* **IE BPA** - Authorised Products, **PCS** - Notified Products under Art 89 of EU Regulation 528/2012

✓ Efficacy claim made against that specific disease for the product by the manufacturer when used in accordance with the label instructions

--- No efficacy claim made against that specific disease on the product label

Note:

This list is for guidance purposes only.

- **Products must appear on the biocidal products register before they can legally be used in Ireland.**
- All biocidal products above must be listed on the **Biocidal Products Register** held by the **Pesticides Registration and Control Division DAFM** which can be found at [PRCD - Biocidal Product Registers \(agriculture.gov.ie\)](https://agriculture.gov.ie/PRCD-Biocidal-Product-Registers).
- Notified products are those products with a PCS number. Authorised products are those products with an IE/BPA number.
- Any efficacy claims made on product labelling are the responsibility of the manufacturer.
- It is important to read carefully the manufacturer's instructions before usage for dilution rates and specified precautions.
- Notified products included in this list have not been assessed for their efficacy in accordance with Regulation (EU) 528/2012.
- Forms for notification of biocides are available at www.pcs.agriculture.gov.ie.
- Authorisation of a product must be carried out according to the provisions of the Biocidal Products Regulation (EU) No. 528/2012 as amended by Regulation (EU) No 334/2014.
