Part 1: Introduction

- 1.1 **An Coimisiún Toghcháin, Ireland’s independent electoral commission** (the “Contracting Authority”) invites tenders (“Tenders”) to this request for tenders (“RFT”) from economic operators (“Tenderers”) for the provision of the services as described in Appendix 1 to this RFT (the “Services”).
- 1.2 In summary, the Services comprise the provision of mapping, geospatial, application support, maintenance, enhancement, development, training and related professional services in support of the Electoral Commission's statutory functions.
- 1.3 This public procurement competition (the “Competition”) will be conducted in accordance with the open procedure under the European Union (Award of Public Authority Contracts) Regulations 2016 (Statutory Instrument 284 of 2016) (the “Regulations”). Any contract that may result from this Competition (the “Services Contract”) will be issued for a term of three (3) years (“the Term”).
- 1.4 The Contracting Authority reserves the right to extend the Term for a period or periods of up to twelve (12) months, with a maximum of three (3) such extensions on the same terms and conditions, subject to the Contracting Authority’s obligations at law.
- 1.5 The Contracting Authority estimates that the expenditure on the Services to be covered by the proposed Services Contract may amount to some **€350,000** (excl. VAT) over the Term and any possible extensions. Tenderers must understand that this figure is an estimate only based on current and future expected usage.
- 1.6 Contracting Authority policy seeks to encourage participation on a fair and equal basis by Small and Medium Enterprises (“SME”s) in this Competition. SMEs that believe the scope of this Competition is beyond their technical or business capacity are encouraged, subject to paragraph 2.5, to explore the possibilities of forming relationships with other SMEs or with larger enterprises. Through such relationships they can participate and contribute to the successful implementation of any Services Contract that may result from this Competition and therefore increase their social and economic benefits.

Larger enterprises are also encouraged, subject to paragraph 2.5, to consider the practical ways that SMEs can be included in their proposals to maximise the social and economic benefits of any Services Contracts that may result from this Competition.

Part 2: Instructions to Tenderers

2.1 IMPORTANT NOTICES

2.1.1 While every effort has been made to provide comprehensive and accurate information in all notices and documents prepared for the purposes of this Competition, the Contracting Authority does not accept any liability or provide any express or implied warranty in respect of any such information. Tenderers must form their own conclusions about the solution needed to meet the requirements set out in this RFT and may wish to consult their legal advisers.

2.1.2 The Contracting Authority does not bind itself to accept the lowest priced or any Tender. This RFT does not constitute an offer or commitment to enter into a Services Contract.

No contractual rights in relation to the Contracting Authority will exist unless and until a formal written Services Contract has been executed by or on behalf of the Contracting Authority.

Any notification of preferred bidder status by the Contracting Authority shall not give rise to any enforceable rights by the Tenderer.

The Contracting Authority may cancel this Competition at any time prior to a formal written Services Contract being executed by or on behalf of the Contracting Authority.

The award of a Services Contract does not confer exclusivity on the successful Tenderer.

2.1.3 This RFT supersedes and replaces any and all previous documentation, communications and correspondence between the Contracting Authority and Tenderers, and Tenderers should place no reliance on such previous documentation and correspondence.

2.1.4 In this clause 2.1.4, "Data Protection Laws" means all applicable national and EU data protection laws, regulations and guidelines including but not limited to Regulation (EU) 2016/679 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, and repealing Directive 95/46/EC (the "General Data Protection Regulation"), and any guidelines and codes of practice issued by the Office of the Data Protection Commission or other supervisory authority for data protection in Ireland from time to time.

The Contracting Authority will be a Data Controller (where Data Controller has the meaning given under the Data Protection Laws) in respect of any Personal Data (where Personal Data has the meaning given under the Data Protection Laws) required to be provided by the Tenderer in response to this RFT.

The Tenderer, as Data Controller in respect of any Personal Data provided by it in its Tender, is required to confirm in the statement required under paragraph 2.4 below that all Data Subjects (where Data Subject has the meaning given under the Data Protection Laws) whose Personal Data is provided by the Tenderer have consented to the processing of such Personal Data by the Tenderer, the Contracting Authority, the Evaluation Team and the supplier of the etenders.gov.ie website, for the purposes of the participation of the Tenderer in this Competition or that the Tenderer otherwise has a legal basis for

providing such Personal Data to the Contracting Authority for the purposes of its participation in this Competition.

- 2.1.5 The Contracting Authority would refer Tenderers in particular to the provisions of Regulation (EU) 2022/1031 on the access of third country economic operators, goods and services to the Union's public procurement and concession markets and procedures supporting negotiations on access of Union economic operators, goods and services to the public procurement and concession markets of third countries (International Procurement Instrument – IPI), and to their obligation to comply therewith.

In particular, tenderers and candidates should note in Article 6 of Regulation (EU) 2022/1031, the obligations for a Contracting Authority in the context of a procurement procedure where the EU Commission has adopted an IPI measure.

- 2.1.6 Tenderers are referred to the provisions of Regulation (EU) 2022/2560 of the European Parliament and of the Council on Foreign Subsidies distorting the Internal Market, in addition to Commission Implementing Regulation (EU) 2023/1441, and their obligation to comply therewith. In particular, tenderers and candidates should note the requirements in Articles 28 and 29 of Regulation (EU) 2022/2560 relating to the prior notification or declaration of foreign financial contributions, where the estimated value of the public procurement procedure is equal to or greater than the applicable financial thresholds set out therein. In that regard, Tenderers and Candidates are referred to Appendix 3A of the RFT.

2.2 COMPLIANT TENDERS

- 2.2.1 If a Tenderer fails to comply in any respect with the requirements of this paragraph 2.2.1, the Contracting Authority reserves the right to reject the Tenderer's Tender as non-compliant or, without prejudice to this right and subject to its obligations at law, to take any other action it considers appropriate including but not limited to:

- seeking written clarification from the Tenderer;
- seeking further information from the Tenderer; or
- waiving a requirement, which in the Contracting Authority's view, is non-material or procedural.

Tenderers are required:

- (a) To complete and submit with their Tender the electronic version of the European Single Procurement Document ("[eESPD](#)"). Tenderers may submit an eESPD which has already been used in a previous procurement procedure PROVIDED THAT they confirm that: (i) the information contained in it continues to be correct and (ii) that they satisfy the Selection Criteria for this Competition as set out at part 3.2 below;
- (b). To submit all documentation which this RFT requires to be submitted with their Tender;

- (c) To follow the format of this RFT and respond to each element in the order as set out in this RFT;
- (d) To conform to and comply with all instructions and requirements set out in this RFT;
- (e) To submit the statement required under paragraph 2.4 below; and
- (f) Not to alter or edit this RFT in any way.

2.2.2 Without prejudice to the generality of paragraphs 2.2.1, failure to comply with paragraph 2.6.1, 2.6.2 or 2.6.3 below will render the Tender non-compliant and it will be rejected.

2.3 SERVICES CONTRACT

2.3.1 Tenderers should note the terms and conditions of the Services Contract at Appendix 5 to this RFT.

2.3.2 Tenderers are required to confirm their acceptance of the terms and conditions of the Services Contract by signing the Tenderer's Statement at Appendix 3. Tenderers may not amend the Services Contract.

2.4 ACCEPTANCE OF RFT REQUIREMENTS

Each Tenderer is required to accept the provisions of this RFT. ALL TENDERERS MUST RETURN, with their Tender, a scanned signed copy of the Tenderer's Statement, as set out in Appendix 3, printed on the Tenderer's letterhead. The Contracting Authority must be able to read the scanned signature of the Tenderer. If possible, please sign documents using blue ink. The Tenderer must provide details of all members of the group of undertakings and their role in the Tender and clearly set out the contact details including name, title, telephone number, postal address, facsimile number and e-mail address of the nominated entity authorised to represent the Tenderer and to whom all communications shall be directed and accepted until this Competition has been completed or terminated. Correspondence from any other person will NOT be accepted, acknowledged or responded to.

Prior to and as a condition of award of any Services Contract, the successful Tenderer shall be required to designate a single entity who will carry overall responsibility for the Services Contract (the "Prime Contractor"), irrespective of whether or not tasks are to be performed by a

subcontractor or other consortium member (the “Subcontractor”).

In order to submit a Tender to the electronic tenderbox, Tenderers must ensure that they follow the necessary steps on the eTenders platform to ensure that their tender has been submitted properly, which includes ensuring that the “Submit” button has been clicked. Tenderers should be aware that the “Submit” button will be disabled automatically at the Tender Deadline.

Tenderers must not exceed the stated maximum word count limits specified within each Selection and Award Criteria in the Tender response documents, where word count limits are specified. Any additional words in excess of the maximum word count limits specified WILL NOT be considered for evaluation. Tenderers also must not insert additional items, hyperlinks or make any alterations to the formatting of the Tender response document(s) (TRD). Any information submitted in this manner will be disregarded and will not be evaluated.

3.3 AWARD CRITERIA

- 3.3.1 Only Tenders that have passed the Compliance and Selection assessment set out above in sections 3.1 and 3.2 will be considered in the Award Evaluation.
- 3.3.2 The Services Contract will be awarded on the basis of the most economically advantageous tender(s) as identified in accordance with the following criteria:

Criteria	Weightings	Marks Available	Minimum Marks Required
Understanding of Requirements	15%	150	90
Service Delivery and Support Approach	25%	250	150
Relevant Experience and Capability	30%	300	180
Environmental Sustainability	5%	50	30
Cost	25%	250	N/A
Total	100%	1000	450

3.3.3 Scoring Methodology

For each of the non-cost criteria stated, the following evaluation methodology will be applied:

Technical Criteria Scoring Methodology

Band	Scoring Range	Assessment
5	91% to 100%	Excellent response with few or no weaknesses that meets or exceeds requirements, and provides comprehensive, detailed, and convincing assurance that the Tenderer will deliver to an excellent standard.
4	80% to 90%	A very good response that demonstrates real understanding, meets the requirements, and provides assurance that the Tenderer will deliver to high standard.
3	60% to 79%	A good response which demonstrates a reasonable understanding of requirements and gives reasonable assurance of delivery to an adequate standard but does not provide sufficiently convincing assurance to award a higher mark.
2	30% to 59%	A response where reservations exist. Lacks full credibility/convincing detail, and there is a significant risk that the response will not be successful.

1	1% to 29%	A response where serious reservations exist. This may be because, for example, insufficient detail is provided, and the response has fundamental flaws, or is seriously inadequate or seriously lacks credibility with a high risk of non-delivery.
0	0%	No response/response completely fails to address the criterion under consideration

3.3.4 Stage 1: The tender evaluation panel will determine into which of the following six bands in the Table above that each Criteria Response falls.

Stage 2: The tender evaluation panel will assign a mark within the selected band depending on the quality of the response.

Example: One hundred marks are available for an Award Criterion. If the tender evaluation panel determines that the response falls within the “very good” range, then they may award a minimum of 80 and a maximum of 90 marks, dependent on the overall quality of the response.

Tenderers must achieve a minimum score (marks) for each award criterion. Tenderers who fail to reach the minimum acceptable score (marks) indicated for each relevant award criterion will be eliminated from the competition.

3.3.5 Cost Score

Tenderers are required to submit pricing in accordance with Appendix 2 Pricing Schedule.

Tenderers shall provide:

- Annual Support and Maintenance Charge (where applicable).
- A Blended Daily Rate for Professional Services.
- Software Licensing Costs (where applicable).

Prices tendered must be all-inclusive and must cover all costs associated with the provision of the services.

The total evaluated cost will be scored using the following formula:

Marks for Cost	=	$\frac{\text{Lowest Total Tendered Cost}}{\text{Total Tendered Cost under evaluation}}$	*	Maximum Marks Available 250
----------------	---	---	---	--------------------------------

3.3.6 Total Score

The total marks for quality and the total marks for cost will be added together to calculate the overall score. The Tender with the highest overall score will be identified as the Most Economically Advantageous Tender.

3.3.7 Tie Break

If the evaluation results in a tie between two or more Tenderers, then the Tender with the highest score for the 'Qualitative' Criterion set out in the order below shall be deemed the Most Economically Advantageous Tender.

Criterion Order for Tie Break	
1	Relevant Experience and Capability
2	Service Delivery and Support Approach
3	Understanding of Requirements
4	Environmental Sustainability

In the event of a tie and there being no difference in the "Qualitative" and "Costs" Criterion scores, the tied Tenderers will be invited to submit their "Best and Final Offer." The Tender with the highest scoring Tender shall be deemed the Most Economically Advantageous Tender. In the event of a tie following the "Best and Final Offer" process, then the successful Tender will be drawn by lottery.

3.3.8 Subject to paragraphs 2.1 (Important Notices) and 3.5 (Standstill Period) of this RFT, award of the Services Contract to the highest ranked Tenderer (as determined by paragraph 3.3.1) will be conditional upon:

- (a) the Tenderer submitting the following evidence in respect of the Tenderer (including the Prime Contractor and any Subcontractors, as applicable in accordance with paragraph 3.1 above) to the extent not already provided, within seven (7) days of request by the Contracting Authority: (i) a Declaration in the form attached at Appendix 4; (ii) if applicable, evidence to the effect that measures taken by the entity concerned are sufficient to demonstrate its reliability despite the existence of a relevant Exclusion Ground; (iii) all or any of the supporting documents specified at paragraph 3.2; and
- (b) the evidence specified at paragraph 3.3.2(a) above demonstrating that each entity concerned meets the Selection Criteria and the compliance requirements specified at paragraph 3.1(b) and (c) above.

3.4 PRESENTATION OF PROPOSALS

Tenderers may be required to make a presentation of the proposal contained in their Tender. The Contracting Authority will not be responsible for the cost of such presentations (in accordance with paragraph 2.8). Performance at presentations will NOT be evaluated.

3.5 STANDSTILL PERIOD

3.5.1 In circumstances where the European Communities (Public Authorities' Contracts) (Review Procedures) Regulations 2010 (Statutory Instrument 130 of 2010), as amended by the European Communities (Public Authorities' Contracts) (Review Procedures)

(Amendment) Regulations 2015 (Statutory Instrument 192 of 2015) and the European Communities (Public Authorities' Contracts (Review Procedures) (Amendment) Regulation 2017 (Statutory Instrument 327 of 2017) apply, no contract can or will be executed or take effect until at least fourteen (14) calendar days after the day on which the Tenderers have been sent a notice informing them of the result of this Competition ("Standstill Period") if such notice is sent by electronic means. The Standstill Period shall be sixteen (16) calendar days if such notice is sent by other means. The preferred bidder will be notified of the decision of the Contracting Authority and of the expiry date of the Standstill Period.

- 3.5.2 Tenderers should note that the Contracting Authority may, when notifying Tenderers of the results of this Competition, include the scores obtained by the Tenderer concerned and the scores obtained by the preferred bidder in respect of each award criterion assessed by the Contracting Authority.

3.6 RETURN OF SIGNED CONTRACTS

- 3.6.1 The successful Tenderer must sign and return the Services Contract and the Confidentiality Agreement, both in duplicate, to the Contracting Authority no later than 10 calendar days from the date of expiry of the Standstill Period unless notified otherwise in writing by the Contracting Authority. A signed Services Contract returned by the successful Tenderer is not binding on the Contracting Authority until the Contracting Authority has signed the Services Contract in accordance with paragraph 2.1.2 above.
- 3.6.2 Where the signed Services Contract and the Confidentiality Agreement have not been received by the Contracting Authority within the period as specified at paragraph 3.6.1 then the Contracting Authority may proceed to award the Services Contract to the next highest-ranked Tenderer in accordance with paragraph 3.6.1 above.

Appendix 1: Requirements and Specifications

Tenderers must address each of the issues and requirements in this part of the RFT and submit a detailed description in each case which demonstrates how these issues and requirements will be dealt with / met and their approach to the proposed delivery of the Services. A mere affirmative statement by the Tenderer that it can/will do so or a reiteration of the tender requirements is NOT sufficient in this regard.
