

Excel Disclaimer

Per your request, please find attached an excel version of the measured works section of our pricing document. Please note that this is in raw format as exported from our estimating software and we do not accept responsibility or liability for any deficiencies in formatting, completeness of descriptions, quantities, units, rates or any formulas that may or may not be automatically generated by the exporting process for calculating totals of individual lines items, individual, pages, sections, elements or the like. You are referred to the pdf pricing document as issued with the overall tender pack, for the complete, accurate and fully formatted version that shall be returned fully priced with your tender submission. Please note that Element Headings do not format through from our estimating software to excel, therefore the contractor must separate accordingly, refer to PDF version for guidance.
