775683		1. It is acceptable to use Private Sector credentials as well as Public Sector credentials? 2. It is acceptable to use credentials of projects delivered in Northern Ireland or UK as well as the Republic of Ireland?	Tenderers are not required to provide references exclusively from Irish Public Sector Bodies. However, all contract examples submitted must comply with the requirements of the RFT, including the applicable minimum contract value for each Lot applied to, completion within the specified timeframe, and demonstrable relevance to the relevant Lot. Tenderers must clearly demonstrate that the contract examples provided are similar in nature and scope to the services being procured under the relevant Lots. Please refer to Section 3.2. B (ii) Previous Experience.
