Section Four: Selection Criteria

4.1. Compliant Tenders

Only those Tenderers who have:

- a) Submitted compliant Tenders pursuant to Section 6.2 below, and
- b) Declared by way of eESPD that either:
 - (i) no grounds for exclusion of the Tenderer pursuant to Regulation 57 of the Regulations (the “Exclusion Grounds”) apply to them, or
 - (ii) where any such Exclusion Grounds apply, and where the Tenderer is not precluded from doing so under Regulation 57(17) of the Regulations, it can provide evidence to the effect that measures taken by the Tenderer are sufficient to demonstrate its reliability despite the existence of any relevant Exclusion Ground, and
- c) Declared by way of eESPD that they satisfy the selection criteria for this Competition as set out in Section 4.2 below (the “Selection Criteria”), will be awarded any contract.

Tenderers should note that where a Tenderer (Prime Contractor) is relying on the capacity of other entities (Subcontractors) for the purposes of fulfilling any of the Selection Criteria in Section 4.2 below it must:

- (i) complete and submit a separate eESPD in respect of each such Subcontractor and
- (ii) submit proof, to the satisfaction of the Contracting Authority, that each such Subcontractor will place the necessary resources at the disposal of the Prime Contractor.

Where a Tenderer (Prime Contractor) intends to subcontract any share of any Contract to a Subcontractor, but is not relying on the capacity of such Subcontractor for the purposes of fulfilling any of the Selection Criteria in Section 4.2 below, it must ensure that each such Subcontractor submits a separate eESPD in respect of such Subcontractor completing those sections of the eESPD which are specified in section [2.D] of the eESPD for this Competition.

However, notwithstanding anything to the contrary in this Section 4.1, the Contracting Authority reserves the right to ask Tenderers at any moment during the Competition to submit any or all of the following for the purposes of verification of the status of the Tenderer (including the Prime Contractor and any Subcontractor):

- (i) The Declarations and Statements in the TRD;
- (ii) evidence to the effect that measures taken by the entity concerned are sufficient to demonstrate its reliability despite the existence of a relevant Exclusion Ground;

If a Tenderer does not provide evidence which is considered by the Contracting Authority as sufficient to demonstrate:

- (i) its fulfilment of the Selection Criteria (or any one of them) in accordance with this RFQ and
- (ii) the absence of Exclusion Grounds, or its reliability despite the existence of a relevant Exclusion Ground, it shall be excluded from further participation in this Competition.

If a Tenderer does not provide evidence which is considered by the Contracting Authority as sufficient to demonstrate:

- (i) the fulfilment by any Subcontractor on whose capacity the Prime Contractor relies of the Selection Criteria (or any one of them) in accordance with this RFQ and
- (ii) the absence of Exclusion Grounds in respect of any Subcontractor, or the reliability of any Subcontractor despite the existence of a relevant Exclusion Ground, it shall be excluded from participation in this Competition unless it replaces the Subcontractor with one which meets all relevant requirements of this RFQ.

4.2. Selection Criteria

Tenderers will either pass OR fail each of the Selection Criteria specified below in Sections 4.2.1 and 4.2.2.

Tenderers must provide the supporting documentation specified above without delay when requested by the Contracting Authority. However, where the Tenderer is unable, for a valid reason, to provide the specified documentation, the Tenderer must inform the Contracting Authority of the valid reason as to

why the documentation cannot be supplied and, if the Contracting Authority considers the reason given to be valid, provide such other suitable alternative documentation to prove, to the satisfaction of the Contracting Authority, their economic and financial capacity.

In the case of the Tenderer being a consortium, this financial criterion may be fulfilled by the consortium members as a whole.

NOTE TO TENDERERS-1: For the avoidance of doubt if a Tenderer is submitting a response for multiple Categories they must submit an eESPD, TRD and Documentary Evidence of Financial and Economic Standing for all Categories applied for.

However, where the Tenderer is unable, for a valid reason, to provide the documentation specified, the Tenderer must inform the Contracting Authority of the reason why the documentation cannot be supplied and, if the Contracting Authority considers the reason given to be valid, provide such other suitable alternative documentation to prove, to the satisfaction of the Contracting Authority, their economic and financial capacity.

Total Available Marks	1000 (100%)
------------------------------	--------------------

5.1.1. Minimum Scoring Requirements for Qualitative Award Criteria

Tenderers are advised that, in order to be considered for award of the Contract, a **minimum score of 60% must be achieved for each qualitative award criterion** (i.e., all criteria except *Award Criterion D – Price*). Failure to achieve the minimum threshold on any of the qualitative criteria will result in the tender being excluded from further evaluation, regardless of the total overall score. Tenderers may be required to deliver a four hour presentation in the CORU office as part of the tender process.

Tenderers must detail in their response how their proposed system meets all the of requirements outlined below:

5.2. Methodology for calculating the Cost Score

The following formula will be applied to the cost score:

The lowest cost tender that also meets all the minimum requirements of the qualitative award criteria will receive the maximum score achievable under this criterion. The scores of the other valid tenders will be calculated using the following formula:

Cost Score	=	Lowest Tendered Rate	x	Maximum Number of Marks Available
		Tendered Rate under evaluation		

5.3. Methodology for scoring Qualitative Criteria

Score	Category	Description
90 – 100%	Exceptional	An exceptional response demonstrating extensive understanding offering full assurance to client – fully supported with no reservations.
80 – 89%	Excellent	An excellent response demonstrating excellent understanding offering assurance to client – fully supported.
70 – 79%	Very good	A very good response demonstrating very good understanding offering assurance to client – strongly supported.
60 – 69%	Acceptable	An acceptable response demonstrating good understanding offering assurance to client – well supported.
Less than 60% is unacceptable and considered ineligible from further consideration		

Marks within the defined scoring ranges above may be awarded where tender responses demonstrate merit beyond the minimum requirements, in accordance with the evaluation criteria.

5.4. Tie-Break Rules

In the event that there is a tie for the last available place, the following tie-break approach will be adopted:

The Tenderer who has been awarded the highest marks for total Qualitative Award Criteria (A to C) combined (Non-Cost) of their Tender will be deemed to be the most economically advantageous tender (“MEAT”).

In the event the Tenderers receive the same marks for the Qualitative Award Criteria (Non-Cost) element of their Tender, the Tenderer who has been awarded the highest marks for Criterion A of their Tender will be deemed the MEAT.

5.5. Post Tender Clarification

At the discretion of the Contracting Authority, tenderers may be invited, in writing, to clarify certain aspects of their tender, particularly where information or documentation to be submitted appears to be incomplete or erroneous. However, all such requests will be made in full compliance with the principles of equal treatment and transparency and avoid any distortion of competition.

5.6. Verification

Award of contract may be subject to attendance at a verification meeting. It would be essential that the key personnel assigned to this contract should be available and present at this meeting. If required, tenderers will be notified of the date, time, agenda and format for such meetings as soon as possible.

5.7. Clarification of Abnormally Low Tenders

If the Contracting Authority considers the tender submission to be commercially unsustainable or otherwise problematic considering the tendered price or any other financial matter (including proposed indicative hours), the tenderer shall be invited to provide clarification to the Contracting Authority in respect of all elements of the tender submission that the Contracting Authority deems relevant. Any failure to satisfactorily comply with such a request, or to satisfactorily address the Contracting Authority’s concerns, may, at the discretion of the Contracting Authority, result in the elimination of the tender in question based on it being considered abnormally low.

5.8. Right to Confirm Suitability

Tenderers should note that the Contracting Authority reserves the right to confirm that the financial and technical capacity of the tenderer is valid and unchanged prior to the award of any contract.

5.9. Presentation of Proposals

Tenderers may be required to make an in-person presentation of the proposal contained in their Tender. The Contracting Authority will not be responsible for the cost of such presentations (in accordance with paragraph 6.8). Performance at presentations will NOT be evaluated.

5.10. Standstill Period

In circumstances where the European Communities (Public Authorities' Contracts) (Review Procedures) Regulations 2010 (Statutory Instrument 130 of 2010), as amended by the European Communities (Public Authorities' Contracts) (Review Procedures) (Amendment) Regulations 2015 (Statutory Instrument 192 of 2015) apply, no contract can or will be executed or take effect until at least fourteen (14) calendar days after the day on which the Tenderers have been sent a notice informing them of the result of this Competition (the "Standstill Period") if such notice is sent by electronic means. The Standstill Period shall be sixteen (16) calendar days if such notice is sent by other means. The preferred bidder will be notified of the decision of the Contracting Authority and of the expiry date of the Standstill Period.

Tenderers should note that the Contracting Authority may, when notifying Tenderers of the results of this Competition, include the scores obtained by the Tenderer concerned and the scores obtained by the preferred bidder in respect of each award criterion assessed by the Contracting Authority.

5.11. Return of Signed Contracts

The successful Tenderer(s) must sign and return the Contract in duplicate to the Contracting Authority no later than seven [7] calendar days from the date of expiry of the Standstill Period unless notified otherwise in writing by the Contracting Authority. A signed Contract returned by the successful Tenderer(s) is not binding on the Contracting Authority until the Contracting Authority has signed the Contract in accordance with paragraph 6.1.2 below.

Where the signed Contract has not been received by the Contracting Authority within the period as specified in tender document then the Contracting Authority may proceed to offer an award to the next highest-ranked Tenderer in accordance with the above.

Section Six: Instruction to Tenderers

6.1. Important Notices

6.1.1 While every effort has been made to provide comprehensive and accurate information in all notices and documents prepared for the purposes of this Competition, the Contracting Authority does not accept any liability or provide any express or implied warranty in respect of any such information. Tenderers must form their own conclusions about the solution needed to meet the requirements set out in this RFQ and may wish to consult their legal advisers.

6.1.2 The Contracting Authority does not bind itself to accept any Tender.

This RFQ does not constitute an offer or commitment to enter into a **Services** Contract.

No enforceable commitment of any kind will exist unless and until a formal written Contract has been executed by or on behalf of the Contracting Authority.

No contractual rights in relation to the Contracting Authority will exist unless and until a formal written **Services** Contract has been executed by or on behalf of the Contracting Authority.

Any notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer.

The Contracting Authority may cancel this Competition or, for the avoidance of doubt, any individual Lot at any time prior to a formal written Contract being executed by or on behalf of the Contracting Authority.

The award of a **Services** Contract does not confer exclusivity on the successful Tenderer.

Tenderers should note that the Contracting Authority shall be under any obligation to purchase any minimum value of **Services** under any Contract.

6.1.3 This RFQ supersedes and replaces any and all previous documentation, communications and correspondence between the Contracting Authority and Tenderers, and Tenderers should place no reliance on such previous documentation and correspondence.

6.1.4 In this clause 6.1.4, “Data Protection Laws” means all applicable national and EU data protection laws, regulations and guidelines including but not limited to Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (the “General Data Protection Regulation”), and any guidelines and codes of practice issued by the Office of the Data Protection Commission or other supervisory authority for data protection in Ireland from time to time.

The Contracting Authority will be a Data Controller (where Data Controller has the meaning given under the Data Protection Laws) in respect of any Personal Data (where Personal Data has the meaning given under the Data Protection Laws) required to be provided by the Tenderer in response to this RFQ.

The Tenderer, as Data Controller in respect of any Personal Data provided by it in its Tender, is required to confirm in the statement required under paragraph 6.4 below that all Data Subjects (where Data Subject has the meaning given under the Data Protection Laws) whose Personal Data is provided by the Tenderer have consented to the processing of such Personal Data by the Tenderer, the Contracting Authority, the Evaluation Team and the supplier of the etenders.gov.ie website, for the purposes of the participation of the Tenderer in this Competition or that the Tenderer otherwise has a legal basis for providing such Personal Data to the Contracting Authority for the purposes of its participation in this Competition.

6.1.5 The Contracting Authority would refer Tenderers in particular to the provisions of Regulation (EU) 2022/1031 on the access of third country economic operators, goods and services to the Union’s public procurement and concession markets and procedures supporting negotiations on access of Union economic operators, goods and services to the public procurement and concession markets of third countries (International Procurement Instrument – IPI), and to their obligation to comply therewith.

In particular, tenderers and candidates should note in Article 6 of Regulation (EU) 2022/1031, the obligations for a Contracting Authority in the context of a procurement procedure where the EU Commission has adopted an IPI measure.

6.2. Compliant Tenders

6.2.1. If a Tenderer fails to comply in any respect with the requirements of this paragraph.

The Contracting Authority reserves the right to reject the Tenderer's Tender Submission as non-compliant or, without prejudice to this right and subject to its obligations at law, to take any other action it considers appropriate including but not limited to:

- seeking written (electronic) clarification from the Tenderer;
- seeking further information from the Tenderer;
- waiving a requirement, which in the Contracting Authority's view, is nonmaterial or procedural.

Tenderers are required:

- (a) To complete and submit with their Tender the electronic version of the European Single Procurement Document ("eESPD") which is available to download separately from www.etenders.gov.ie. Alternatively, Tenderers may submit an eESPD which has already been used in a previous procurement procedure PROVIDED THAT they confirm that:
 - i. the information contained in it continues to be correct; and
 - ii. that they satisfy the Selection Criteria for this Competition as set out at Section 4.2 below;
- (b) To submit all documentation which this RFQ requires to be submitted;
- (c) To follow the format of this RFQ and respond to each element in the order as set out in this RFQ;
- (d) To conform to and comply with all instructions and requirements set out in this RFQ;
- (e) To submit the Tenderer's Statement required under paragraph 6.4, below;
- (f) Not to alter or edit this RFQ in any way.

6.2.2. Without prejudice to the generality of paragraph 6.2.1, failure to comply with paragraphs 6.6.1, 6.6.2, or 6.6.3 below will render the Tender non-compliant and it will be rejected.

6.3. Services Contract

- 6.3.1.** Tenderers should also note the terms and conditions of the Services Contract attached in the tender pack with this RFQ.
- 6.3.2.** Tenderers are required to confirm their acceptance of the terms and conditions of the Services Contract.
- 6.3.3.** Tenderers may not amend the Services Contract.

6.4. Acceptance of RFQ Requirements

Each Tenderer is required to accept the provisions of this RFQ. ALL TENDERERS MUST RETURN, with their Tender, a scanned signed copy of the Tenderer's Statement, as set out in Appendix 3, printed on the Tenderer's letterhead (where available). The Contracting Authority must be able to read the scanned signature of the Tenderer. If possible, please sign documents using blue or black ink.
