Re: Carrick on Shannon Community School, Co. Leitrim

To Whom It May Concern,

Tendering Contractors should note that the Volume C Pricing Document Sections have been provided In Excel, Buildsoft and CITE formats to assist pricing, and it is their responsibility to ensure that all descriptions and quantities included within same are as per the original PDF tender issue of the Volume C Pricing Document, which takes precedence for all descriptions and quantities. No claims on the grounds of want of knowledge in this respect will be entertained whatsoever.

Yours sincerely
