Please find enclosed summary of information included in **Tender Addendum 001**.

Includes clarifications in response to: **Clarification Request (CR) 04**

<u>Clarification Request (CR) 04</u>	
<u>Query</u>	Datalogger Pricing Appendix 4 Item 11.3 provides for 10 dataloggers; however, the corresponding Amount cell F66 is fixed at zero and therefore does not calculate from the tendered rate. Please confirm how tenderers are to price this item and whether a corrected Pricing Schedule will be issued.
<u>Response</u>	Please refer to Tender Addendum 001 dated 21-08-26 See "Appendix 4 Pricing Schedule Rev 1" which now has a formula incorporated to calculate total in cell F66. <u>Tenderers must ensure that the revised Appendix 4 is completed and submitted as part of their Tender submission.</u>
