1 then the Contracting Authority may proceed to offer a Framework Agreement to the next highest-ranked Tenderer in accordance with paragraph 3.6.1 above.

Appendix 1: Requirements and Specifications

Tenderers must address each of the issues and requirements in this part of the RFT and submit a detailed description in each case, where required which demonstrates how these issues and requirements will be dealt with / met and their approach to the proposed provision of the Services and Goods as set out in this RFT.
