1.1 Westmeath County Council (the “Contracting Authority”) invites tenders (“Tenders”) to this request for tenders (“RFT”) from economic operators (“Tenderers”) for the provision of the services as described in Appendix 1 to this RFT (the “Services”).

1.2 In summary, the Services comprise: Request for Tenders for the Provision of Catering Services and Operation of the Catering Facilities and including the Operation of the Retail Facility at Belvedere House, Gardens and Park, Mullingar, County Westmeath, Ireland.

1.3

This public procurement competition will be divided into one lots (each a “Lot”) as described below. Each Lot will result in a separate contract.

[Insert description of Lots and any rules / instructions in relation to Lots]

1.4 This public procurement competition (the “Competition”) will be conducted in accordance with the open procedure under the European Union (Award of Public Authority Contracts) Regulations 2016 (Statutory Instrument 284 of 2016) (the “Regulations”). Any contract that may result from this Competition (the “Services Contract”) will be issued for a term of 3 years (“the Term”).

1.5

The Contracting Authority reserves the right to extend the Term for a period or periods of up to 1 year with a maximum of 2 such extension or extensions on the same terms and conditions, subject to the Contracting Authority’s obligations at law.

1.6 The Contracting Authority estimates that the expenditure on the Services to be covered by the proposed [Services Contract] – *[delete “s” if 1.3 does not apply]* may amount to some €240,293.14 (excl. VAT) over the Term and any possible extensions. Tenderers must understand that this figure is an estimate only based on current and future expected usage.

1.7 Contracting Authority policy seeks to encourage participation on a fair and equal basis by Small and Medium Enterprises (“SME”s) in this Competition. SMEs that believe the scope of this Competition is beyond their technical or business capacity are encouraged, subject to paragraph 2.5, to explore the possibilities of forming relationships with other SMEs or with larger enterprises. Through such relationships they can participate and contribute to the successful implementation of any Services Contract that may result from this Competition and therefore increase their social and economic benefits.

Larger enterprises are also encouraged, subject to paragraph 2.5, to consider the practical ways that SMEs can be included in their proposals to maximise the social and economic benefits of any Services Contracts that may result from this Competition.

Part 2: Instructions to Tenderers

2.1 IMPORTANT NOTICES

2.1.1 While every effort has been made to provide comprehensive and accurate information in all notices and documents prepared for the purposes of this Competition, the Contracting Authority does not accept any liability or provide any express or implied warranty in respect of any such information. Tenderers must form their own conclusions about the solution needed to meet the requirements set out in this RFT and may wish to consult their legal advisers.

2.1.2 The Contracting Authority does not bind itself to accept the lowest priced or any Tender. This RFT does not constitute an offer or commitment to enter into a Services Contract. No contractual rights in relation to the Contracting Authority will exist unless and until a formal written Services Contract has been executed by or on behalf of the Contracting Authority. Any notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer. The Contracting Authority may cancel this Competition *[Delete if not applicable (or, for the avoidance of doubt, any individual Lot)]* at any time prior to a formal written Services Contract being executed by or on behalf of the Contracting Authority.

The award of a Services Contract does not confer exclusivity on the successful Tenderer.

2.1.3 This RFT supersedes and replaces any and all previous documentation, communications and correspondence between the Contracting Authority and Tenderers, and Tenderers should place no reliance on such previous documentation and correspondence.

2.1.4 In this clause 2.1.4, “Data Protection Laws” means all applicable national and EU data protection laws, regulations and guidelines including but not limited to Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (the “General Data Protection Regulation”), and any guidelines and codes of practice issued by the Office of the Data Protection Commission or other supervisory authority for data protection in Ireland from time to time.

The Contracting Authority will be a Data Controller (where Data Controller has the meaning given under the Data Protection Laws) in respect of any Personal Data (where Personal Data has the meaning given under the Data Protection Laws) required to be provided by the Tenderer in response to this RFT.

The Tenderer, as Data Controller in respect of any Personal Data provided by it in its Tender, is required to confirm in the statement required under paragraph 2.4 below that all Data Subjects (where Data Subject has the meaning given under the Data Protection Laws) whose Personal Data is provided by the Tenderer have consented to the processing of such Personal Data by the Tenderer, the Contracting Authority, the Evaluation Team and the supplier of the etenders.gov.ie website, for the purposes of the participation of the Tenderer in this Competition or that the Tenderer otherwise has a legal basis for

providing such Personal Data to the Contracting Authority for the purposes of its participation in this Competition.

- 2.1.5 The Contracting Authority would refer Tenderers in particular to the provisions of Regulation (EU) 2022/1031 on the access of third country economic operators, goods and services to the Union's public procurement and concession markets and procedures supporting negotiations on access of Union economic operators, goods and services to the public procurement and concession markets of third countries (International Procurement Instrument – IPI), and to their obligation to comply therewith.

In particular, tenderers and candidates should note in Article 6 of Regulation (EU) 2022/1031, the obligations for a Contracting Authority in the context of a procurement procedure where the EU Commission has adopted an IPI measure.

- 2.1.6 Tenderers are referred to the provisions of Regulation (EU) 2022/2560 of the European Parliament and of the Council on Foreign Subsidies distorting the Internal Market, in addition to Commission Implementing Regulation (EU) 2023/1441, and their obligation to comply therewith. In particular, tenderers and candidates should note the requirements in Articles 28 and 29 of Regulation (EU) 2022/2560 relating to the prior notification or declaration of foreign financial contributions, where the estimated value of the public procurement procedure is equal to or greater than the applicable financial thresholds set out therein. In that regard, Tenderers and Candidates are referred to Appendix 3A of the RFT.

2.2 COMPLIANT TENDERS

- 2.2.1 If a Tenderer fails to comply in any respect with the requirements of this paragraph 2.2.1, the Contracting Authority reserves the right to reject the Tenderer's Tender as non-compliant or, without prejudice to this right and subject to its obligations at law, to take any other action it considers appropriate including but not limited to:

- seeking written clarification from the Tenderer;
- seeking further information from the Tenderer; or
- waiving a requirement, which in the Contracting Authority's view, is non-material or procedural.

Tenderers are required:

- (a) To complete and submit with their Tender the electronic version of the European Single Procurement Document ("[eESPD](#)"). Tenderers may submit an eESPD which has already been used in a previous procurement procedure PROVIDED THAT they confirm that: (i) the information contained in it continues to be correct and (ii) that they satisfy the Selection Criteria for this Competition as set out at part 3.2 below;

- 2.3.1 Tenderers should note the terms and conditions of the Services Contract at Appendix 5 to this RFT.
- 2.3.2 Tenderers are required to confirm their acceptance of the terms and conditions of the Services Contract by signing the Tenderer's Statement at Appendix 3. Tenderers may not amend the Services Contract.

GENERAL SPECIFICATION OF REQUIREMENTS

1. Context

Belvedere House, Gardens and Park is owned and operated by Westmeath County Council and attracts circa 116,000 visitors per annum (2025 figures). Belvedere's 18th Century Hunting Lodge overlooks the picturesque Lough Ennell and has an impressive 1.5-acre Victorian Walled Garden, glasshouse, fairy garden and four outdoor children's play areas. Belvedere House stands on 160 acres of well - maintained estate, with 10kms of signed walking trails, punctuated with numerous follies, the largest being The Jealous Wall, built to obscure the view of Robert Rochfort's brother's larger house.

Westmeath County Council is committed to establishing Belvedere House, Gardens and Park as a world-class visitor destination. To support this vision, the Council has made significant investment in both the site and its team, expanding the Belvedere team during 2025 and 2026 to deliver an ambitious programme of development in line with a new Masterplan for the estate. The new Masterplan, due for completion in

2026, will provide a strategic framework for the long-term sustainability, growth and enhancement of this unique heritage destination.

The expanded Belvedere team is actively driving visitor growth through an enhanced programme of events and experiences, pursuing large-scale events, targeting domestic and international tourism, increasing existing coach and group travel, and the continued development of membership and community engagement. This work is supported by the wider teams within Westmeath County Council, who are committed to continually improving the estate, enhancing the visitor experience and ensuring Belvedere remains one of Ireland's leading heritage attractions.

Belvedere House, currently closed and undergoing restoration works, is noted for its exquisite Rococo ceilings and bow end design. Substantial capital investment works have been undertaken to conserve and enhance the historic 18th-century Belvedere House over the past 2 years. Conservation works will continue during 2026 and into 2027. Guided tours of the grounds currently take place weekly and this will extend to Belvedere House once it reopens, with anticipated increased interest.

Belvedere is open 361 days of the year and its visitor profile consists of families and seniors. Dwell time is very good with time spent on site of 2-3 hours. The café is situated beside the main visitor access route, providing excellent visibility and passing footfall.

Belvedere operates an annual Membership Scheme with a loyal customer base and this scheme offers Season Ticket Holders access to the estate during normal opening hours with possible restrictions applying in the event of large scale third party events and smaller events managed by the team on the estate. Currently the Season Ticket membership for the 12 months to June 2026 is 930 tickets (approx) representing over 2000 members including corporate memberships such as Mullingar Harriers Athletic Club and Lakeside Wheelers who use the estate facilities throughout the year. Various ongoing promotions to attract new members occur throughout the year along with ongoing social media campaigns.

Belvedere runs family-based events in particular at Easter, Halloween, Summer and Christmas with events that have taken place during 2026 including: The Big Green Trad at St. Patrick's Weekend, Belvedere Easter Event, Belvedere Garden Festival and forthcoming events including the Belvedere Food & Apple Festival, a new food festival, Home of Halloween Events and Christmas events. During 2026, Belvedere was the host of the prestigious Cathaoirleach Awards, Well Westmeath event and evening events including Clada Music Event and Fr. Ted Comedy Night.

Belvedere is part of the Ireland's Hidden Heartlands destination and works closely with Visit Westmeath, Fáilte Ireland and Tourism Ireland to profile it as the largest visitor attraction in Westmeath. With an active social media presence, 4,600 on Instagram and 96k on Meta and a bi-monthly ezine to both members and non-members, Belvedere has a strong platform for promotion. Belvedere has small

meeting rooms and caters for many meetings throughout the year in addition to park hire, all of which require catering facilities.

Belvedere is centrally located with direct access from National Road N52 and is one hour's travel from Dublin on the M4, 1 hour to Sligo on the N4 and 1.5hrs to Galway. This makes Belvedere an ideal stop for coach tours travelling East, West and North East. Many schools and language schools regularly visit Belvedere as part of their programme.

Notifying party(ies) ☐ yes ☐ no

3.1.1.6. If the reply to any of the questions in sections 3.1.1.1 to 3.1.1.4 was 'yes' in relation to any of the notifying parties, indicate if there is a restructuring plan capable of leading to the long-term viability of that party and if this restructuring plan includes a significant own contribution by the notifying party and provide details of that plan.

3.1.1.7. If the reply to any of the questions in points 3.1.1.1 to 3.1.1.4 was 'yes', please substantiate the answer, including references in the answer to the supporting evidence or documents that are to be provided in annexes (such documents may include, but are not limited to, the notifying party's latest profit and loss account statements with balance sheets, or court decision opening collective insolvency proceedings on the company or documents providing evidence that the criteria for being placed under insolvency proceedings at the request of creditors under national company law are met, etc.).

- 3.2.** For each foreign financial contribution equal to or in excess of EUR 1 million granted to the notifying parties in the three years prior to the notification that may fall into any of the categories of Article 5(1), points (a) to (c) and (e) of Regulation (EU) 2022/2560, the notifying party must provide the following information and provide supporting documents:

Please explain why, with reference to the supporting documents provided under Section 6 (below).
 - 3.2.8. Explain whether the financial contribution is limited in law or in fact, within the meaning of Article 3 of Regulation (EU) 2022/2560, to certain undertakings or industries. Please explain why, with reference to the supporting documents provided under Section 6 (below).

In that regard, notifying parties are required to complete Table 1 below. Notifying parties should follow the instructions provided at Section 8 (Annex II) of Commission Implementing Regulation (EU) 2023/1441.

Table 1

Information to be included in Table 1 below by notifying parties.

- (i) Group the different financial contributions per third country and per type, such as direct grant, loan/financing instrument/repayable advances, tax advantage, guarantee, risk capital instrument, equity intervention, debt write-off, contributions provided for the non-economic activities of an undertaking (see recital 16 of Regulation (EU) 2022/2560), or other.

- (ii) Include only those countries where the estimated aggregate amount of all financial contributions per country granted in the three years prior to the notification (calculated according to point (iv) below is EUR 4 million or more.
- (iii) For each type of financial contribution, provide a brief description of the purpose of the financial contributions and the granting entities.
- (iv) Quantify the estimated aggregate amount of financial contributions granted by each third country in the three years prior to the notification in the form of ranges, as specified in the notes to the Table below. For the calculation of this amount, the following considerations are relevant:
 - (a) Take into account foreign financial contributions falling into the categories of Article 5(1) of Regulation (EU) 2022/2560 and on which information has been provided under Sections 3.1 and 3.2 (above) and;
 - (b) do not take into account foreign financial contributions excluded according to points (v) and (vi) below
- (v) Notifying Parties do not need to include (in the Table below) a description of the following foreign financial contributions:
 - (a) Deferrals of payment of taxes and/or of social security contributions, tax amnesties and tax holidays as well as normal depreciation and loss-carry forward rules that are of general application. If these measures are limited, for example, to certain sectors, regions or (types of) undertakings, they have to be included.
 - (b) Application of tax reliefs for avoidance of double taxation in line with the provisions of bilateral or multilateral agreements for avoidance of double taxation as well as unilateral tax reliefs for avoidance of double taxation applied under national tax legislation to the extent they follow the same logic as the provisions of bilateral or multilateral agreements.
 - (c) Provision/purchase of goods/services (except financial services) at market terms in the ordinary course of business, for example the provision/purchase of goods or services carried out following a competitive, transparent and non-discriminatory tender procedure.
 - (d) Foreign financial contributions below the individual amount of EUR 1 million.
- (vi) The foreign financial contributions that may be relevant for the assessment of each public procurement may depend on a number of factors such as the sectors or activities involved, the type of financial contributions or other specificities of the case. In light of these specificities, the Commission may request additional information where it considers such information necessary for its assessment.

Third Country	Type of Financial Contribution (FC)*	Brief Description of the purpose of the FC and the granting entity**	Total Estimated value of the FC granted***
Country A			
Country B			
Country C			
Country D

*** Use the following ranges: 'EUR 45-100 million', 'EUR > 100-500 million', 'EUR > 500-1 000 million', 'more than EUR 1 000 million'

4. Justification for absence of unduly advantageous tender – (Section 4 of Form FS-PP)

In that regard, notifying parties should detail any elements that in their view may demonstrate that their tender is not unduly advantageous.

4.2 The elements may in particular refer to:

Notifying parties should provide a description of each of those positive effects.

- Provide the same documents prepared by or for or received by the entity granting the foreign financial contribution to the extent that they are in your possession or that they are publicly available.
- 6.3.** An indication of the internet address, if any, at which the most recent annual accounts or reports of the notifying party(ies) are available, or if no such internet address exists, copies of the most recent annual accounts and reports.
- 6.4.** Where the notifying party(ies) provide(s) justifications of the absence of an undue advantage of the tender by filling in Section 4 of this form, they also need to provide documentation for the period covering the three years preceding the notification, substantiating the adduced elements. Such documentation may include, inter alia, as relevant: (a) tax declarations for the period under review, including copies of company tax returns and VAT returns, (b) business plans and market research underlying the decision to participate in the public procurement procedure.
