<u>Query 1:</u> Hi, please see below query received from our external window and door specialist: "Can you please advise on the RAL colour, so I can include for marine grade" <u>Response:</u> RAL colour is 7001 Silver Grey to match with the existing windows. The specification of the windows / testing standards are noted on both the Architectural drawings and specifications in the Tender Documents. Ref: 2316-23-16 Architectural Specification 2025 2026-04-28.  RAL 7001 Silver grey Colors Aluminum Fig 1 RAL Colour  Fig.2 Existing School	11/08/2026 15:33

<u>Query 2 is an Additional clarification to Query 3 in Query Response Sheet No 5 issued 7/08/2026, Etender Message ID 754585:</u> Good morning, Regarding the SAQ B2 form - does Part 2 (ER Reference) need to be completed at tender stage? The guidance is a bit contradictory. <u>Response Remains:</u> We can confirm the SAQ B2 Part 2 'Appendix B2 Certificate of Satisfactory Execution – Main Contractors' does need to be completed at tender submission stage. <u>Additional Clarification</u> For the avoidance of doubt, Appendix B2 is required to be fully completed and submitted as part of the SAQ/tender submission for each of the three projects proposed. This includes Part 2 – Employer's Representative Reference. As noted in the SAQ, the referee should be the Employer's Representative for the relevant project. Where the Employer's Representative is unavailable or unwilling to provide the reference, a suitably senior and competent technical member of the Design Team may provide the reference instead. The reference in the CA Supplementary Requirements to the information being provided "Before appointment" should not be interpreted as permitting Appendix B2 to be omitted from the tender submission. The fully completed Appendix B2 forms are required for assessment of the applicant's relevant project experience at tender stage.	7/8/2026 10:04
<u>Query 3:</u> Good afternoon, In supplement 3.4.2 section C) it states that Appendix B3 should be used, however I could not see this appendix doc in the SAQ folder. Could you please share the template which should be used in submission? Thank you in advance. <u>Response:</u> Appendix: B3 Certificate of Satisfactory Delivery of Services is now attached to this notice and to the Cft Documentation. The DoEY version of Appendix B2 Certificate of Satisfactory Execution Main Contractors is to be used in response to the QW2 Part 1 and Health and Safety Supplement 3.4.1. and Appendix B3 is to be used in response to the Health and Safety Supplement 3.4.2.	12/08/2026 17:27
<u>Query 4:</u> Good morning, Could you please issue the B3 forms as part of the SAQ? These seem to be missing <u>Response:</u> Please refer to Query 3 response above. Please note Appendix B3 Certificate of Satisfactory Delivery of Services is now attached to this notice and to the Cft Documentation	13/08/2026 11:29
