Competition/CfT Reference: NTPFCOMM002

Competition Title: NTPF Establishment of a Framework of Private Healthcare Providers for the Provision of Additional Healthcare Capacity

Date of Addendum: 07 September 2026

Issued by: National Treatment Purchase Fund

1. Purpose of this Addendum

This Addendum No. 1 is issued to amend the Invitation to Tender (ITT) documentation for the above competition.

The amendment relates to the location of certain text within the ITT. The relevant text has been moved between sections to ensure that the information is presented in the appropriate part of the tender documentation.

2. Amendments to the ITT

The following amendments are made to the ITT:

Amendment 1 – Lot 4: Paediatric Day Case Procedures

The following line has been removed from Section - Lot 4: Paediatric Day Case Procedures: “Consultants treating Paediatric patients under this tender must appear on the Irish Medical Council’s specialist register with a paediatric specialism.”

This is now covered under the ‘Medical Consultant Register’ criteria in Lot 4: Paediatric Day Case Procedures

“Must confirm that all care episodes are to be delivered by a consultant –led team and all consultants are on the relevant specialty register. All procedures must be performed by a consultant who is registered on the relevant specialty register.”

Amendment 2 – Lot 5: Paediatric Inpatient Procedures

The following line has been removed from Section - Lot 5: Paediatric Inpatient Procedures : “Consultants treating Paediatric patients under this tender must appear on the Irish Medical Council’s specialist register with a paediatric specialism.”

This is now covered under the ‘Medical Consultant Register’ criteria in Lot 5: Paediatric Inpatient Procedures:

“Must confirm that all care episodes are to be delivered by a consultant –led team and all consultants are on the relevant specialty register. All procedures must be performed by a consultant who is registered on the relevant specialty register.”

Amendment 3 – Lot 6: Paediatric Outpatient Services

The following line has been removed from Section - Lot 6: Paediatric Outpatient Services: “Consultants treating Paediatric patients under this tender must appear on the Irish Medical Council’s specialist register with a paediatric specialism.”

This is now covered under the ‘Medical Consultant Register’ criteria in Lot 6: Paediatric Outpatient Services:

“Must confirm that all care episodes are to be delivered by a consultant –led team and all consultants are on the relevant specialty register. All procedures must be performed by a consultant who is registered on the relevant specialty register.”

Amendment 4 – Section 16. Treatment of Paediatric Patients

The following line has been removed from Section – Section 16 (g) Treatment of Paediatric Patients: “Consultants treating Paediatric patients under Lots 4, 5 and 6 must appear on the Irish Medical Council’s specialist register with a paediatric specialism.”

This is being replaced with:

“g. All care episodes are to be delivered by a consultant-led team, where the consultant is on the relevant specialty Division of the medical register.”

Tenderers should ensure that they take this Addendum and the revised ITT into account when preparing and submitting their tender.
