Query/Response	Date/Time Query Received
<u>Query 1:</u> Good Afternoon We would like to request a two-week extension to the submission deadline for this tender. Due to the size and complexity of the project, we're still pulling together final pricing and information from our supply chain. With the summer holiday period, a number of suppliers have been unavailable, which has slowed down the process. An extra two weeks would give us the time needed to complete and submit a fully considered and competitive tender. We'd really appreciate it if this request could be considered. <u>Response:</u> Please note; after careful consideration to an additional extension of time request, the Contracting Authority has granted a 2-week extension to the timeline for receipt of tenders. This was communicated in Message ID 739202 Query response No. 1 Issued on 20.7.2026. The closing date and time is 12 noon on 31st of August 2026. The Contracting Authority will <u>not</u> be granting any further extensions.	23/07/2026 16:31
